To our fellow coworkers, brothers and sisters, and friends,

May God's peace and grace be with you!

By God's mercy, our church has recently acquired a new church building in Baldwin Park. However, this building requires renovation to serve as a suitable space for our worship services and ministry activities. Our goal is to raise \$500,000.

Living Grace Alliance Church (LGAC) is a small community church with current locations in Hacienda Heights and West Covina. We hold regular Sunday worship services in Hacienda Heights and have fellowship groups and various activities in West Covina. Through diverse ministries and events, we connect people from the community and introduce them to our church and the gospel of God!

Although we currently serve in two locations, the location in Hacienda Heights is a rental, and the space in West Covina is insufficient to support further ministry development. Therefore, we have longed and prayed for God to give us a place to better manifest His glory and proclaim His grace. Finally, we found this new church site in Baldwin Park, and we as a church quickly came to believe that this is the gift God has prepared for us. We are determined to continue serving the Lord at the new church site, manifesting His glory and spreading His love to the community we serve. No matter how many difficulties lie ahead, we believe that under God's guidance and with the potential of this space, we will serve God more effectively.

Before LGAC was established, we were two churches with over thirty years of history each: Livingstone Alliance Church (LAC) and Grace Chinese Alliance Church (GCAC). LAC, founded by Rev. Kai Ming Ho in 1992 with a mission to spread the gospel to the Chinese in the East Los Angeles area, loyally served two generations of the Cantonese community in the Hacienda Heights area. And GCAC, proudly founded by Rev. Moses Chung in 1987 on Easter Sunday, faithfully served two generations of the Chinese community of the West Covina area. Both churches were deeply impacted by the COVID-19 pandemic, leading both churches to reimagine the future of God's church and seek to rebuild a church that truly reflects the reality of the current community, respecting and honoring its changing demographic.

In 2022, when both churches realized that God was leading them into a new season, Rev. Will Law (lead pastor of LAC) received a call from Rev. Chan (senior pastor of GCAC) discussing the possibility of merging. This call rewrote the history of both churches. After countless prayers and continual waiting for God's guidance, we finally officially merged into a new church on January 1, 2023: "Living Grace Alliance Church."

The merge does not mean the end of LAC and GCAC. Rather, it brings together and matches the spiritual gifts from both churches so that we serve better. The merge symbolizes a new hope, a new path, and a new season. We promise to be humble servants, bringing God's righteousness, mercy, love, and grace to the world. We no longer only serve the Chinese, but everyone, all inclusive.

Therefore, we sincerely invite you to generously support this renovation project. Your support will help us transform this building into a more suitable place for worship and ministry development, and continue to spread God's love and grace in the community. Regardless of the amount, on behalf of LGAC, we thank you for your generosity and support. Let us pray together for this exciting new season and look forward to witnessing the great works of God!

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work." (2 Corinthians 9:7-8)

God bless you and your family!
