▶ Process

TAKING BRILLIANCE TO THE NEXT LEVEL!

We have been actively involved in understanding the trends and changes that are being implemented in the new commercial spaces.

This is how we work:

► Design Values

RWAD ALHANDASA'S DESIGN VALUES

CREATIVE

Adding our creative flair to your ideas allows us to come up with something unique.

DETAIL-ORIENTED

The process of understanding what is required and expected involves working with detail-oriented individuals.

CONSISTENCY

We achieve better results when we are consistent.

COLLABORATION

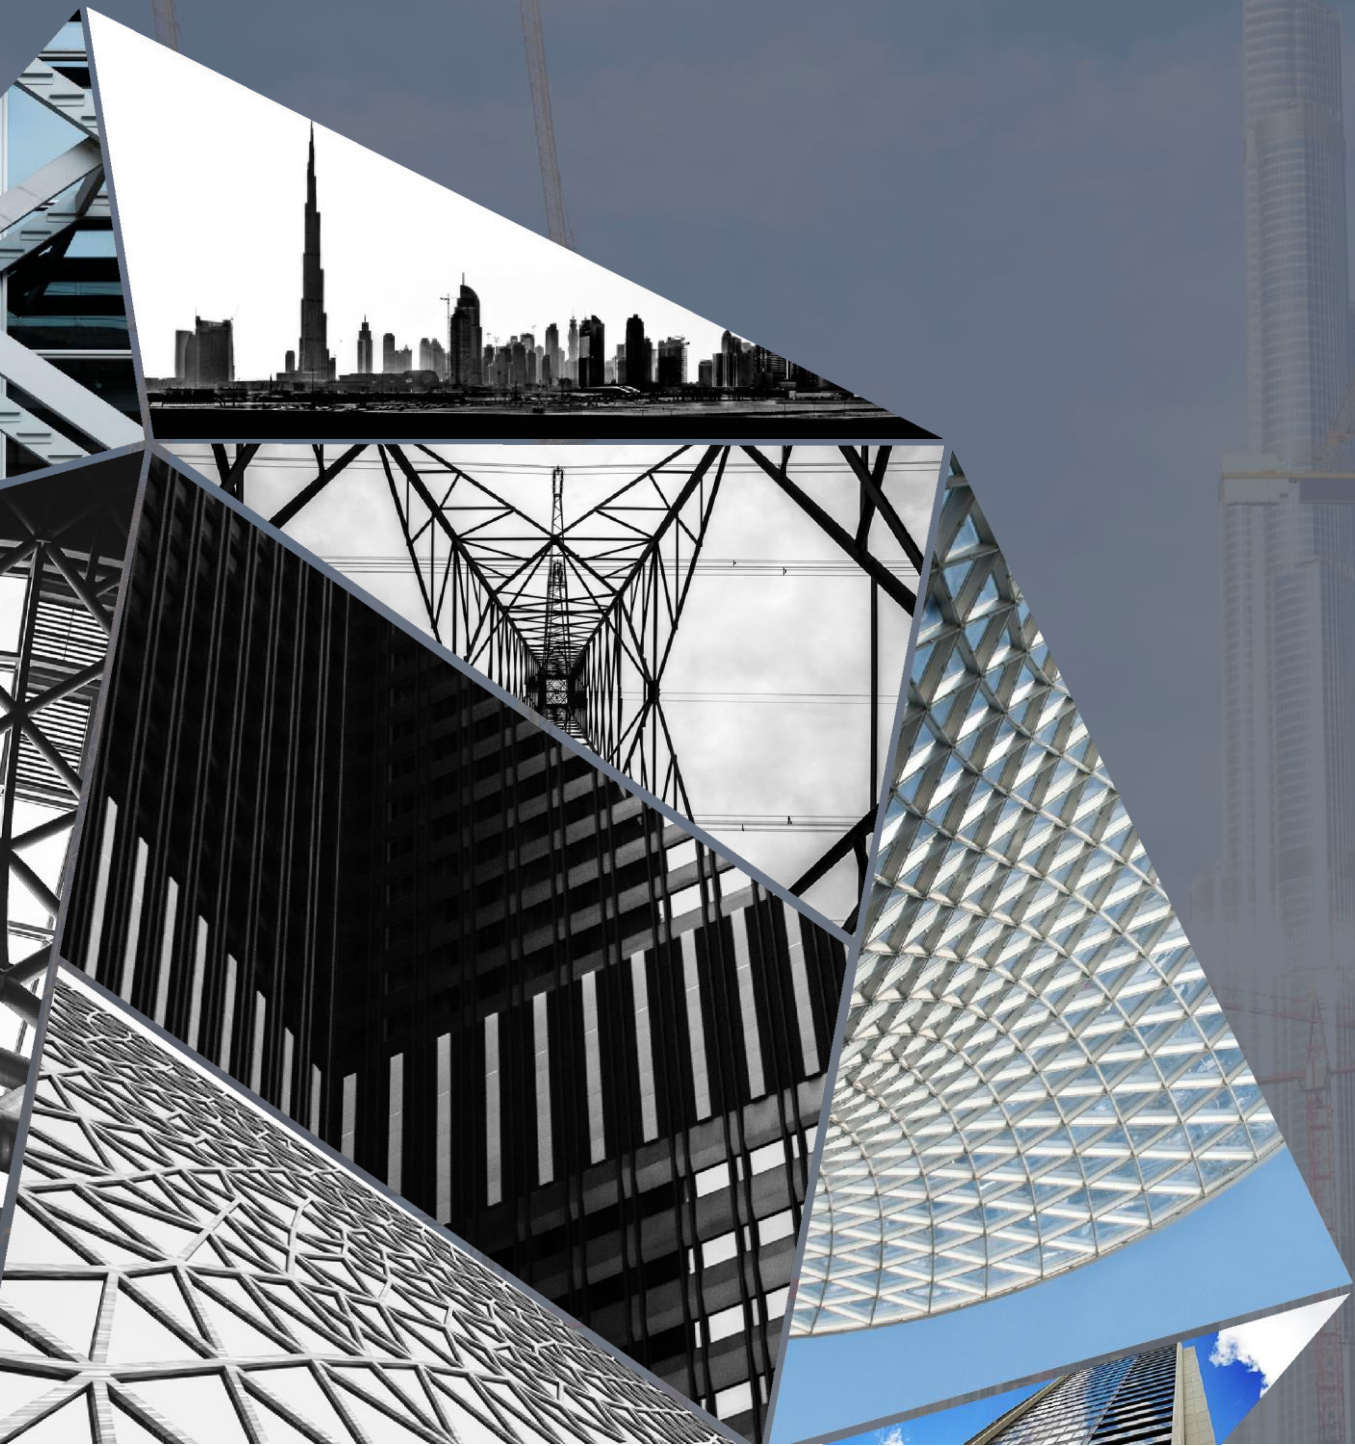

With a collaborative mindset, we create specialized commercial spaces.

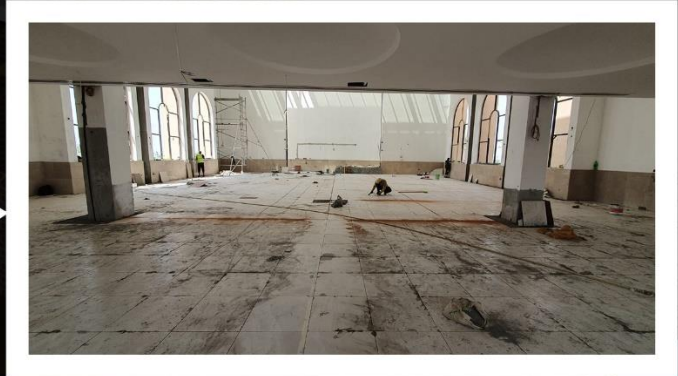

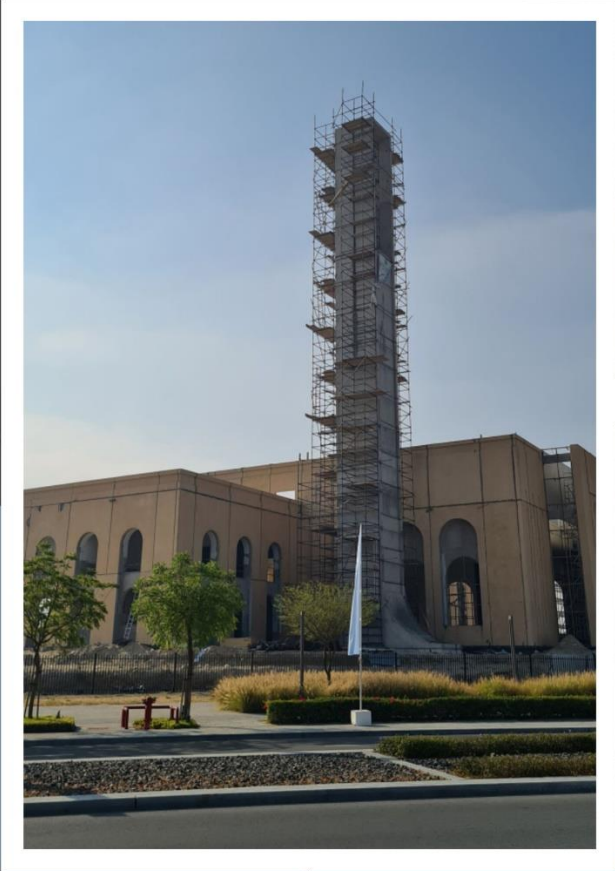

▶ WHAT MAKES US THE BEST?

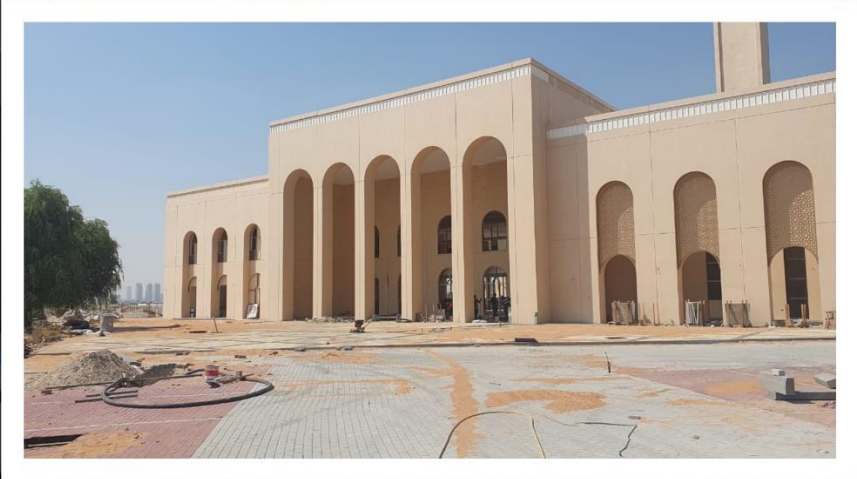

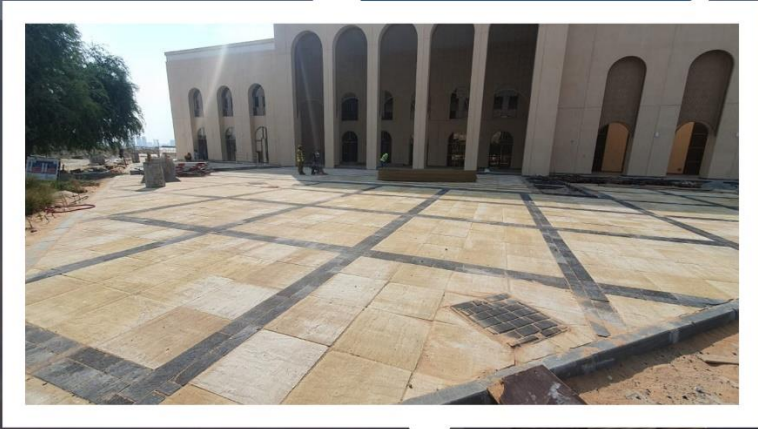

- ▶ We Grasp
- ▶ We Exceed
- ▶ We Perform

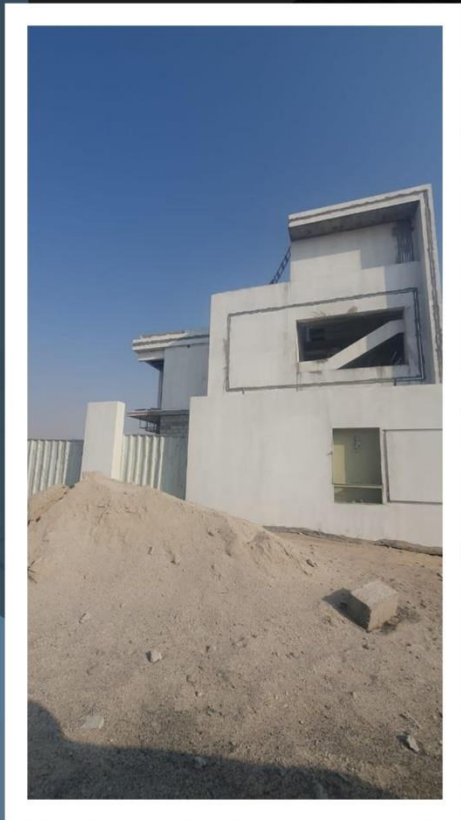

It is important to note that our work goes beyond what you see in the portfolio. This is a combination of knowledge and experience that has excelled over the years.
