9) DEPARTMENT REPORTS –

- a) Brenda Cupp would like to thank the Police Department for working to get the 5 defibrillators for police vehicles.
- b) Brenda Cupp also would like to thank Jon Cook for working to make the town better and all the effort he has made.
- c) Cody Franks – ask about his water looking like milk. Jon Cook explains that the well is getting air in it and that is the reason it looks milky but also explains that MRWA is coming to look at why air is getting in the water lines.

- 10) VISITORS –** Cindy Myers is here and speaks with the council about code book number 365.070. (Commercial vehicles are prohibited from using certain streets). Cindy explains that the dump truck company had been stopped by the Carterville police department about the route they were using and would like clarification on the ordinance.

Council Members Warren Myers explain that it is a trucking company he does work for.

Brenda Cupp as if trucking company contacted the city about truck route and after some discussion, she feels that the city police officers was just doing their job.

Chief Worley explained that the trucking company was doing business outside the city limits and that he provided an alternate route that did not involve school zones and less city infrastructure.

Mayor Alan Griffin explains that the council can investigate clarification on the ordinance.

No motion made.

Amanda Hampton with HSTCC (Harry S. Truman Coordinating Committee) – Mayor Griffin explains that he asks Amanda to the meeting to explain about the Street Grant. Amanda explains that the city was awarded the street grant and all the work that will be done will have to be done west of Pine Street done by the census track. Judy Martin asks if the city can apply for \$ Amanda explains that, yes you can however for that census track the survey is good for 4 years. The city council thanks Amanda for attending and all the help with getting the grant done.
