A few words about yourself, such as your living arrangements, your family situation and any other pets so that we can get a better idea of what you are looking for in a puppy and what sort of home you could provide:

Thank you for taking the time to complete this form. Your details will be automatically added to our database.

**IMPORTANT:** We cannot guarantee the color, numbers, sex or pregnancy resulting from a mating. We estimate availability and waitlist timing based on average number of pups per litter over a year. Some litters have more, some have less. The waitlist is transferable to a later litter. When suitable pups are born, waitlisted people will be contacted depending in the order they are on the waitlist. If there is not a suitable pup ( ie, if you want Lilac and the pups are born Blue ) from a litter, you will automatically go onto the next litter. You will not lose your place. If we repeatedly offer you pups (3 x offers) and do not hear from you, we will place your waitlist on hold.
