Seller: Butler County Conservation  
District

2503 Enterprise, Suite B

El Dorado, Kansas 67042

(Please include your EIN or SS# so  
we don't have to charge you sales  
tax)

**Purchaser's EIN or SS#**

1.) The drill will be picked up at the Conservation District Office and returned to the Conservation District Office with staff filling out the back of the application prior to the renter leaving the premises.

2.) The drill is not to be tampered with at any point during the rental period, other than normal adjustments for proper seed placement, setting the seed rate, etc. Manufacturer and other safety and usage guidelines must be adhered to by the Renter.

3.) The drill shall not be used by children without appropriate adult supervision.

4.) The drill remains the responsibility of the Renter during the specified rental period, from the time the equipment is checked out until such time as it is returned. Any repair or replacement costs incurred by damage during this time will be the responsibility of the Renter. Report problems or damages as soon as possible.

5.) If there is any problem or malfunction with the equipment, the Renter will call 316-320-3549 to report it, and have it exchanged or repaired. The Renter will not attempt to make repairs independently without first consulting with Butler County Conservation District.

- Any damage to the user's equipment or property, or the property of another party, during the use of this equipment will result in no fault or liability to Butler County Conservation District.
- You are responsible for cost of repairs caused by your negligence.
- You are responsible for regular lubrication and preventative maintenance of the drill while it is in your possession.
- The drill has a single pin hitch & hydraulic lift. A 70-horsepower tractor or bigger is recommended for pulling the drill in the field.
- Towing speed with your truck is 20 mph. A  $\frac{3}{4}$  ton or bigger truck is recommended for pulling. Do not tow any implement that, when fully loaded, weighs more than 1.5 times the weight of the towing vehicle.
- Seed boxes and hoses will be cleaned of all seed. Excessive dirt will be cleaned off prior to return.
- The Conservation District rents the drill based on 30 acres per day, with allowances made for weather or repair delays. Renter will make every effort to return the drill as soon as possible.
- Additional fees shall be applied if seed is not removed from the drill or the drill is not returned in a timely manner.
- Information is available from the drill manual provided with the drill. Please call the office at 316-320-3549 if additional information is needed or go to [www.butlercountyconservationdistrictks.com](http://www.butlercountyconservationdistrictks.com).

I agree to the above terms and conditions. \_\_\_\_\_ Date: \_\_\_\_\_
