I _____ am writing this letter to request a former investigation for criminal activity by the following state agency being_____. The state worker (s) _____ involved in said criminal activity is _____. That individuals supervisor through said agency of _____, located at the address off _____ in the state of _____, in the county of _____, supervisor name being ,_____.

The laws and criminal activity involved is of the following starting with Misappropriation of state funds of the state of _____. Funds being misappropriated by this worker are fund applied to court cost in the following court case / cases being _____, held at the following court _____, at the address of _____, in the state of _____. I the parent of _____, have / have not been accused of neglect, abuse , child endangerment. There has / hasn't been any rulings on said allegations so by proceeding with said case this is Misappropriation of state and county resources being the local justice system. and courts. This also is clear violation of civil rights in the area of Malicious prosecution occurring in the court of _____ with the case being _____. The following is the name of the judge or judges involved in the case _____. The attorneys involved in the case are_____ for the defendant being the parents of _____ and the parents name are _____ and _____. The attorneys for the plaintiffs being _____ and the plaintiffs in the case are _____. Again the criminal activity is Misappropriation of state funds by state workers accused, Misappropriation

of state resources being the courts , Civil right violation by case workers being Malicious prosecution, False pretense in court case, Misappropriation of Federal funds obtained for child involved in said allegations , intent to defraud the federal government by illegal placement of child in state custody and other civil right violation of Denial of due process in court case involving said state worker

((((For complaints of civil right violations this same form may be used but sent it to this address for civil right violations, request of investigation))))))
