Our Mission

Our mission is to support the education of our participating EF2 schools by making a \$500 donating on every closing of a home- either bought or sold.

Here's how it works... once a customer selects one of our EF2 relators the client can then select a participating school to receive the following:

EF2 will **donate \$250** to a program of the principal's choice.

+ **A SECOND \$250 donation** will be made to a classroom or program of our client's choice

+ **PLUS a THIRD \$250 donation** from Supreme Lending if a client were to choose them to close their loan (they're pretty amazing)

THAT MEANS if a client were to buy & sell a home with EF2 they could **earn up to \$1,250** for a school

Our Promise To Our Clients

Deliver every client **equal and exceptional service** no matter the purchase price

Respond within 24 hours or less for any Referral given

Ensure a team member is **available 7 days a week** to answer any and all questions

Commitment to stay informed of current and future market conditions in order to provide **the greatest possible service**

Support Principals, staff, students and parents of participating schools through Education First Fund- EF2
