This should have already been discussed between Buyer & Seller **BEFOREHAND** and Buyer should already know this. Please check the box on your contract.

Tails and dewclaws are done by 3 days of age making this a time sensitive matter; therefore, Seller needs to know beforehand, The Buyer's wishes.

Payment for puppies with tails will need to be paid for in **full before day 3** of age. This ensures Buyer is serious about purchase and keeping tail. This is only the case because it is against breed standard.

The Buyer agrees that if the puppy is not picked up on the release date set by the Seller, there will be a \$5 to \$10 a day boarding fee, unless arrangements are made in advance.

The deposit signifies that the Buyer intends to follow through with the purchase of the puppy from the Seller.

If the Buyer cannot follow through with the purchase of the puppy, the deposit is forfeited, and NO refund will be given.

The best policy is to be sure that you want this puppy before you send your deposit!

We the Sellers, guarantee all papers on stated registered puppies. We the Sellers, make no guarantees of your pup's mature size.

Purchasing Contract

Puppies are secured by deposit in an "as is" state, (in reference to your choice of puppy at an early age), where eye color or exact color and coat pattern may change, and personality is not apparent.

If by tragic accident, the puppy was to die or be determined to have a congenital defect that prevents the puppy from being a companion animal, a full refund of deposit will be given to the Buyer.

If the congenital defect affects sight or hearing and is still desired by the Buyer, the puppy will be offered to the Buyer as a pet only.

If there is another puppy available that the Buyer wants to put the deposit towards, the deposit can be put towards that puppy or if the buyer would like to wait for the next available litter, they may also make arrangements with the Seller to do so.

Seller reserves the right to return deposit back within 30 days if we don't have a puppy available for you or if Buyer & Seller make arrangements accordingly to present or future litters.

The Seller reserves the right to void this transaction and refund the Deposit, if we feel any reason the Buyer might not be suitable for the puppy. We can take up to 30 days to return or refund your deposit.

Visits:

We are always happy to meet with possible new families. We actually prefer meeting our families, if this isn't possible, expect in-depth conversations on the phone or through chat. If you would like to meet BEFORE puppies are born, we can make arrangements for that. BUT once puppies are here... you will only get pictures, videos, even live videos if you wish. I will keep you well informed on progress of YOUR puppy! You are welcome to follow us on social media as well.

Seller reserves the right to refuse visits until an age appropriate time for vaccines.

Health Guarantee:

The puppy is guaranteed to be in good health at the time of sale.

It is the breeder's responsibility to decide when the dog will be ready to go to its new home. Normally, the puppy will be able to leave at 8 weeks old, no earlier. If the puppy needs some additional time in the home, the breeder will inform the buyer with adequate time to prepare. There is an additional \$10 a day charge for puppies kept longer than 12 weeks of age beyond any reasonable delay.

The dog will be up to date on vaccinations and de-worming at the time of pickup. It is very important that the purchaser continues the vaccination and de-worming schedule.
