Meet Gloria...

Hi, my name is Gloria. I am a caring and reliable support worker who enjoys helping people feel safe and respected. In my free time, I enjoy travelling, watching documentaries, listening to podcasts, cooking, going for walks, and spending time with my friends. I am patient and a good listener, and I support people in a respectful and person-centred way.

I have experience supporting autistic people. I am patient and adapt my support to each person's needs, helping them feel safe, confident, and independent.
