

PUBLIC WORKS

The Public Works Committee met March 18, 2002 at 6:00p.m. in the Council Chambers

Present:

Mayor Jess Harnden

Foreman Ron Doss

Roger Sapp

Marilyn Newman

Johnny Arrowood

Angela Madden

Ron Doss reported a leak at the city park has been repaired.

The pump on the well had a problem with the spider, which is a brass wagon wheel with a center that stablizes the shaft. The well should be working tomorrow.

Ron Doss reported a new service on Arch Street will be installed by Wednesday.

City Clerk Janice Case has found 5 residences that have no deposits.

Mayor Jess Harnden would like to asphalt behind city hall.

The 500 block of Fountain Street has a soft spot and needs repair.

Ron Doss reported that due to the scheduling of his surgery he lost his sick pay of 32 hours. Mayor Jess Harnden said he would check with the city attorney.

Meter Reader Interviews March 26 at 6:00p.m.

The meeting adjourned at 6:41p.m.

PUBLIC WORKS

The Public Works Committee met at 6:30p.m. in the Council Chambers July 15, 2002.

Present: Mayor Jess Harnden
Foreman Ron Doss
Elmer Frey
Johnny Arrowood
Angela Madden

Visitors: Earl L. Shofler
Patricia Shofler
Susan Drake (representing
Rural Water #3)

Elmer Frey called the meeting to order at 6:30p.m.

Mayor Jess Harnden reported the Public Works needs a dump truck. Foreman Ron Doss said he would like to have a 2 ½ ton and less than 10 ft. truck. Elmer Frey asked Susan Drake to find prices on a truck.

Earl and Patricia Shofler and Susan Drake presented maps of water lines on their property and surrounding properties. The water lines need to be rerouted so they can pay for their own water. Four water lines are connected to one meter. The Shoflers are asking for help from the city. They will be present at the next Council Meeting.

Susan Drake reported that Rural Water will be finished September 1, 2002. The city will be supplying water to 588 new customers.

The meeting adjourned at 7:40 p.m.

PUBLIC WORKS

The Public Works Committee met September 15, 2002 in the Council Chambers at 6:10 p.m.

Present at the Meeting:

Foreman Ron Doss

Johnny Arrowood

Elmer Frey

Angela Madden

Visitors:

Ron Vann

Ron Doss reported the meter connecting Carterville and Webb City is broke so Ron has calculated the amount used by Carterville when the well was being repaired. He has used the average use daily by the city.

Ron Doss reported a sewer problem at 508 E. Main and 510 E. Main. He will start work on the problem Sept. 16.

Ron Doss reported leaks at 508 W. Daugherty.

Repair storm drain at Washington and Main -in alley north of Main.

Ron Vann 1004 N. Pine is still on bottled water. He asked if the city could set the meter if the EPA would run the water line under the road. He is using a temporary line hooked on to his brother right now. The Committee suggested checking with the EPA first. Then the city would set the meter for him.

The meeting adjourned at 6:36 p.m.

PUBLIC WORKS

The Public Works Committee met Oct 21, 2002 in the Council Chambers at 6:00 p.m.

Present : Elmer Frey

Johnny Arrowood
