find the
inspiration
around you

Better
to die fighting
for freedom
than being
a prisoner

Peace love happiness

Let love
make you
stronger
and love
someone
to help
someone
become
stronger

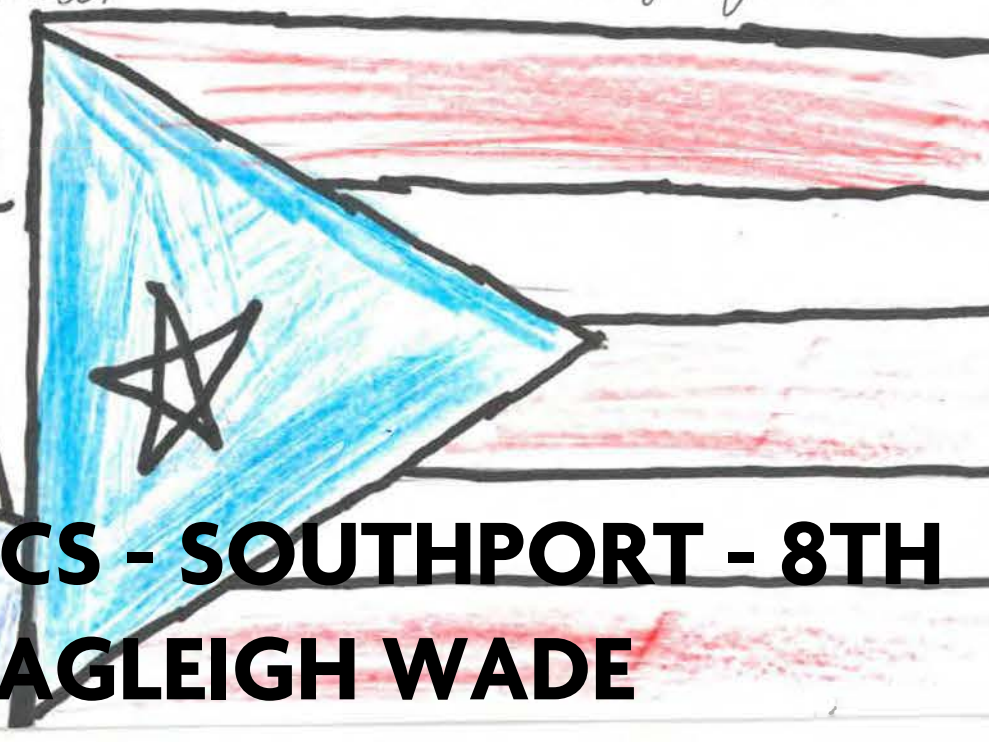

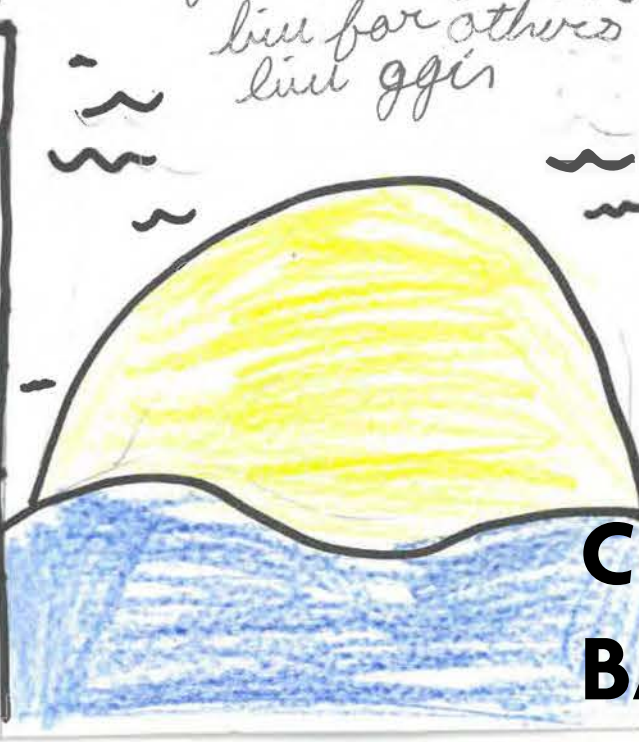

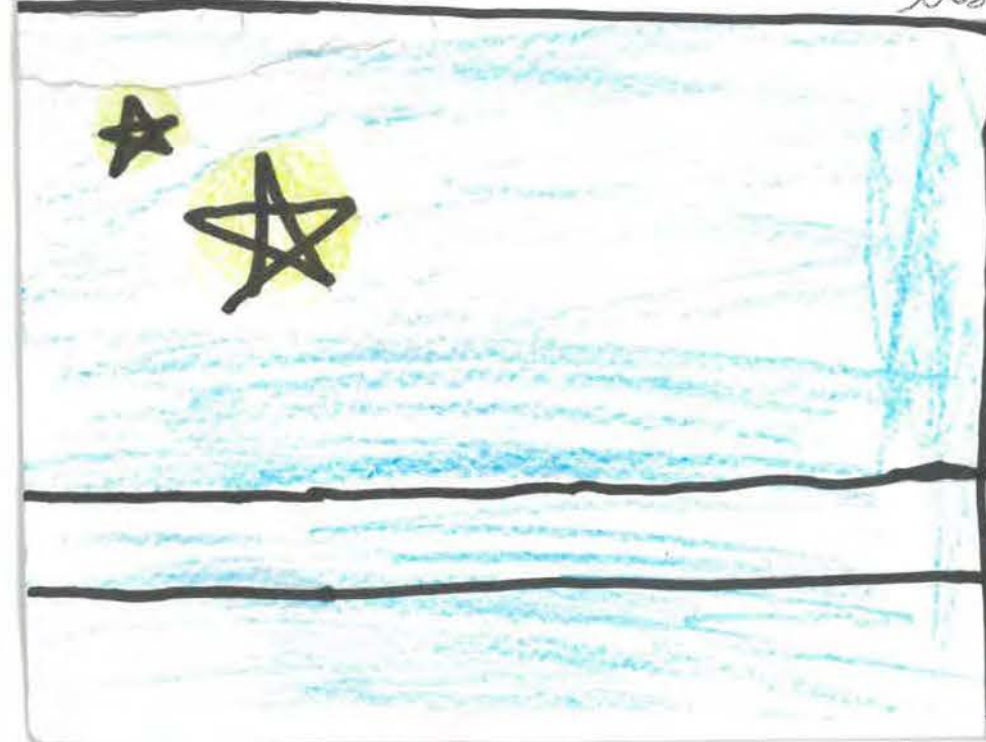

Spread the love

OUT OF MANY, ONE PEOPLE

peace, love, freedom
and bright
inspire

live for
yourself and
you will live in love
live for others
live for

spread the love
my richness
everywhere is life forever
