DRILL RENTAL IS \$10.50/ACRE; IF YOU ARE SEEDING 10 ACRES OR LESS, THE FLAT RATE IS \$125.00.

The drill has a single hitch and hydraulic lift. A 70-horsepower tractor or bigger is recommended for pulling in the field.

- Towing speed with your truck is 20 mph. A ¾ ton or bigger truck is recommended for pulling. Do not tow any implement that, when fully loaded, weighs more than 1.5 times the weight of the towing vehicle.
- Seed boxes and hoses will be cleaned of all seed. Excessive dirt will be cleaned off prior to return. *I understand a \$50 fee will be charged if the drill is not cleaned properly.*
- The Conservation District rents the drill based on 30 acres per day, with allowances made for weather or repair delays. Renter will be charged and additional \$50/day if drill is not returned by the return date listed above.
- Information is available from the drill manual provided with the drill. Please call the office at 316-320-3549 if additional information is needed or go to www.butlercountyconservationdistrictks.com.
- You are responsible for regular lubrication and preventative maintenance of the drill while it is in your possession.
- You are responsible for cost of repairs caused by your negligence. Please report any problems or damages as soon as possible.
- Any damage to the user's equipment or property, or the property of another party, during the use of this equipment will result in no fault or liability to Butler County Conservation District.
- Please write down the acre meter reading before drilling and then after drilling is completed. Write down your acre readings on the back of this form.
- See the back of this page for the check in/check out sheet.
