ARTICLE TWO COMMON AREA

2.01 Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, the Articles of Incorporation and the Bylaws, shall be responsible for the exclusive maintenance, management, and control of the Common Area and all improvements thereon, and shall keep the Common Area in good, clean, attractive, and sanitary condition, order, and repair pursuant to the terms and conditions of this Declaration. The Association has the right to restrict the use and govern the operation of the Common Area by promulgating reasonable Rules, including with respect to any Common Area, the right to charge reasonable fees for the use thereof by the Owners as the Association deems necessary or appropriate. Rules may be established by the Association to regulate the use of the Common Area. The necessary work or maintenance, repair and replacement of the Common Area and the making of any additions or improvements thereto shall be carried out as provided in this Declaration, the Articles of Incorporation and the Bylaws.

2.02 Right of Enjoyment. Subject to this Declaration and any Rules promulgated by the Board of Directors, as amended from time to time, every Member shall have a right and easement of enjoyment of the Common Area, and such easement shall be appurtenant to and pass with the title to each Lot.

2.03 Restrictive Covenant on Common Area. A restrictive covenant is hereby imposed on the Common Area such that no part of the Common Area may be developed for residential or commercial purposes; provided, however, that Declarant and/or the Association shall have the right, but not the obligation, to construct and install amenities and improvements on the Common Area that are for the use and enjoyment of the Members, subject to the terms and conditions hereof and any Rules adopted by the Board. This restrictive covenant shall run with each Lot and shall exist for the benefit of the Owners and be binding upon, their successors and assigns. Notwithstanding the foregoing, prior to Turnover, Declarant may withdraw from the terms and conditions of this Declaration portions of the Community Property then owned by Declarant, or convert Lots owned by Declarant to Common Area and Common Area owned by Declarant to Lots.

2.04 Withdrawal of Property. Declarant shall be entitled to withdraw portions of the Community Property owned by Declarant from the terms and conditions of this Declaration, subject to the terms and conditions of this Section. For purposes of this Declaration, the portion of the Property withdrawn from the terms hereof shall be referred to as the "Withdrawn Property." In order to withdraw such portion of the Property from the terms of this Declaration, Declarant shall record in the Public Records of the County an instrument executed with the formalities of a Deed, which instrument shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration, and contain a legal description of the Withdrawn Property. Declarant shall have the right to withdraw portions of the Land from the terms and conditions of this Declaration without the joinder, ratification or approval of the Association, any Owner, or any lienholder, provided that Declarant is the fee simple owner of the Withdrawn Property, and provided that the withdrawal of the Withdrawn Property shall not result in a material change to the scheme of development of the Subdivision. Notwithstanding the provisions of this section, Lots which are the subject of a Lot Purchase Agreement between the Declarant and a Builder or third party may not be withdrawn from the terms and conditions of the Declaration, unless the Lot Purchase Agreement has been terminated or unless the Builder or third party purchaser consents in writing to the withdrawal of the Lot(s).

2.05 Lots Subject to Covenants, Restrictions, Limitations and Term. Each Lot that shall be conveyed, held, devised, leased, or demised at any time hereafter shall be subject to all the terms, conditions, covenants, restrictions, and limitations herein contained, and the obligation to observe and perform the same whether or not it be so expressed in the deed or other instrument of conveyance of the Lot or real property, and such shall run with the Lot or real property and be appurtenant thereto as if fully set out in such deed or instrument of conveyance, subject to the terms and conditions hereof.

2.06 Easements.

and egress thereto and therefrom, and the right and privilege of doing whatever may be necessary in, under, and upon said locations for the carrying out of any of the purposes for which said easements are hereby reserved and may hereafter be reserved.

- (d) Overhead Wires. No Lot shall be served with any overhead electrical or communications service, and no Owner shall erect power poles for such service; provided, however, that nothing herein shall be construed to prohibit overhead street lighting or ornamental yard lighting provided that such lighting is constructed in accordance with the terms and conditions hereof and any Rules of the Association.

2.07 Control of Common Area. The Association may, upon approval by the Members, sell, subdivide, lease, mortgage, grant easements over or otherwise encumber the Common Area, or exchange all or any portion of the Common Area for Lots or other real property, or purchase or acquire any additional real property and dedicate the same as Common Area subject to the terms of this Declaration.

2.08 Condemnation. In the event of a taking by eminent domain of any portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Area, if reasonably possible, unless within one hundred and twenty days (120) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the voting interests of the Members. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Area shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

2.09 Liability. Owners, occupants and their guests shall use and enjoy the Common Area at their own risk and shall assume sole responsibility for their personal belongings used or stored there. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on any of the Common Area. The Association shall not be liable for injury or damage to any person or property (a) caused by the elements or by an Owner or any other person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, utility line, facility or from any portion of the Common Area, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or occupant for loss or damage, by theft or otherwise, of any property of such Owner or occupant.

ARTICLE THREE ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

3.01 The Association. The operation and administration of the Common Area shall be handled by the Association. The Association shall have those powers and authorities as set forth in the Governing Documents and pursuant to the Act, including but not limited to the authority and power to maintain a class action and to settle a cause of action on behalf of Owners with reference to the Common Area and with reference to any and all other matters in which all of the Owners have a common interest. The Association shall have all the powers and duties set forth in the Act, Chapter 617, Florida Statutes (the Florida Not-for-profit Corporation Act), the Articles of Incorporation and the Bylaws. The Association shall have a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Common Area and further, shall have the right to grant permits, licenses, and easements over the Common Area for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Common Area. The Board of Directors shall have the authority and duty to levy and enforce the collection of assessments for common expenses and is further authorized to provide adequate remedies for failure to pay such assessments.

3.02 Membership. Each Owner shall be a Member, subject to the terms and conditions of the Articles of Incorporation and the Bylaws.

3.03 Voting. Voting by Owners shall be in accordance with the Bylaws.

3.04 Assignment. The share of a Member in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance of said Owner's Lot.

ARTICLE FOUR COVENANT FOR MAINTENANCE ASSESSMENTS

4.01 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot, hereby covenants, and each Owner of any Lot, excepting Declarant and Builders, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every such Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of operating expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) ("**Regular Assessments**" or "**Annual Assessments**"); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses of the Association or property of the Association ("**Special Assessments**"); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots ("**Individual Assessments**"). All such Regular Assessments, Special Assessments and Individual Assessments,

collectively referred to as Assessments, shall be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with such interest thereon and costs of collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Lot and shall be a *continuing lien* upon any Lot against which each such assessment is made. Any payment received and accepted by the Association shall be applied first to any interest accrued, then to any administrative late fee, then to any costs and reasonable attorney's fees, and then to the delinquent assessments. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when the assessment became due. Each Owner shall be jointly and severally liable with the previous Owner for all Assessments due to the Association prior to the transfer of title; provided, however, that "previous Owner" shall not include an association that acquires title to a delinquent property through foreclosure or by deed in lieu of foreclosure, and the liability of a first mortgagee, or its successor or assignee as a subsequent holder of the first mortgage who acquires title to a parcel by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due before the mortgagee's acquisition of title is limited to the amounts set forth in Section 720.3085 of the Act. This liability is without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to provide for the operations of the Association and for the management, care and maintenance of the Common Area and any improvements constructed thereon, including provision for appropriate insurance against casualty and liability. Assessments may be levied for, but shall not be limited to, the maintenance of the Common Area and any improvements or equipment maintained by the Association; the payment of taxes, if any, for the Common Area; insurance for the Common Area and as required under the HOA Act or pursuant to the Governing Documents for the Association; payment for the improvement and maintenance of the Common Area and Townhome lawns; and services and facilities related to the administration and operations of the association and the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover Operating Expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Subsection 4.05 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment charged against the Lot.

4.03 Uniform Rate of Assessment. Unless otherwise provided for herein, both Annual and Special Assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on an annual, quarterly or monthly basis or at any other interval as determined by the

Board of Directors. Payments of all Assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect Assessments.

4.04 Annual Assessments. To provide the total sum necessary for the insurance purchased by the Association hereunder, the maintenance, repair and replacement (as applicable) of any improvements located on the Common Areas, and any and all other expenses of the Association, each Member for each Lot owned shall pay a portion of the total amount necessary for such purposes to the Association, taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association may be responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. Reserve accounts are not initially provided for herein by the Declarant; however, the Members of the Association may elect following Turnover to collect for reserves upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the membership. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. If approved by the membership, the Board of Directors shall include a reserve account or accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be maintained with the collection of the Annual Assessments or have their funding waived or reduced in the manner provided by the HOA Act. Notwithstanding the foregoing, Builders are exempt from reserve funding obligations for each Lot owned by the Builder during the period of time prior to sale of the Lot to a third-party who is not a Builder or Declarant, and during the period prior to Turnover, Declarant is exempt from paying contribution to or deficit funding reserves for the Lots Declarant owns.

4.05 Special Assessments. In addition to the annual assessments authorized above, the Board of Directors may levy, in any annual assessment period, a special assessment applicable to that calendar year. Any such special assessment may only be levied for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area and any entrance wall or signage, including fixtures and personal property related thereto, and to cover unbudgeted expenses, expenses in excess of those budgeted, and other Operating Expenses of the Association. Notwithstanding the foregoing, before Turnover, the Board of Directors may not levy a special assessment unless a majority of Members, other than the Declarant, has approved the special assessment at a duly called special meeting and in accordance with the requirements of the Act.

4.06 Individual Assessment Against a Particular Owner of Lot.

(a) Failure to Maintain or Damages Caused. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in accordance with the terms and conditions of the Governing Documents and any promulgated Rules in a manner satisfactory to the Board of Directors to a minimum standard of consistency with the general appearance of the Community Property as initially constructed and improved by the Declarant (taking into account normal wear and tear and

exposure to normal exterior conditions, but not to the point of unsightliness), the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance performed on behalf of the Lot Owner by the Association may be assessed to the Lot as an Individual Assessment; and said Individual Assessment shall be enforced in the same manner as other Assessments. In addition, in the event any Owner, its guests, tenants or invitees cause any damage to real or personal property owned or to be maintained by the Association, including without limitation the Common Area and any structure or other improvements thereon, recreation facilities, landscaping, irrigation, sidewalks, easement areas or portions of the Surface Water Management System, such Owner shall be responsible for the cost for any repairs and replacements required to correct such damage and the cost thereof may be assessed to the Lot Owner as an Individual Assessment.

4.07 Date of Commencement of Assessments and Due Dates. The Assessments provided for herein shall only be assessed against Lots upon which a Home has been constructed, and will commence as to a particular Lot upon constructed conveyance of the Lot to any Owner who is not the Declarant or a Builder. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days prior to each annual assessment period, and in accordance with the requirements of the Act, the Board of Directors shall prepare and adopt a budget for the estimated Operating Expenses of the Association during the coming assessment period, inclusive of reserves if established by owner vote.. Except as otherwise provided herein, each Owner shall pay an equal amount of the annual assessment. The aggregate amount of the assessments shall be set at a level which is reasonably expected to produce income for the Association equal to the total budgeted Operating Expenses, including reserves. The Board of Directors shall send or make available a copy of the budget and notice the amount of the annual assessments for the following year to each Owner in accordance with the requirements of the Act, as may be amended from time to time. If the Board of Directors fails for any reason to determine the budget for any year, then until such time as the budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. Any revised budget prepared and adopted by the Board of Directors shall become effective in accordance with the requirements of the Act, as may be amended from time to time. The Board of Directors shall determine if annual and special assessments will be collected annually, quarterly or at some other interval and shall set due dates for assessment payments.

4.08 Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days (or such other period of time established by the Board of Directors) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars (\$25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the Assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the

amount of such Assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) without recourse to Declarant and/or the Association of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts shall be first applied to fines levied in accordance with the terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment. Additionally, if a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

4.09 Subordination of the Lien to Mortgages. The priority of the Association's lien and the obligation for payment of past due assessments or other sums due in relation to first mortgagees who obtain title as a result of foreclosure or deed in lieu of foreclosure shall be determined by the Act, and specifically, §720.3085(2) of the Act, as amended from time to time. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof or relieve the prior Owner from any personal liability for any unpaid assessments occurring prior to said sale or transfer.

4.10 Estoppel Letter. The Association shall, upon request from an Owner or on behalf of an Owner, provide estoppel certificates in accordance with the requirements of the Act.

4.11 Declarant Exemption; Assessments during Declarant Control. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant is in control of the Association, Declarant shall not be liable for Assessments against Lots owned by the Declarant, provided that the Declarant funds any deficit in Operating Expenses, exclusive of reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Chapter 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit shall be computed by subtraction from said Operating Expenses (exclusive of the items described in the foregoing sentence) all assessments, Working Fund Contributions (defined hereafter), income and other sums and income received or receivable by the Association. The deficit, if any, to be paid by Declarant pursuant to this Section shall be determined by looking at the period of deficit funding, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. The Declarant may at any time commence to pay Assessments to the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Association or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant

shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose prior to such time. Should Declarant, in its sole discretion, elect to fund cash shortfalls caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, or make excess contributions over the totality of the deficit funding period, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association. The Declarant's rights under this Subsection 4.10 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes.

4.12 Working Fund Contributions

(a) On Sale by Declarant. In addition to annual and special assessments levied hereunder, the first Owner acquiring title to a Lot that has been improved with a House who will occupy (or lease to an occupant) the House and all subsequent purchasers thereof shall pay to the Association at the closing of such Lot a contribution in an amount equal to one-fourth (1/4) of the annual assessments for Operating Expenses then being levied by the Association (a "Working Fund Contribution"). The Working Fund Contribution shall be deemed ordinary income, may be used by the Association for Operating Expenses or other purposes and need not be separated from or held or applied differently than Annual Assessments. No refund of a Working Fund Contribution will be made on re-sale. No Working Fund Contribution shall be due from a Builder when a Builder acquires a Lot for the purpose of constructing a Home thereon.

(b) On Re-Sale. At the time of each closing of a Home pursuant to a sale by an Owner other than Declarant or a Builder, each purchaser shall pay to the Association an amount equal to one-fourth (1/4) of the annual assessments for Operating Expenses then being levied by the Association at the time of the conveyance as a Working Fund Contribution. These monies shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Working Fund Contribution shall be deemed ordinary association income, may be used for Operating Expenses, and need not be separated from or held or applied differently than assessments. No refund of a Working Fund Contribution will be made on further re-sales.

4.13 Fines. The Association may levy reasonable fines against any Owner for violations of the provisions of this Declaration, the Articles, the Bylaws, or the Rules of the Association. A fine may not exceed \$100.00 per violation of any Owner or Owner's tenant, guest, or invitee for failure of the Owner of the Lot or its occupant, licensee, or invitee to comply with any provision of the Declaration, the Articles, the Bylaws, or the reasonable Rules of the Association unless otherwise provided herein. A fine may be levied by the Board of Directors for each day of a continuing violation, with a single notice and opportunity for hearing, except that the fine may not exceed \$1,000.00 in the aggregate unless otherwise provided herein. A fine of less than \$1,000.00 may not become a lien against a Lot. In any action to recover a fine, the prevailing party is entitled to reasonable attorneys' fees and costs from the nonprevailing party as determined by the court.

4.14 Surface Water Management System. The Association will be responsible for assessing and collecting fees for the operation, maintenance, and, if necessary, replacement of the Surface Water Management System owned and operated by the Association. Such fees shall be assessed and collected through Assessments. In the event the Subdivision contains on-site wetland

mitigation requiring monitoring and maintenance, the Association shall budget and collect sufficient funds for the monitoring and maintenance of the mitigation areas in accordance with the Permit.

ARTICLE FIVE

MAINTENANCE AND REPAIR

5.01 Maintenance. The Association shall maintain the Common Area. Portions of the Community Property owned or dedicated to the CDD on the Plat shall be maintained by the CDD. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Subdivision and to enter into easement and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. Each Owner shall maintain his or her respective Lot and shall also maintain and repair, at such Owner's sole cost and expense, said Owner's House, patio, lawn, and yard area, keeping the same in good condition and making all structural repairs and maintenance, external and internal, as may be required from time to time, including, but not limited to maintenance and repairs of any enclosed patio area, screens and screen doors, exterior door and window fixtures, glass, and other hardware. Each Owner shall also be responsible for the maintenance and repair of any fence or fences erected on such Owner's Lot and gates appurtenant thereto.

5.02 Failure to Maintain. In the event an Owner shall fail to maintain and repair his Lot and the improvements situated thereon, as provided for herein and provided that the failure to so maintain shall cause damage or injury to the adjoining Lot or to common structural elements which affect an adjoining Lot, the Association, after approval by a majority vote of the Board of Directors, shall have the right, but not the obligation, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the House and any other improvements erected thereon. The cost of the same shall be an Individual Assessment to which such Lot is subject. Alternatively, the Association, in the discretion of the Board, may seek equitable or other judicial relief to address the Owner's failure to maintain or repair.

5.03 Damage to Common Area/CDD Property. Notwithstanding anything contained in this Article Five to the contrary, each Owner shall be personally responsible and personally liable for any damage to the Common Area and CDD Property, or any portion thereof, caused by the Owner and/or the Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Owner, the Owner's family members, guests, invitees, lessees or licensees shall be an Individual Assessment against the Owner responsible therefor and the Lot of such Owner.

ARTICLE SIX

ARCHITECTURAL CONTROL

6.01 Submission of Plans and Specifications. No House, building, fence, wall, or other structure or improvement shall be constructed, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications of the

same shall have been submitted by an Owner to and approved in writing as in conformity and harmony with this Declaration by the Architectural Review Committee. Two (2) copies of the building or construction plans and specifications (collectively, the "Plans") shall be submitted to the ARC. Prior to commencement of any construction activities on a Lot, an Owner's Plans and Specifications must be approved by the ARC as to conformity and harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if prior to Turnover) and is otherwise aesthetically desirable. The ARC may, from time to time, establish additional written design guidelines for the Subdivision, and a copy of any such guidelines then in effect shall be made available to any Member requesting a copy of same from the Association. In accordance with the Bylaws, the Declarant may serve in the place of the ARC.

6.02 Approval or Disapproval. The ARC shall indicate its approval or disapproval of such Plans and Specifications by delivering, in writing, notice of such approval or disapproval to the requesting Owner. In the event the ARC fails to approve or disapprove an Owner's complete Plans and Specifications, including any additional documentation or information requested, within sixty (60) days after said Plans and Specifications have been submitted to it, approval shall be deemed automatically given. No ARC decision shall be required on the submission of incomplete Plans and Specifications.

6.03 Right of Inspection. The ARC shall have the right, but not the obligation, to enter and inspect the Owner's Lot and improvements during construction and prior to occupancy to ensure construction in accordance with the construction plans submitted and approved by the ARC. Failure of an Owner to comply with the provisions of this Section 6.03, or failure of an Owner to carry out construction in accordance with the provisions of this Article, shall subject such Owner to such remedies as might be available at law or in equity (including, but not limited to, specific performance and injunction, payment of the prosecuting parties' reasonable legal fees and expenses).

6.04 Limited Review. The scope of review and approval by the ARC does not include any responsibility for structural soundness, suitability of construction or materials, compliance with building or zoning codes or standards, this Declaration, or any other similar or dissimilar factors.

6.05 Waiver of Liability. Neither the ARC nor any architect nor agent thereof nor the Association, Declarant, nor any Member, agent or employee of any of the foregoing shall be responsible in any way for the failure of any improvements to comply with the requirements of this Declaration or any governmental or industry code or regulation, nor for any defects in any Plans and Specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications, and all persons relying thereon or benefiting therefrom agree not to sue or claim against the entities and persons referred to in this Section for any cause arising out of the matters referred to herein and further agree to and do hereby release said entities and persons for any and every such cause.

6.06 Declarant's Exemption. Notwithstanding anything to the contrary, this Article does not apply to the Declarant. The Declarant shall have the right to approve any of the foregoing for

any Builder in lieu of the process for approval by the Board of Directors or ARC. The Declarant's review and approval of any Builder plans shall be deemed approval of the Association and such approval may not be revoked or modified, and any modifications of such approved plans shall only require the approval of the Declarant.

ARTICLE SEVEN USE RESTRICTIONS

7.01 Residential Use. Each Lot is hereby restricted to a private, single-family dwelling for residential use.

7.02 Subdivision of Lots. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions, and provisions hereof, to easements and rights-of-way, and matters of public record. No Lot may be subdivided into a smaller Lot or Lots unless approved by the Association; provided, however, that an entire Lot may, subject to any requisite governmental approvals, be combined with an entire adjacent Lot and occupied as one Lot, with one Home, but assessed and governed as two Lots.

7.03 Signs. No sign of any kind shall be displayed on any Lot, except (i) that any Owner actively attempting to sell his Lot may place a "for sale" sign of less than four (4) square feet on his Lot; (ii) during the building of homes in the Subdivision, the Declarant and/or the Builders in the Subdivision may place signs at the entrance and/or on any Lot to advertise the Subdivision and the Lots for sale therein; and (iii) any Owner may display a sign of reasonable size provided by a contractor for security services within 10 feet of any entrance to the home.

7.04 Noxious and Offensive Activity. No noxious or offensive activity shall be carried on, in or upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to any other Owner.

7.05 Design Criteria; Structure. All improvements to be constructed or otherwise located on a Lot by an Owner shall comply with the following requirements:

- (a) Any Home shall contain a minimum of seven hundred (700) square feet of heated and cooled living space.
- (b) Sidewalks may be required to be constructed along the street right-of-way of each Lot in accordance with a uniform plan established by the Declarant. In that event, each site Plan submitted to the Architectural Review Committee shall show the location and material to be used for construction of the sidewalk.

Notwithstanding the foregoing, the Architectural Review Committee shall regulate antennas, satellite dishes, and/or other signal-receiving equipment of any kind in strict compliance with all federal laws and regulations.

Any stain or coating applied to fences must result in a natural wood appearance. All Lots shall be grassed in the entire designated yard area by sodding and the yard shall be landscaped upon the completion of construction and before occupancy. It shall be the Owner's responsibility to maintain any landscaping, walls or fences situated on a Lot so that such improvements remain in an attractive, well-kept condition. Notwithstanding the foregoing, nothing in this subsection shall be construed to prohibit any Owner from implementing Florida-friendly landscaping, as defined under Florida law, on his or her Lot or create any requirement or limitation in conflict with part II of chapter 373 of the Florida Statutes.
- (i) No garments, rugs, towels or blankets or any other materials may be hung, exposed or dusted from the windows or from the front facade of any Home. Further, unless otherwise specifically prohibited by applicable local, State or Federal law, no outside clotheslines or other facilities for drying or airing clothes shall be erected in the front yard, side yard or back yard of any Home.
- (j) Existing drainage, including but not limited to swales on Lots, shall be maintained and shall not be altered in any manner, and specifically shall not be altered in such a manner as to divert the flow of water onto an adjacent Lot. Fences or other structures shall not be installed in any manner which obstructs stormwater flow.

7.06 Animals. No animals, livestock, swine, insects or poultry of any kind shall be raised, bred, or kept on any Lot except that dogs, cats, and other household pets may be kept subject to the rules and regulations adopted by the Association, provided that they are not kept, bred, or maintained for any commercial purpose. Pets must be kept leashed and/or under control at all times. Pets permitted by this Section may be kept on a Lot only so long as such Pets do not

constitute a nuisance. The Board of Directors shall have the power to require the removal and relocation of any unauthorized animal and any Pet that is a nuisance, or which has harmed, or which presents a threat of harm, to residents and others in the Subdivision. Each person bringing or keeping an animal within the Subdivision shall be absolutely liable to the Association, other Owners and their invitees for any damage to persons or property caused by any animal brought upon or kept upon a Lot or the Common Area and it shall be the duty and responsibility of each such Owner to clean up after Pets which have deposited droppings or otherwise used any portion of the Community Property. No Pets shall be "tied out" in a yard or on a porch or patio, or left unattended outside for any extended period of time. Outdoor kennels, cages and dog runs are not permitted on any Lot. Notwithstanding the foregoing, the restrictions in this Section 7.06 shall not apply to any service animals, support animals, or any other animals permissible under the Fair Housing laws.

Notwithstanding the foregoing, one (1) accessory building may be erected, placed or set on any Lot if such structure is: (a) located upon the back yard of such Lot; (b) enclosed on all sides by a wooden fence of at least six (6) feet in height; (c) of the same architecture and character of the House located on such Lot; and, (d) approved by the Architectural Review Committee.

During construction on any Lot, all vehicles involved in such construction, including those delivering materials and supplies, shall enter upon such Lot only at such a location as to not interfere with the flow of traffic in the Subdivision, and such vehicle shall not be parked on the streets and roads of the Subdivision. All construction sites must be kept clean, and debris shall not be allowed to accumulate. During construction, the use of dumpsters for routine cleaning of construction sites is permitted.
- (b) No residence constructed on any Lot may be occupied prior to its substantial completion.
- (c) Landscaping shall be completed within sixty (60) days after completion of construction.
- (d) In addition to compliance with the requirements set forth under this Declaration, any and all improvements on any Lot shall comply with the standards and provision of Okaloosa County, and its applicable building code.

7.13 Outdoor Lighting. All outside lights shall be of an intensity not to exceed 100 watts and shall be placed so as to avoid an annoyance to any neighbor. Said lighting shall be turned toward the ground and shall be shielded completely or by frosted glass or plastic in all directions so that it does not shine toward neighboring Lots. Flood lights which shine all night are specifically prohibited.

7.14 Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for rubbish, trash, garbage, or waste. All storage equipment for such material shall be kept in a clean and sanitary condition.

The Board of Directors may require removal of any flammable or hazardous materials from the Subdivision if it determines, in its sole and absolute discretion, that any type or quantity of material is in violation of this Section.

7.19 Water and Sewer Service. The Owner of each Lot shall be required to connect to and use the central water distribution system and central sanitary sewage disposal system serving the Subdivision, and shall be responsible for paying all connection fees and assessments. 9.01 **Enforcement.** The Association, the Board of Directors, the Architectural Review Committee and/or any Owner shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges imposed by the provisions of this Declaration. Failure by the Association, the Board of Directors, the Architectural Review Committee and/or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9.02 **Attorneys' Fees.** In any action (whether in advance of or prior to the initiation of any legal or equitable proceeding, in arbitration, in trial, in any administrative or other similar proceedings, or in any appeal from any of the same) pertaining to any condition, restriction or covenant herein contained (due to their alleged violation or breach) or for the enforcement of any lien against any Lot or against any Person, unless otherwise expressly provided in this Declaration to the contrary for specific instances and conflicts, the prevailing party shall be entitled to recover all costs, including reasonable legal fees and expenses.

9.03 **Term.** This Declaration is to take effect upon recordation and shall be binding upon the Association and all Owners and all persons and entities claiming title under and through them for thirty (30) years after the date this Declaration is recorded in the public records, after which time said covenants, as amended from time to time, shall automatically renew for successive ten (10) year periods, or if required by the law then in effect, this Declaration may be preserved and/or otherwise extended for successive terms in accordance with Florida Statutes, Chapters 720 and 712, as amended from time to time. ARTICLE TEN
RESERVED DECLARANT RIGHTS

10.01 General Reserved Rights. Declarant reserves unto itself, its successors and assigns:

- (a) A right-of-way and easement for ingress and egress and easement for utilities, drainage, maintenance, repairs and other related uses over, along, and across the Common Area for all purposes relating in any manner to the subdividing, developing or aiding in the development of the Subdivision or any parts or parts thereof or additions thereto by Declarant or others.

10.02 Right to Annex Property. Declarant hereby reserves the right, exercisable in its sole and absolute discretion, to (a) make any real property adjacent to the Subdivision (the "Additional Property") subject to all or any of the terms and conditions of this Declaration and/or (b) permit owners of Additional Property to become Members of the Association. No assurances can be made as to whether any Additional Property will be annexed. Furthermore, Declarant expressly reserves the right to exercise this right on multiple occasions until such time as all Additional Property has been annexed into the Subdivision and made subject to this Declaration. No assurances can be made with respect to the boundaries of any portions of any Additional Property that might be annexed. The Additional Property may be annexed in accordance with this Section by an amendment to this Declaration, which amendment may be made and entered into by Declarant in its sole and absolute authority and discretion without the consent, approval or signature of the Association or any Member. Notwithstanding anything contained in this Section to the contrary, (i) no Additional Property shall be subject to this Declaration unless and until Declarant executes an amendment to this Declaration affirmatively exercising Declarant's rights hereunder and records such amendment in the County in which this Declaration is recorded, and (ii) in the event Declarant exercises its right to annex any Additional Property in accordance with this Section, Declarant shall also have the sole and exclusive right to alter, or otherwise replace with other terms, the terms of Section 7.05 hereof as those terms pertain to any Lots created out of such Additional Property.

10.03 Amendment of Declaration by Declarant. Until Turnover, Declarant reserves unto itself the right, authority and power to amend this Declaration in any manner Declarant deems

Such amendments shall comply with Section 720.3075(5) of the Act.

10.04 Consent of D.R. Horton to Certain Matters. Declarant may not exercise any rights reserved in this Article 10, or take any action or grant any approval as Declarant under this Declaration (other than any other approval given in the ordinary course as an Owner and not as Declarant) without obtaining the prior written consent of D.R. Horton, Inc.

10.05 Turnover. All rights of Declarant hereunder shall automatically terminate upon Turnover, except those rights that Declarant holds as an Owner and not by virtue of being the Declarant under this Declaration, which shall continue as long as Declarant is an Owner.

ARTICLE ELEVEN **INSURANCE/CASUALTY**

11.01 Insurance on Common Area. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Subdivision. Accordingly, the Board shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Area, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board shall obtain a public liability policy applicable to the Common Area covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors' and officers' liability insurance. Policies may contain a reasonable deductible as determined by the Board. In addition to the other insurance required by this section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds. Unless the requirement of fidelity coverage is waived in the manner provided in the Act, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

11.02 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to

cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

11.03 Damage and Destruction – Insured by Association. Not later than ninety (90) days after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 120 days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the voting interests of the Members. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred eighty (180) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. ARTICLE XII DISSOLUTION

Unless the Board of Directors determines that because of a conflict of interest or other substantial reason it should not make any recommendation, the Board of Directors must adopt a resolution recommending that the Association be dissolved and directing that the question of such dissolution be submitted to a vote at a meeting of Members entitled to vote thereon, which may be either an annual or special meeting. Written notice stating that the purpose, or one of the purposes, of such meeting is to consider the advisability of dissolving the corporation must be given to each Member (as of thirty (30) days prior to the date of mailing such notice) entitled to vote at such meeting. This notice shall be sent at least ten (10) days and not more than sixty (60) days before the date named for the meeting to each Member by United States mail, or by telegram, charges prepaid, to his address appearing on the books of the Association. A resolution to dissolve the corporation shall be adopted upon receiving eighty percent (80%) of the votes which Members present at such meeting or represented by proxy are entitled to cast. At any time after dissolution is authorized, the corporation may dissolve by delivering to the Department of State articles of dissolution for filing.

In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System (as defined in the Declaration) must be transferred to and accepted by an entity that complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by the District prior to such termination, dissolution or liquidation.

These Amended and Restated Bylaws of **Sutton Place Property Owners' Association, Inc.** (hereinafter "Association"), a nonprofit corporation, incorporated under the laws of the State of Florida are hereby created and adopted pursuant to the Articles of Incorporation of the Association filed in the Florida Department of State, Division of Corporations (the "Articles of Incorporation"). The Association has been organized for the purpose of providing various services and benefits with regard to the Subdivision (as that term is defined in the Articles of Incorporation).

Definitions. For convenience, these Amended and Restated Bylaws shall be referred to as the "Bylaws" and the Articles of Incorporation of the Association as the "Articles." The other terms used in these Bylaws shall have the same definition and meaning as those set forth in that certain Amended and Restated Declaration of Covenants, Conditions and Restrictions of Sutton Place (the "Declaration"), unless herein provided to the contrary, or unless the context otherwise requires.

ARTICLE I
ASSOCIATION

1.1 Office. The principal office of the Association shall be 400 Schubert Drive, Pensacola, Florida 32504, or such other place as shall be selected by the Board of Directors.

1.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

ARTICLE II
MEMBERS

2.1 Qualification. The members of the Association shall be determined in accordance with the Articles of Incorporation. "Owner", as used herein, shall mean and refer to the record owner, whether the same shall consist of one or more persons or entities, of the fee simple title to any platted lot in the Subdivision (a "Lot"), but excluding those having such interest merely as security for the performance of the obligation.

2.2 Voting Rights. All Owners shall be entitled to one (1) vote for each Lot owned.

2.3 Designation of Voting Members.

2.3.1 If a Lot is owned by more than one (1) person, the person entitled to cast the vote or votes for the Lot may be designated by a certificate signed by all of the record owners of the Lot and filed with the Secretary of the Association. If a Lot is owned by a corporation, partnership, trust, company or other legal entity, the person entitled to cast the vote or votes for the Lot may be

designated by a certificate of appointment signed by a duly authorized representative of the entity and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot, and a certificate may be revoked by any owner of an interest in the Lot. Any such revocation shall be in writing and signed by any owner of an interest in the Lot or a duly authorized representative of the entity, as the case may be, and filed with the Secretary of the Association.

2.3.2 If a Lot is owned by more than one (1) person and such owners do not designate a voting Member as required hereinabove, the following provisions shall apply:

2.3.2.1 If more than one (1) such owner is present at any meeting, and said owners are unable to concur on a decision on any subject requiring a vote, said owners shall lose their right to vote on that subject at that meeting; however, said vote or votes shall be included in the determination of the presence of a quorum.

2.3.2.2 If only one (1) such owner is present at a meeting, such person attending shall be entitled to cast the vote or votes pertaining to the Lot.

2.3.2.3 If more than one (1) such owner is present at the meeting and said owners concur, any one (1) such owner may cast the vote or votes for the Lot.

2.4 Restraint Upon Alienation of Assets. A member shall have no vested right, interest, or privilege of, in, or to the assets or funds of the Association, or any right, interest or privilege which may be transferable or inheritable, or which shall continue after his membership ceases, except as an appurtenance to the ownership of his Lot.

2.5 Change of Membership. A change of membership in the Association shall be established by recording in the public records of Escambia County, Florida, a deed or other instrument establishing a record title to a Lot (the "Record Property") and the delivery to the Association of a copy of such recorded instrument, with the owner(s) designated by such instrument thereby becoming member(s) of the Association (the "Record Property Owner(s)"). The membership of the prior Record Property Owner shall be thereby terminated, provided he is not an owner of other Record Properties in the Subdivision. Any change in ownership shall be subject to the Governing Documents, including the Declaration.

ARTICLE III MEMBERS' MEETINGS

3.1 Place. All meetings of members of the Association shall be held at such place within the County of Escambia, Florida, as may be stated in the notice of the meeting.

3.2 Membership List. A roster of Members of the Association, arranged alphabetically, shall be maintained by the Secretary, or if so delegated, by the Association's manager. Such list shall be part of the official records of the Association, open to inspection by Members. It is the responsibility of Members to timely notify the Secretary or Association manager of changes in mailing address and ownership of Lots.

3.3 Regular Meetings.

3.3.1 After Turnover, regular or annual meetings of the members of the Association shall be held in October or November of each year, to the extent reasonably possible and as determined by the Board of Directors.

3.3.2 Notice of a meeting of Members stating the time and place and the purpose(s) for which the meeting is called shall be given by the President or Secretary or their designee. A copy of the notice shall be posted at a conspicuous place within the Subdivision. The notice of the annual meeting shall be hand delivered or sent by mail to each Owner, unless the Owner waives in writing the right to receive notice of the annual meeting by signing a waiver of notice, either before or after the meeting, or unless the Owner has consented to receive electronic notices in accordance with the Act. The delivery or mailing shall be to the address of the Member as it appears on the Association's roster of Members, unless otherwise required by the Act. The posting and mailing of the notice shall be not less than fourteen (14) days, nor more than sixty (60) days, prior to the date of the meeting. Proof of posting or hand delivery may be given by affidavit, and proof of mailing of the notice may be given by retention of post office receipts, or by affidavit. Notice of an annual meeting need not, but may, include an agenda. Notice of a special meeting of the Members must include a description of the purpose or purposes for which the meeting is called.

Notice of Member annual or special meetings may be waived before or after the meeting. The attendance of any Member (or person authorized by proxy or valid power of attorney to vote for such member) shall constitute such Member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

3.4 Special Meetings.

3.4.1 Special meetings of the members for any purpose may be called at any time by the President, and shall be called by the President or Secretary at the request, in writing, of either a majority of the Board of Directors or twenty percent (20%) of the Members. Such request shall state the purpose of the requested meeting.

3.4.2 Business transacted at all special meetings shall be confined to the objects stated in the notice thereof.

3.5 Attendance. Members may attend meetings in person or by proxy. Special and Annual Meetings may also, at the election of the Board, be held by telephonic or video-conferencing means that will allow Members the ability to participate and communicate adequately with each other during the meeting. Such telephonic or video-conferencing participation may be counted as physical presence for quorum and other purposes with reasonable pre-meeting measures taken to confirm the eligibility of the participant as a Member in good standing and/or the holder of a Member's proxy.

3.6 Waiver of Notice. Whenever any notice is required to be given to any Member under the provisions of the Governing Documents or Florida law, a waiver thereof in writing signed by the

person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice.

3.7 Proxies. At any meeting of the members of the Association, each member shall be entitled to vote in person or by proxy. However, no proxy shall be valid unless it is filed with the Secretary prior to a meeting. Proxies are only valid for the particular meeting designated therein, or a valid continuance of the meeting for no more than 90 days. No proxy vote may be cast on behalf of a member who is present at a meeting.

3.8 Vote Required to Transact Business. When a quorum is present at any meeting, the holders of a majority of voting rights shall decide any question brought before the meeting. If the question is one which requires more than a majority vote by express provision of any statute, the Articles of Incorporation, the Declaration or these Bylaws, the express provision shall govern and control the number of votes required. As used in these Bylaws, the Articles or the Declaration, the terms "majority of the Members" shall mean a majority of the votes of Members present and not a majority of the Members themselves and shall further mean, irrespective of the number of Members physically present, more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves. In all cases where reference is made to percentage of the vote of Members, percentage of the Members, or percentage of the Members for purposes of determining the vote thereof, the percentage stated shall mean the percentage of the voting rights of the members.

3.9 Quorum. Thirty (30%) percent of the total number of voting rights of the Association present in person or represented by proxy, shall constitute a quorum at all meetings of the members for the transaction of business, except as otherwise provided by statute or these Bylaws. If a quorum is not present at any meeting, the members may adjourn the meeting from time to time, but for no more than 90 days, without notice other than announcement at the meeting, until a quorum is present. Any business may be transacted at any adjourned meeting until a quorum is present. Any business may be transacted at any adjourned meeting which could have been transacted at the meeting called. There is no quorum requirement for an election; however, at least 20 percent of all eligible Members must cast a ballot in order to have a valid election.

3.10 Voting Owner. If a Lot is owned by one person, his or her right to vote shall be established by the most recent recorded deed for the Lot. It is the responsibility of the record owner to provide written notice of such ownership and changes in ownership for the Association's roster of Members. If a Lot is owned by more than one person, or jointly by a husband and wife, they may, without being required to do so, designate a voting Member by filing a certificate of voting with the Association prior to casting a vote for an election or any other matter for which Members are authorized to vote. In the event they do not designate a voting member by certificate, the following provisions shall apply:

- (a) If co-owners are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is

present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).

- (b) If only one Owner is present at a meeting, in person or by proxy, the person present shall be counted for purposes of a quorum and may cast the Lot vote just as though he or she owned the Lot individually, and without establishing the concurrence of the absent Owner.
- (c) If more than one Owners of a single Lot are physically present at a meeting and concur, either one may cast the single vote for the Lot.

3.10.1 Corporation. If a Lot is owned by a corporation or other entity, the Chairman of the Board, Executive Director, President, Vice President, Secretary, Treasurer, or Member of the entity holding such Membership in the Association, and any like officer of a foreign corporation, whether for profit or not for profit, holding a Membership in the Association, shall be deemed by the Association to have the authority to vote on behalf of the Corporation or other entity and to execute proxies and written waivers and consents in relation thereto, unless before a vote is taken on a waiver of consent is acted upon it is made to appear by certified copy of the Bylaws or Resolution of the Board of Directors or executive committee of the Corporation that such authority does not exist or is vested in some other officer or person. In absence of such certification, the person executing any such proxies, waivers or consents or presenting himself at a meeting as one of such officers of a Corporation shall be for the purposes of this Section conclusively deemed to be duly elected, qualified and acting as such officer and be fully authorized. In the case of conflicting representation, the corporate Member shall be deemed to be represented by its senior officer, in the order first stated in this subsection.

3.10.2 Any document requiring the signature of a Member, except election ballots, may be accomplished utilizing DocuSign or any other mutually acceptable similar online, electronic or digital signature technology and such shall be deemed original signatures.

3.10.3 Only Members of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Members shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

3.10.4 Proxies. A proxy may be made by any person entitled to vote but shall only be valid for the specific meeting for which originally given and any lawfully adjourned and reconvened meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be dated, must state the date, time, and place of the meeting for which it was given, and signed by the person authorized to cast the vote for the Lot (as above described) and filed with the Secretary before the appointed time of the meeting, or before the time during the meeting when the vote is called. Holders of proxies shall be limited to individual Owners or the authorized owner, officer, director or manager of an Owner entity. If the proxy form

expressly so provides, any proxy holder may appoint, in writing, a substitute, who is a Member, to act in his place.

An executed facsimile appearing to have been transmitted by the proxy giver, or a photographic, photostatic, facsimile or equivalent reproduction of a proxy, delivered, mailed or transmitted electronically is a sufficient proxy. Owners may retroactively cure any alleged defect in a proxy by signing a statement ratifying the owner's intent to cast a proxy vote and ratifying the vote cast by his or her proxy.

3.10.5 Adjourned Meetings. Adjournment of an Annual or Special meeting to a different date, time, or place must be announced at the meeting before an adjournment is taken, or notice must be given of the new date, time, or place pursuant to the notice provision of the Bylaws. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are Members as of the new record date but were not Members as of the previous record date. If any proposed meeting cannot be organized because a quorum has not been attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as provided by law, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

3.11 Order of Business. The order of business at annual members' meetings and, as far as practicable, at all other members' meetings, shall be:

1. Call to order.
2. Calling of roll and certifying of proxies.
3. Proof of notice of meeting or waiver of notice.
4. Reading and disposal of any unapproved minutes.
5. Reports of officers.
6. Reports of committees.
7. Election of Directors.
8. Unfinished business.
9. New business.
10. Adjournment.

Such order may be waived or modified by direction of the chairman.

3.12 Minutes of Meeting. Minutes of all meetings of the Members of an Association must be maintained in written form or in another form that can be converted into written form within a reasonable time. The minutes of all meetings of Members shall be kept in a book available for inspection by Members or their authorized representatives or board members at any reasonable time.

The Association shall retain these minutes for a period of not less than seven years, or such other period as required by the Act, as amended from time to time.

3.13. Recording. Any Member may make audio or video recordings of meetings of the Membership. The Board of Directors of the Association may adopt reasonable rules governing the recording of meetings. Notwithstanding the right to record, neither live-streaming nor the posting of any meeting or portion thereof on the Internet, in any form or format, is permitted absent the prior written authorization of the Board of Directors, which authorization may be withheld in the sole discretion of the Board, for any reason and without cause.

3.14 Delinquent Members. If any Assessment or portion thereof imposed against a Member remains unpaid for ninety (90) days following its due date, such Member's voting rights in the Association may be suspended in accordance with the Act until all past due Assessments and other sums then due are paid, whereupon the voting rights shall be automatically reinstated. Such suspension shall be made, if at all, prior to the meeting where votes are counted, or the date written consents are due and tallied. Delinquent Members shall not be eligible to run for or serve on the Board of Directors.

3.15 Action by Written Consent. Action required or permitted to be taken at a Members meeting may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the Members entitled to vote with respect to the subject matter thereof. The consent shall have the same force and effect as a unanimous vote and may be stated as such in any filing instrument filed with either the Clerk of the Circuit Court or Secretary of State. Action taken under this Section 3.14 shall be effective on the date the last consenting Member signs the consent, unless the consent specifies a different effective date.

ARTICLE IV DIRECTORS

4.1 Number. The affairs and business of the Association shall be managed by a Board of Directors, consisting of not less than three (3) nor more than five (5) persons. The number of directors shall be determined from time to time upon majority vote and resolution of the Board of directors. No change in the number of directors shall operate to shorten the term of an incumbent director. The number of directors constituting the initial Board of Directors shall be three (3), as designated in the Articles of Incorporation.

4.2 Term. Each director shall be elected to serve a term of one (1) year or until his successor shall be elected and shall qualify.

4.3 Vacancy and Replacement. If the office of any director becomes vacant by reason of death, resignation, retirement, disqualification, removal from office or otherwise, a majority of the remaining directors, though less than a quorum, at a special meeting of directors duly called for this purpose, shall choose a successor or successors who shall hold office for the unexpired term in respect to which such vacancy occurred.

4.4 Election of Directors. Election of directors shall be conducted in the following manner.

4.4.1 The first notice of meeting and request for director nominations shall be mailed not less than 60 days prior to the annual meeting. Nominations for Directors shall be submitted in writing or email by the candidate or another Member, not less than 40 days in advance of the annual meeting and all eligible candidates shall be listed in alphabetical order on a ballot to be mailed to Owners. All candidates shall be notified of receipt of their nomination, with the opportunity to withdraw their candidacy prior to the printing and mailing of ballots. No nominations shall be taken from the floor at the meeting.

4.4.2 The election shall be by secret written ballot and decided by a plurality of the votes cast for each candidate.

4.4.3 All Members of the Association shall be eligible to serve on the Board of Directors unless otherwise disqualified pursuant to the Act and may nominate himself or herself in advance as a candidate for the Board. Nominations from the floor at the Members meeting are not to be permitted.

4.4.4 Upon submission of nominations, eligible candidates may submit a one-page information sheet to be included with the mailing of the ballots. Ballots with return envelopes shall be mailed to Owners not less than 14 days prior to the election. The outer envelope shall be addressed to the Association and in the return addresses location, shall provide spaces for the name of the voter, the address or Lot number being voted, and a signature space for the voter.

4.4.5 An election is not required if the number of vacancies equals or exceeds the number of candidates.

4.5 Removal. Any Director elected by the Members may be removed from office with or without cause by the vote or agreement by a majority of all votes of the Membership. The vacancy in the Board so created shall be filled by the Members at the same meeting or at a meeting of the Membership shortly thereafter. The conveyance of all Lots owned by a Director in the Community who owned one or more Lots at the time he or she was elected or appointed (other than appointees of the Declarant) shall constitute the resignation of such Director.

Until a majority of the Directors are elected by the Members other than the Declarant, no Directors named by the Declarant shall be subject to removal by Members other than the Declarant. Directors appointed by the Declarant and Directors replacing them may be removed and replaced by the Declarant without the necessity of any meeting.

4.6 If a vacancy on the Board of Directors results in there being no incumbent Directors, any Member may apply to the Circuit Court within whose jurisdiction the Property lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Member shall mail to the Association and post in a conspicuous

place in the Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these Bylaws. If, during such time, the Association fails to fill the vacancy(ies), the Member may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the fees of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these Bylaws.

4.7 Powers and Duties of Board of Directors. All of the powers and duties of the Association under Florida law shall be exercised by the Board of Directors, or its delegate, subject only to approval by the members when such approval is specifically required. The powers and duties of the directors shall include, but are not limited to, the following:

4.7.1 Assess. To make and collect an annual maintenance charge against members to pay the expenses incurred by the Association in carrying out the objects and purposes of the Association.

4.7.2 Disburse. To use the proceeds of assessments in the exercise of its powers and duties.

4.7.4 Employ. To employ and contract with service contractors in connection with carrying out the objects and purposes of this Association.

4.7.5 Adopt and publish Rules and Regulations governing the use of the common areas and facilities within the Subdivision, and the personal conduct of the members and their guests thereon, and to establish penalties for the infraction thereof.

4.7.6 To maintain a class action, and to settle a cause of action, on behalf of Record Property Owners with reference to the common areas, the roof and structural components of a building or other improvement, and mechanical, electrical and plumbing elements serving an improvement or a building; and to bring an action, and to settle the same, on behalf of two (2) or more of the Record Property Owners their respective interests may appear, with respect to any cause of action relating to the common areas; all as the Board deems available.

4.7.7 To elect the officers of the Association and otherwise exercise the powers regarding officers of the Association as set forth in these Bylaws.

4.7.8 To determine who shall be authorized to make and sign all instruments on behalf of the Association and the Board.

4.7.9. To employ a management agent or manager, at a compensation established by the Board, to perform such duties and services as the Board shall authorize including, but not limited

to, the duties listed in this Section; and such duties so conferred upon the managing agent or manager by the Board of Directors may upon five (5) days notice be revoked, modified or amplified by the majority of the votes of the Directors in a duly constituted meeting.

4.7.10 To take appropriate action to enforce the provisions of the Declaration, any rules and regulations adopted by the Association, and the Bylaws. In connection with same, the Board is authorized to file or defend appropriate suits or request for arbitration filed under any of said instruments, acts or provided for by the laws of Florida.

4.7.11 To employ attorneys, accountants, and other persons or firms reasonably necessary to carry out the provisions of the Declaration, Bylaws and Articles of Incorporation of the Association and the rules and regulations.

4.8 Eligibility. A person who is delinquent in the payment of any fee, fine, or other mandatory obligation to the Association for more than ninety (90) days is not eligible for Board membership. A person who has been convicted of any felony in Florida or in a United States District or Territorial Court, or has been convicted of any offense in another jurisdiction which would be considered a felony if committed in Florida, is not eligible for Board membership unless such felon's civil rights have been restored for at least 5 years as of the date on which such person seeks election to the Board.

4.9 Compensation. The directors shall not be entitled to any compensation for service as directors, but may be reimbursed for authorized out of pocket expenses.

ARTICLE V DIRECTORS MEETINGS

5.1 Organizational Meetings. An organizational meeting to elect officers of each new Board shall be held immediately upon adjournment of the Members' meeting at which they were elected or as soon thereafter as may be practicable. Secret ballots may be used for the election of officers.

5.2 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the directors. Notice of regular meetings shall be given to each director, personally or by mail, telephone or telegraph, at least three (3) days prior to the day named for such meeting.

5.3 Special Meetings. Special meetings of the Board may be called by the President on five (5) days notice to each director. Special meetings shall be called by the President or Secretary in like manner and on like notice upon the written request of one-third (1/3) of the directors.

5.4 Notice. Unless in an emergency, notice of a Board meeting shall be posted in a conspicuous place in the Subdivision at least 48 hours in advance. All meetings of the Board must be open to all Members except for meetings between the Board and its attorney with respect to proposed or pending litigation, where the contents of the discussion would otherwise be governed by attorney-client privilege and meetings of the board held for the purpose of discussing personnel matters. Board Members may participate by telephone conference or video conferencing in any

Board meeting, and for meetings open to the Members, shall either, and in the directors' discretion, may provide the telephone and / or video conference participant numbers or link, or have a speaker phone and video equipment available at a location within 30 miles of the Community for Member attendance. An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments.

5.5 Voting. Directors may not vote by proxy or by secret ballot at Board meetings. Notwithstanding the foregoing, officers of the Board may be elected by secret ballot voting.

5.6 Quorum. A quorum at a directors' meeting shall consist of a majority of the entire Board. The acts approved by a majority of those present at a meeting at which a quorum is present, shall constitute the act of the Board, except when approval by a greater number of directors is required by statute or by these Bylaws.

5.7 Adjourned Meetings. If at any meeting of the Board there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting any business that might have been transacted at the meeting as originally called, may be transacted without further notice.

5.8 Joinder in Meeting by Approval of Minutes. The joinder of a director in any action taken at a meeting by signing and concurring in the minutes of that meeting shall constitute the presence of such director for the purpose of determining a quorum.

5.9 Presiding Officer. The presiding officer of a directors' meeting shall be the chairman of the Board if such an officer has been elected; and if none, the President of the Association shall preside. In the absence of the presiding officer, the directors present shall designate one of their number to preside.

5.10 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his or her attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

ARTICLE VI COMMITTEES AND OFFICERS

6.1 Committees. The Board of Directors, by resolution adopted by a majority of the full Board of Directors, may designate from among its members an executive committee and one or more other committees each of which, to the extent provided in such resolution or in the Articles of Incorporation or the Bylaws, shall have and may exercise all of the authority of the Board of Directors, except that *no such committee shall have the authority to:*

- (a) Approve or recommend to members actions or proposals required by the Governing Documents or the Act to be approved by members;
- (b) Fill vacancies on the Board of Directors or any committee thereof; or
- (c) Adopt, amend, or repeal the Bylaws.

Each committee must have two or more members who serve at the pleasure of the Board of Directors. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the *State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007)*, and the *Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008)*, which are both incorporated by reference in subparagraph 62-330.050(9)(b)5., F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.

 3. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.
7. If the final operation and maintenance entity is a third party:

17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the Agency will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.

21. Grassed areas of the retention system shall be fertilized only as needed to maintain vegetation, and shall be mowed regularly in order to be kept at a manageable length as required for system functionality, maintenance, and safety.
22. Percolation performance shall be evaluated within the pond at least every third year. If there is evidence of inadequate percolation, the pond bottom must be re-scarified or deep-raked to restore percolation characteristics. If reworking the pond bottom fails to restore adequate percolation, additional retention area restoration shall be performed as follows:
 - a. Remove the top layer of the retention area bottom material to a depth of 2 to 3 inches and scarify or deep-rake the excavated bottom.
 - b. Replace excavated bottom material with suitably permeable material and restore the pond bottom to design grade.

Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered

The following information addresses procedures to be followed if you desire an administrative hearing or other review of agency action.

PETITION FOR FORMAL ADMINISTRATIVE PROCEEDINGS

Any person whose substantial interests are or may be affected by the action described in the enclosed Notice of Agency Action, may petition for an administrative hearing in accordance with the requirements of section 28-106.201, Florida Administrative Code, or may choose to pursue mediation as an alternative remedy under section 120.573, Florida Statutes, before the deadline for filing a petition. Pursuit of mediation will not adversely affect the right to administrative proceedings in the event mediation does not result in a settlement. Petitions for an administrative hearing must be filed with the Agency Clerk of the Northwest Florida Water Management District, 81 Water Management Drive, Havana, Florida 32333-9700 by the deadline specified in the attached cover letter. Failure to file a petition within this time period shall constitute a waiver of any rights such person may have to request an administrative determination (hearing) under section 120.57, Florida Statutes, concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

DISTRICT COURT OF APPEAL

A party who is adversely affected by final agency action on the permit application and who has exhausted available administrative remedies is entitled to judicial review in the District Court of Appeal pursuant to section 120.68, Florida Statutes. Review under section 120.68, Florida Statutes, is initiated by filing a Notice of Appeal in the appropriate District Court of Appeal in accordance with Florida Rule of Appellate Procedure 9.110.

SECTION 28-106.201, FLORIDA ADMINISTRATIVE CODE, INITIATION OF PROCEEDINGS

- (1) Unless otherwise provided by statute, and except for agency enforcement and disciplinary actions that shall be initiated under Rule 28-106.2015, F.A.C., initiation of proceedings shall be made by written petition to the agency responsible for rendering final agency action. The term "petition" includes any document that requests an evidentiary proceeding and asserts the existence of a disputed issue of material fact. Each petition shall be legible and on 8 1/2 by 11 inch white paper. Unless printed, the impression shall be on one side of the paper only and lines shall be double-spaced.
- (2) All petitions filed under these rules shall contain:
 - (a) The name and address of each agency affected and each agency's file or identification number, if known;
 - (b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not represented by an attorney or a qualified representative; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
 - (c) A statement of when and how the petitioner received notice of the agency decision;
 - (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
 - (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;
 - (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and
 - (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.
- (3) Upon receipt of a petition involving disputed issues of material fact, the agency shall grant or deny the petition, and if granted shall, unless otherwise provided by law, refer the matter to the Division of Administrative Hearings with a request that an administrative law judge be assigned to conduct the hearing. The request shall be accompanied by a copy of the petition and a copy of the notice of agency action.

NOTICING PUBLICATION INFORMATION

The District's action regarding the issuance or denial of a permit, a petition or qualification for an exemption only becomes closed to future legal challenges from members of the public ("third parties"), if 1) "third parties" have been properly notified of the District's action regarding the permit or exemption, and 2) no "third party" objects to the District's action within a specific period of time following the notification.

Notification of "third parties" is provided through publication of certain information in a newspaper of general circulation in the county where the proposed activities are to occur. Publication of notice informs "third parties" of their right to have a 21-day time limit in which to file a petition opposing the District's action. However, if no notice to "third parties" is published, there is no time limit to a party's right to challenge the District's action. The District has not published a notice to "third parties" that it has taken final action on your application. If you want to ensure that the period of time in which a petition opposing the District's action regarding your application is limited to the time frame state above, you may publish, at your own expense, a notice in a newspaper of general circulation. A copy of the Notice of Agency Action the District uses for publication is attached. You may use this format or create your own, as long as the essential information is included.

If you do decide to publish a Notice of Final Agency Action, please provide the District a copy of the Proof of Publication when you receive it. That will provide us notice that action on this permit application is closed after the 21 days following publication.

A person whose substantial interests are affected by the District permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, Florida Statutes, or may choose to pursue mediation as an alternative remedy under Section 120.573, Florida Statutes, and Rules 28-106.111 and 28-106.401-404, Florida Administrative Code. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-106 and be filed with (received by) the District Clerk located at District Headquarters, 81 Water Management Drive, Havana, FL 32333-4712. Petitions for administrative hearing on the above application must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing notice of this intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right(s) such person(s) may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to petition to become a party to the proceedings, in accordance with the requirements set forth above.
