Always aiming to improve the experience of the thousands of users who enjoy the service, GAMESPARK™ is now aiming to surpass the competition. To do that management announced the launch of its multi-tiered, GAMESPARK™ branded subscription service. This service will add value to game fans' enjoyment and allow them an easier and cheaper way to discover and experience the newest and most exciting games.

The new GAMESPARK gaming subscription service will eliminate the need for game fans to stretch their finite financial resources paying for games one by one. It will also help avid game players save their money by offering high end gaming computers in nearby data centers, on affordable monthly plans, which will mean avid game players won't need to be buying expensive high end gaming computers, by instead offering a number of affordable plans. This means gamers will be able

to both get access to a multitude of games, and extremely high performance gaming computers situated in nearby data centers, all for affordable monthly payments.

The revolutionary GAMESPARK subscription plans will be cost leaders in the market, and will consist of various monthly plans, each addressing the various needs of gamers all over the world. Gamers will now be able to enjoy affordable monthly plans for access to a multitude of game titles as well as monthly plans for high end gaming computer gear, and much more.
