Fairhaven Industries Presents:

Christmas TREE LANE

Help Make the Holidays Shine!

We are inviting local businesses, organizations, and community members to donate a **decorated Christmas tree** for our Christmas Tree Lane Auction.

HOW YOU CAN HELP

- Donate an artificial Christmas tree.
- Decorate it to represent your business, organization, or a fun holiday theme.
- Include any extra decorations, gift cards, or goodies if you'd like!

All decorated trees will be auctioned off, with 100% of the proceeds benefiting *Fairhaven Industries* and supporting programs and opportunities for the individuals we serve.

Your generosity helps us continue creating meaningful experiences, community activities, and enriching opportunities for adults with developmental disabilities.
