

**Betty, 39**

She/Her • Female  
Doncaster, 3108

### Meet Betty...

I have experience working with people with complex disabilities, providing support that promotes dignity, independence, and wellbeing. This includes assisting with daily living activities, personal care, mobility support, and encouraging participation in meaningful activities. I focus on a person-centred approach, adapting to each individual's unique needs and supporting them to achieve their goals in a safe and respectful way.
