WELL SUITED PRESENTS THE “COLLEGE SCHOLARSHIP PLANNING PROGRAM”

Our College Scholarship Planning Program is a 6-week program, starting in January 2024, centered around high school students navigating through the full scholarship experience. There will be 6 workshops discussing topics such as FAFSA, scholarship search and more.

As an introduction to our program, we are hosting a two-part webinar for parents to learn how to be involved in their teen’s education. The workshops aim to provide parents with information about their child’s academic journey, including the cost of higher education and financial literacy. Below are the dates and times for the parent workshops.
