

Introducing.....Keith Murrow!

Pheasants Forever Private Lands Conservationist

Keith is the Pheasants Forever Private Lands Conservationist at the El Dorado USDA NRCS Field Office. He grew up in Wichita and worked as an accountant, financial analyst, and office manager before pursuing a lifelong interest in wildlife biology. He has a technical diploma in Wildlife and Forestry Conservation and a Master of Science degree in Environmental Studies.

Keith worked several years for the Kansas Department of Wildlife, Parks and Tourism, primarily in the Public Lands Division, performing hands-on wildlife conservation work. His experience in land management includes prescribed burning, grassland reclamation, seasonal wetland management, timber stand improvement, invasive and noxious weed control, food plot planting, and many other wildlife habitat activities. Keith will be working in Butler and Cowley County.

Keith is stationed at the USDA Service Center, 2503 Enterprise, Suite B, El Dorado, Kansas 67042. He can be reached at 316-320-3549. Stop by the El Dorado NRCS/Conservation District Office and welcome Keith to Butler County!
