**JOINT RAIL CONFERENCE**Location, TBD
April 18 – 19, 2022

Dear Alex Thomas:

Thank you for submitting your abstract to 2022 Joint Rail Conference (JRC2022). A copy of your submission information is below:

Track: Track 12: New Technologies

Submission ID: JRC2022-78086

Paper Type: Technical Presentation Only

Paper Title: Modernizing Public Transport Design for a Digital Age: Decongesting Roads and Increasing Ridership Using Aeronautics

If you wish to view your abstract, paper title, or co-author information, go to <https://jrc.secure-platform.com/a/> and login to your author account. Please note abstracts cannot be updated once accepted.

Deadlines are important in the process of organizing a successful conference. Please visit <https://jrc.secure-platform.com/a/> to view the deadlines for your submission. Please note if you do not submit your materials by the deadlines established, you may not be able to have your work presented at the conference or published in the proceedings.

----- ASME Presenter Attendance Policy -----

According to ASME's presenter attendance policy, if a paper is not presented at the conference by an author or co-author, the paper will not be published in the official archival proceedings, which are registered with the Library of Congress and abstracted and indexed. It will also not be published in the ASME Digital Library and may not be cited as a published paper.

If you have any additional questions, please refer to the Help section on the site or e-mail toolboxhelp@asme.org.

This email is a service from American Society of Mechanical Engineers.
