Angela Madden opened the meeting at 6:07 p.m.

Johnny Arrowood asked the committee if the city was going to repair First St.

Mayor Jess Harnden reported that the Public Works has been busy repairing water leaks on Pine St. and a fire hydrant that has been leaking on Pine St. also. Tri State Engineering suggested changing our four inch lines to eight inch lines on Pine St.

Mayor Jess Harnden reported that he will be contacting Jim Hembree from USDA to find out if the organization helps cities with loans.

Mayor Jess Harnden contacted DNR on the low interest water state revolving fund loans.

Mayor Jess Harnden said he would contact Vaughn Trucking regarding repairing the streets.

Foreman Ron Doss reported that they had five leaks on Pine and Hannum Streets. He said that they have brush hogged on Gum St. Doss reported also that as of Saturday September 18th, at 11:30 a.m., Carterville is on Webb City water. Something is wrong with the well (possibly big leaks on Pine St.), and Alliance Pump will be down as soon as possible to fix it.

Public Works will start striping on Main St. and the City Hall parking lot.

Mayor Jess Harnden remarked that some of the employees need to get their chauffeurs license so they can drive the white truck.

Mayor Jess Harnden wanted to commend the Public Works on cleaning the streets for the Route 66 celebration.

Mrs. Schick asked the committee why they do not have a fire hydrant in her neighborhood. Foreman Ron Doss reported that the contractor that built the houses in that neighborhood was supposed to put those in. Ron Doss contacted DNR about the matter, and DNR said that we cannot do it with four inch lines; DNR has to approve it.

Brian Bowman motioned to close the meeting at 6:33 p.m., and Roger Sapp seconded.
