Meet Jayde...

Hello, my name is Jayde! I am a friendly, reliable, and passionate person. In my spare time I enjoy looking after my nan, going on road trips and spending time with family.

I have experience supporting autistic people of all ages and abilities. I understand that everyone's needs and preferences are different, and I always take the time to listen and adapt to what works best for each person.

I focus on creating a calm, supportive environment where you can feel safe, respected, and comfortable being yourself. My goal is to help you build confidence, develop independence, and enjoy life in your own way.
