The Pre-Approval Process

Get Pre-Approved for a Mortgage
Before the Home Search

- ✓ I will connect you with a trusted lender to guide you through the pre-approval process.
- ✓ Once you know how much you can borrow, I will refine your home search accordingly.
- ✓ Pre-approval increases the chances that a seller will accept your offer, since it shows you are serious about buying.

Mortgage Approval Checklist:

- Complete Tax Returns
- Credit Card Info
- Credit Report
- Credit History
- Bank Statements
- Paycheck Stubs

Finding Your Dream Home

When we begin the search, we will meet to determine what your perfect home will look like.

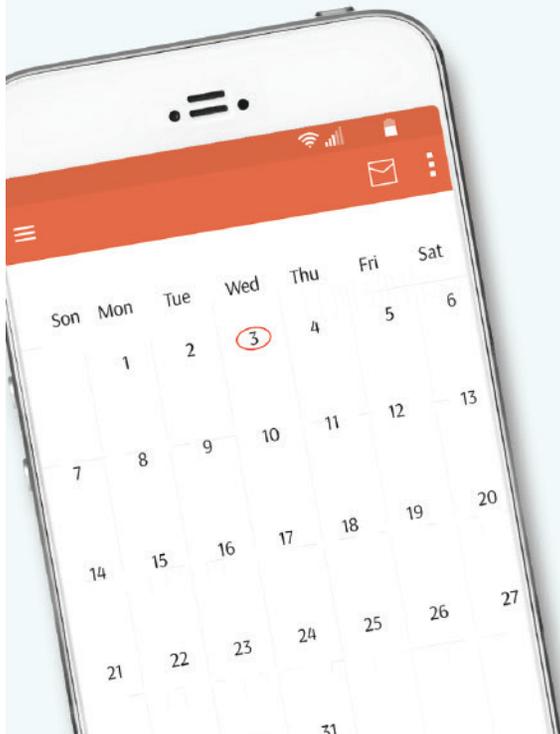

- ✓ You'll describe your needs, wants and nice-to-have features such as the number of bedrooms, a big backyard, office space, etc.
- ✓ Describe the location — what school districts do you want? Should the neighborhood be walkable? Are you close to family?
- ✓ Think about your future in the home. Is this a starter home or an upgrade? How long do you see yourself living in this home?
- ✓ As I actively search the MLS for homes that fit your description, I encourage you to search for listings online to find possible options. Send me a list of the ones you'd like to see in-person, and I will arrange a showing for each.
- ✓ After viewing homes, we will discuss to go over what worked with each and decide whether to move forward.

Clear and Open Communication

During your home search, I'll be there to guide you every step of the way.

- ✔ I'll call you weekly to update you on the home search.
- ✔ We'll meet periodically to review market conditions and adjust our buying strategy as needed to get you into your dream home.
- ✔ Transparency is key. I keep communication lines open to ensure you are comfortable and confident with every part of the transaction.
