President's Message

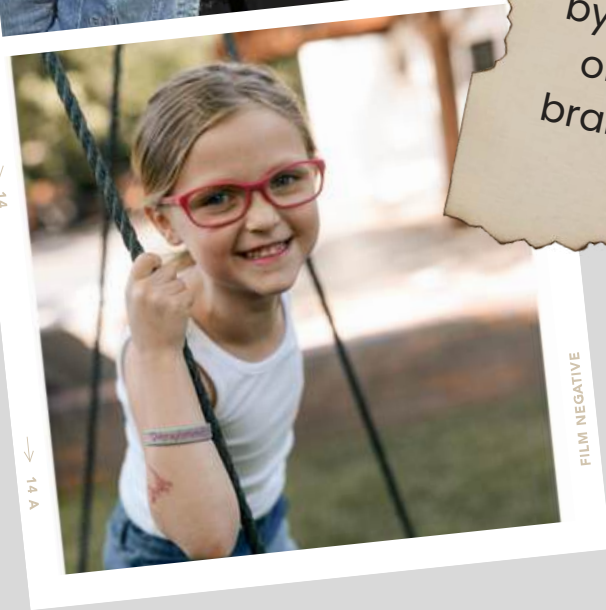

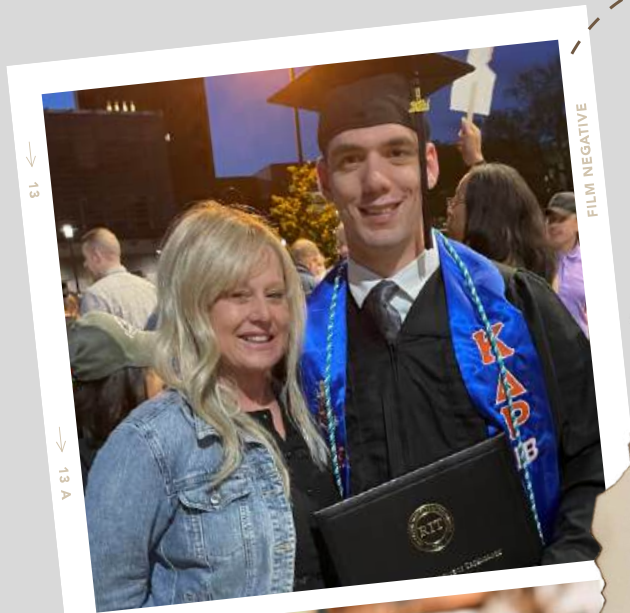

Our impact has been reignited!

Maureen believed, "no one can do everything, but everyone can do something." Thanks to the support of our donors, both longstanding and new, we have taken the first step towards achieving our goal of helping 100 patients and families annually and, most importantly, helping them stay focused on their fight.

Thank you!

Eric N. Kaleal
President

Mission

Financial assistance
for patients and
families overwhelmed
by the staggering cost
of brain cancer and
brain tumor treatment.

Established 2006

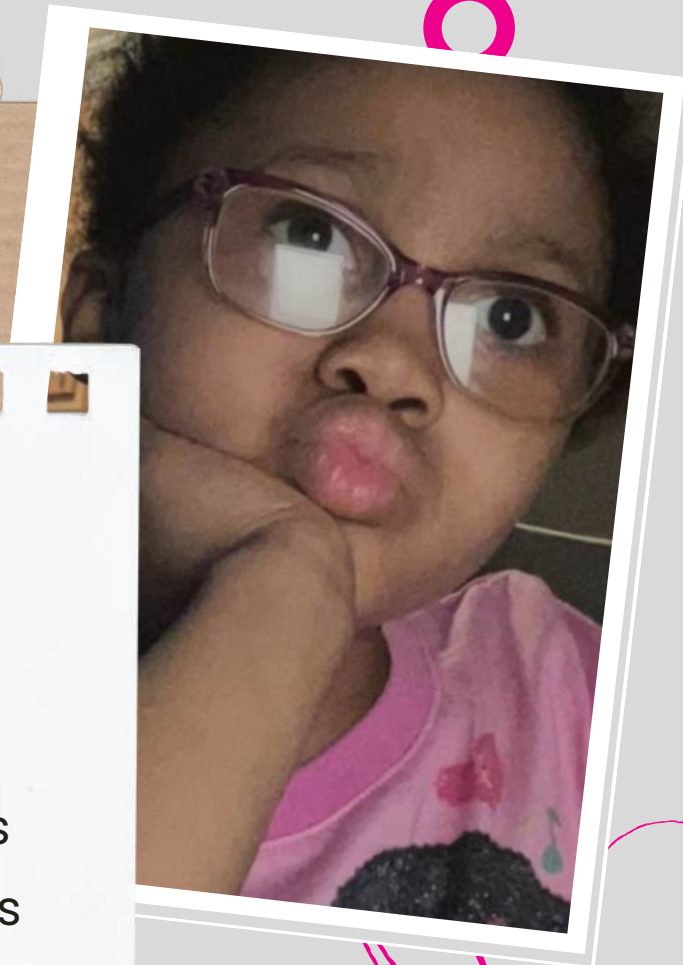

Mission4Maureen was borne of the loss of a daughter, a sister, a wife and a friend (Maureen). Its sole mission is to provide support and assistance for victims – and their families – of brain cancer and brain tumors..

Recipient Spotlight

Little Georgia's family is thankful to organizations like Mission4Maureen that make a deliberate effort to help others in some of their worst moments.

Mission4Maureen helped Georgia's family stay focused on her fight, paying two months of electric bills and an overdue cell phone bill balance.

Impact ↗

In 2024, Mission4Maureen reignited its impact, providing \$35,600 in financial assistance to 26 patients and families.

The need continues to be great however, with 248 applications for assistance received in 2024.
