SEATTLE - March 14, 2014 - [PRLog](#) -- GAMESPARK™ recently announced important changes and features to its multiplayer online games website to better serve its clientele as well as the game community at large. For a limited time all the content available on GAMESPARK™ will be available free of charge to registered users starting on March 15 2014.

GAMESPARK™ management feels this is an important step towards enhancing the GAMESPARK™ brand as the worldwide hub for all forms of gaming including independent, indy, and massive multiplayer games. GAMESPARK™ is the leading destination where cutting-edge game-makers, enthusiasts, audiences, and gaming fans come to mingle freely. Now, GAMESPARK™ is pleased to announce a revolutionary new online social networking platform in addition to its prior services.

If you are a game-maker, and want to make your games known, GAMESPARK™ can help. To sell, or simply make your game available for others, contact GAMESPARK™, to arrange to make your work available through our GAMESPARK™ store, or as a free download. GAMESPARK™ is proud to offer various advertising plans on its various sites and are in the process of introducing exciting new solutions for independent gamemakers and developers to assist them expanding their audience reach. The GAMESPARK™ team is also proud to offer game licensing, custom games, consulting, design, advertising, monetization, production, and distribution services, as well consulting services on advertisements and all other types of interactive products ranging from short promotional videos, to full on gaming platforms.

The company and owners behind the famous GAMESPARK™ brand are proud to be building on its long heritage as a well known site where you can chat and play with other people in two and four-player games and trade, or buy and sell games and gaming gear. We look forward to having you join our community co-create something fun with us.
