

KERR COUNTY *Stock Show*

2026 Official Rule Book

www.kerrcountystockshow.org

**Heavenly Father,
We thank you for gathering us to participate in the annual Kerr County Stock
Show. We ask you for your continued blessings for all who enter
the fairgrounds.**

**For the youth exhibitors: please bestow unto them confidence and
sportsmanship as they enter their many animal projects for judging. May
they continue to grow and develop as successful young men and women in
their journey in this very worthwhile endeavor.**

**For the volunteers and parents: we ask for your strength and guidance to
be the best leaders we can be for the young people who have entered this
show. Let us focus our efforts on their well-being and give us the means to
build them up in a positive light. For the youth are our future and we rely
on them to stand where we are today.**

**For our community: We are blessed to be citizens in the land of freedom –
the United States of America, and the great state of Texas. We thank you
for the enduring support from the many sponsors and members of the
crossroads who have made our show possible every year.**

**As we walk these fairgrounds, may we continue to praise you and be your
good servants. For as it is written in the book of Matthew: let your light
shine before others, that they may see your good deeds and glorify your
Father in heaven.**

In Your Name, we pray.

2026 DEDICATION

Caroline and Kenneth are both Kerr County natives, growing up in Center Point. Kenneth graduated from Center Point High School while Caroline graduated from Tivy. Caroline's formal education included Schreiner College and the University of Texas in Austin. Kenneth went to Tarleton State University with a B.S. in Agriculture Education and attended graduate school at Sul Ross and Texas Tech. Caroline moved back to Kerrville to be the office manager for Lehman and Monroe. Kenneth's teaching career started in Lexington, VA, moved to White Deer, Texas, then back to Kerrville for a total of 31 years.

Caroline did not grow up in an agricultural environment...she was a professional business person and bookkeeper. Kenneth started showing livestock at the Kerr County and District Show in 1965, showing dairy heifers, then hogs and lambs.

In 1969, he was selected to be a Junior Director for the Hill Country District Show. His sophomore year his Ag teacher (Karl Lehman) talked him into writing an essay. The winner would receive a registered Hampshire gilt from the Sears Foundation. Kenneth was awarded the gilt and that started a 54-year affiliation with the swine industry, especially show pigs.

Caroline and Kenneth met in April 1990, where she started helping with chores and show projects. They became partners in the hog business while they were still dating. They figured if their relationship could survive that, they could surely handle marriage. Caroline and Kenneth were married in 1993. Together they worked with their sow herd, enjoyed a huge amount of success in the show ring, and produced many winners in county, district, and state stock shows.

Kenneth was elected to serve on the Texas Pork Producers Association in 1998. They were selected T.P.P.A. producers of the year in 2012. He served as president in 2012 and 2013. Caroline and Kenneth volunteered at the San Antonio Stock Show for over 20 years. They were both Life Members at San Antonio Livestock Exposition.

Through the years, Caroline and Kenneth served the Hill Country District Livestock Show and Kerr County in many capacities on the Board of Directors. Kenneth served on the Executive Board for several years, county swine validation chairman for many years, scholarship committee and assistant superintendent for both market swine and breeding swine departments. Caroline served on the stock show fundraiser committee, auction committee, always doing weigh-in in the hog barn, then always could be found in the office helping wherever she was needed. She was a great adult leader, always having time for the young exhibitors. She had a strong work ethic. Caroline was instrumental in starting the Swine Cartel with money from the Kerr County Swine Breeders and the Heart of the Hills pig sale. Through the years they helped numerous 4-H and F.F.A. members to raise and show their livestock projects. Their passion was helping the youth appreciate quality livestock.

Caroline and Kenneth still found time for family. They are the proud parents of four children: John (Nicki) Carlson, Jennifer Gonzales (Arthur), Kyle Kensing (Stacy) and Scott (Annie) Carlson. They are the grandparents of ten grandchildren. Caroline and Kenneth are members of Kerrville Church of Christ.

Kenneth says "I am truly humbled by this honor, not because of things that we did as a couple, but this honors a truly great lady. Caroline passed away in June 2022. She left a big hole in many hearts. Thanks to the association for honoring us. I know she is smiling!"

SPECIAL RULES

FORCE MAJEURE:

The KCSSA shall not be liable for any delay or failure to perform its operations, activities, shows and events to the extent such delay or failure results from a force majeure occurrence. A force majeure occurrence is defined as any occurrence arising from causes beyond the reasonable control of the KCSSA and which delays or prevents performance by the KCSSA otherwise required by this Agreement, including but not limited to any (i) breakage or accident to equipment, machinery, or facilities; (ii) and strikes, lock-outs or other labor difficulties; (iii) statutes, ordinances, regulations, orders, directives or rules issued by governmental authorities, including, but not limited to those concerning public health and safety, animal disease prevention, detection and response and/or protection of the environment; (iv) judicial decrees or orders; (v) acts of God; (vi) animal diseases and/or quarantines; (vii) wars, riots or insurrections; (viii) civil disobedience, public demonstrations or sabotage; (ix) fires, floods, explosions or inclement weather; (x) inability to obtain necessary labor, materials, supplies, utilities or transportation; (xi) depressions, recessions, or other economic downturns; (xii) embargoes or energy shortages; or (xiii) other causes beyond the KCSSA's reasonable control.

EMERGENCY EVACUATIONS:

Evacuation of Livestock: During such times as deemed necessary by local, state or federal authorities, the KCSSA, and/or its officials may evacuate the show grounds. Incidents such as but not limited to, bomb threats, acts of war, declarations of war, code red of the Homeland Security System, fire, etc. will be acted upon in accordance and cooperation with local, state and federal authorities. Priority evacuation will be given to human life, then livestock. In such cases, exhibitors and/or contestants will turn over the care of their livestock to the KCSSA. Proper animal husbandry practices will be followed within reasonable expectations. At which time the evacuation notice is lifted, then exhibitors/contestants will be allowed to reenter the show grounds and claim their livestock.

PROTESTS:

All protests must be in writing and be accompanied by a deposit of \$250.00 cash, which will be forfeited if the protest is not sustained. Such protest must state plainly the cause of complaint or appeal, and must be delivered to the Livestock Show management immediately at the conclusion of judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until complete investigation is done. Protests concerning ages of the animals must be filed with the Livestock Show management two hours prior to the commencement of judging in the department.

ELIGIBILITY OF ANIMALS:

Upon reasonable request at any time during the feeding period, each Exhibitor agrees to produce for inspection by the Inspection Committee, his or her exhibits and documentation evidencing his or her ownership. Presentation of such documents shall also be required by the Show officials who receive the animal at the time of its arrival at the show. **ETHICS: THE SHOWING OF ANY ANIMAL THAT HAS BEEN ADMINISTERED ANY QUANTITY OF DIURETIC, UNAPPROVED GROWTH STIMULANT OR OTHER UNAPPROVED MEDICATION, OR THAT HAS NOT BEEN PROPERLY WITHDRAWN FROM APPROVED DRUGS IS PROHIBITED.**

SPECIAL RULES CONT.

This prohibition applies to all market animal entries, regardless if the animal is entered in the sale and to all breeding entries. "Unapproved" is deemed to mean not approved by the Food and Drug Administration (FDA) and/or the U.S Department of Agriculture (USDA) for that species. As a condition for participation in the KCSSA every exhibitor must agree to submit any animal so entered by him or her to inspection by a veterinarian appointed by the KCSSA, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian shall be final, without recourse against the KCSSA, or any of its officers, directors, or employees.

Also as a condition for participation in the KCSSA exhibitor (market or breeding) entry will be required to have a certification form signed by: 1.) Junior Exhibitor, 2.) Parent or Guardian, 3.) County Extension Agent or Ag Science Teacher. This certification form must be signed and returned with an entry card. No animal will be allowed to show without this certification form properly signed.

The KCSSA reserves the right to have blood, tissue, urine, or DNA laboratorial analysis made on any animal entered for competition. All samples shall be taken by persons designated by the KCSSA and tested in a laboratory chosen by the KCSSA. Reasonable care shall be taken with blood, urine, or other body substances to maintain the purity and identity of the sample. The only chain of custody required will be that routinely relied upon by veterinarians practicing in and around the Kerr County area, or as otherwise designated by the KCSSA. The exhibitor agrees that he or she will cooperate with the person or persons charged with the responsibility of taking the sample from the animal. Failure to cooperate with testing procedures, or any doing or failing to do any act which will make it unreasonably difficult for the person with the responsibility of taking the sample shall be deemed a voluntary withdrawal by the exhibitor of the animal from the competition. This will result in forfeiture of placing, premium money, prizes, auction money, scholarships, and the exhibitor will be subject to being barred from future competition at the KCSSA.

An exhibitor of any market animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or any approved medication within any withdrawal time will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the KCSSA. An exhibitor of any breeding animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the KCSSA.

Unapproved Drug Use:

The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. KCSSA maintains a ZERO TOLERANCE POLICY for unapproved drug use and unethically fitted livestock. Such drugs include, but are not limited to, any diuretic, any unapproved growth stimulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including those that may be destined for human consumption. Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation.

SPECIAL RULES CONT.

Approved Drug Use:

If an animal has been administered a drug that is FDA approved for its species, sufficient time must have passed so that the animal does not test positive for that drug upon arrival to the grounds. Animals must remain free and clear of all drug and chemical residues while on show grounds. Please note that elimination time (the time it takes for no drug residue to be found in the system) is typically longer than the labeled withdrawal time for most.

Consequences:

In the event any animal is declared by the veterinarian or testing agency to be unethically fitted or disqualified for any reason the KCSSA President will present the case to the Executive Board for evaluation. The exhibitor will likely forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships for all entries if the animal and/or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter. The Executive Board may temporarily decide to permanently bar the exhibitor and his or her family from any further participation in the KCSSA . Reinstatement of anyone barred may be made only by the Executive Board. Probation: An exhibitor may be placed on a probationary status if results of drug tests are inconclusive, confirmation of a primary test cannot be granted, or another situation questioning the ethical fitting of livestock arises. The probation grants the right for the KCSSA to collect ultrasound, D.N.A., blood, tissue and/or urine samples for laboratory analysis on any animal entered by an exhibitor on probation at the exhibitor's expense. An exhibitor may remain on probation for any amount of time and may be released from probation only by the Executive Board.

Unethical Fitting:

Unethical fitting is defined as any attempt to alter an animal's performance or alter the natural contour, conformation, or appearance of the animal's body, hide, hair, or feet by any unnatural means. Examples of unethical fitting include, but are not limited to:

- Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
- Surgical alterations, excluding the removal of warts or horns
- Use of Injections
- Striking the animal to cause swelling in a depressed area
- Use of electrical contrivances
- Feeding of material not conducive to the health of the animal, safety of food or marketability of its carcass
- Blocking of nerves to prevent limping or switching of the tail
- The use of diuretics
- The use of alcoholic or carbonated beverages in the feed or administered as a drench
- The use of alternative treatments including, but not limited to: acupuncture, animal chiropractic services, electrical massage or laser therapy on show grounds.

SPECIAL RULES CONT.

It is the sole responsibility of the exhibitor to ensure that the animal is free of the prohibited drugs and substances. Knowledge on the part of the exhibitor with regard to the drugs or substances found in an animal is not relevant to any issue, and it shall not be a defense that a person or persons unknown introduced the prohibited substance into the animal.

If any animal requires emergency or medical treatment while on show grounds, only a show approved licensed veterinarian will be allowed to administer any drug, chemical or food additive with the notification of the Division Superintendent. If an animal is treated by a licensed veterinarian while at the show and the medication administered has a withdrawal time, the animal will be disqualified for sale purposes.

ELIGIBILITY OF EXHIBITORS:

(A) In order to exhibit or sell his/her project, the exhibitor must be academically eligible under UIL or other applicable rules, and the exhibitor must also be eligible to participate in extracurricular activities at the exhibitor's school. An ineligible exhibitor will not be allowed to bring his/her project to the show or participate in the sale. (B) Quality Counts verification will be required for all youth exhibiting livestock (market and/or breeding) at the Kerr County Stock Show. The verification process will require exhibitors to pass an online test that measures their knowledge on quality assurance and character education content items. A verification number will need to be provided at the time of making an official entry to the Kerr County Stock Show. Entries will not be accepted without the Quality Counts Verification Number.

NO PASS – NO SHOW – NO SALE.

GROOMING: No change of the major color pattern of the animal by painting or dying will be allowed. Any grooming material that allows color to come off from any animal will not be allowed at the show.

HOUSING OF LIVESTOCK: All animals are to be in their designated areas (barn, shed, or wash rack). Any exceptions must be authorized by the Superintendent.

GENERAL RULES AND REGULATIONS

ADMINISTRATION OF RULES AND REGULATIONS

The Kerr County Stock Show Association reserves to its executive Committee/ Board the final and absolute right to interpret these rule and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the show, and the right to amend or add to these rules as its judgment may determine. An exhibitor and or their agent who violates any of the general and special rules will forfeit all privileges and premiums and be subject to such penalty as the executive committee may order. Such a penalty may Include being barred from the show.

Special rules or conditions are published in each department wherever necessary. If there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern.

STATEMENT OF LIABILITY

All livestock exhibitors will be under the control and direction of the management, but the show will in no case be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him or for its description as given in the catalog, and shall indemnify the show against all animals exhibited by him, or arising out of, or in any way connected with such exhibition of any of the animals so exhibited.

RULES AND REGULATIONS

Rule 1a: To be eligible to enter and exhibit in the Kerr County Stock Show an exhibitor and or animal will not show in any other county show and be enrolled in grades 1-12 and either reside in Kerr County, or attend school in Kerr County. **Exhibitors are allowed to sell only one qualifying animal.**

Rule 2: Exhibitors must feed, care for and exhibit their animals without any aid or assistance during the entire feeding period except from family or legal guardian, AST, CEA or other 4-H or FFA members from the same county. Show management will rule on all issues regarding ownership (i.e. Ribbon, Premium, or Auction/Sale).

Rule 3: Entry fees are \$25.00 per entry. All entries must be made and submitted by the December 1, 2025, entry deadline through the Kerr County Stock Show entry portal. Payment for all entry fees and associated charges must be submitted by the exhibitor at this time to complete the entry process. If paying by check, payment must be received or postmarked on or before December 1, 2025, and mailed to P.O. Box 291217, Kerrville, Texas 78029.

Late entries (postmarked after December 1, 2025) will be charged a fee of 5 times the normal entry fee per entry. Mailed Entries must be received at the address of 313 Earl Garrett St. Kerrville, Texas by 5:00pm, December 15, 2025, regardless of the postmark. All entry fees and summary sheet(s) must accompany entries. No refunds will be made. The entry **MUST** be signed by the exhibitor, parents or guardian and supervisor County Extension Agent or Vocational Agriculture Teacher. Improperly filled out cards will be returned. Incorrect entries will be returned and charged \$10.00 per exhibitor. Any entries with corrections must be initialed by the exhibitor and the County Extension Agent or Vocational Agriculture Teacher. Entries must be paid through Showman or by individual check to P.O. Box 291217, Kerrville, Texas 78029.

GENERAL RULES CONT.

Rule 3A: A fee of \$150 will be charged to make a correction to an existing entry. The deadline for this entry to be turned into the stockshow office is the same time as the deadline for that species to be in the barn.

Rule 3B: A fee of \$300 will be charged for adding an additional entry past the December 15 deadline. The deadline for this entry to be turned into the stockshow office is the same time as the deadline for that species to be in the barn.

Rule 4: Each exhibitor, per club, will be charged \$5.00 for an operations fee.

Rule 5: No exhibitor will be allowed to exhibit more than two (2) market entries per breed or six (animals) per department unless specified in special rules of the department. Meat goat exhibitors are allowed up to six (6) entries; no more than two (2) per class.

Rule 6: All entries must be in the barns in accordance to the outline of the preceding schedule. The release of animals will be at the discretion of each department's superintendent.

Rule 7: Livestock will be screened prior to judging to eliminate any animals of unworthy show quality. Sifted animals must be removed from the barn within 30 minutes of completion of weigh in when sifted.

Rule 8: All entries must remain presentable to the public.

Rule 9: Weighing, sifting and showing will not be delayed for animals entering the arena late. Any exhibit not presented promptly at the scheduled time will be barred from competition in the class and is ineligible for sale or floor price. Protests that the judge overlooked exhibits will not be considered. The only reweighs allowed will be due to mechanical problems as determined by the individual superintendents.

Rule 10: All animals must be exhibited and sold by the owners. A substitute exhibitor may be used under the following conditions:

- a. When an exhibitor has another animal showing at approximately the same time or has an animal in the same class.
- b. When an exhibitor is sick. Should an exhibitor become sick or injured the day of the show, the department superintendent and two officers may at their discretion render a conditional approval for a substitute exhibitor. Such conditional approval shall require a signed doctor's statement to be mailed to KCSSA P.O. Box 291217, Kerrville, Texas 78029, within 5 calendar days from the date of show. It must be postmarked by Wednesday, January 15, 2025. Failure to produce such a statement shall result in disqualification of the exhibitor and forfeiture of all premium money and sales proceeds.
- c. Approved school activities. Exhibitors must have documentation for school activities. The National Western in Denver and the Southwestern Livestock Expo in Ft. Worth are considered approved school activities. No other show will be approved. When one of the stated conditions exists, the department superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered by the department superintendent, the substitute showman must be from the same county or the same 4-H/FFA chapter as the original exhibitor.

GENERAL RULES CONT.

The substitute must also meet all requirements of a junior livestock show exhibitor. If only one exhibitor is present from a county, the department superintendent can approve a substitute from another county. The department superintendent may require documentation in any of the above conditions and may also require positive identification of the substitute.

Rule 11: After the class has been turned over to the judge, only exhibitors and officials will be allowed in the arena.

Rule 12: In all cases, the decisions of the classifiers, sifters, superintendents and judges will be final. No protests accepted.

Rule 13: Abuse of animals will not be tolerated.

Rule 14: Pens will be assigned by the Department Superintendents. Shavings or sand will be used for bedding of all livestock; no hay for any reason will be permitted (unless specifically permitted by departmental rules). No dogs (except Service Animals) will be allowed in the barn.

Rule 15: Trimming and grooming of animals will be limited to areas specified by the Pens and Grounds Committee. No trimming and grooming will be allowed in the aisles or alleyways. Scales and generators are allowed in designated areas only.

Rule 16: All exhibitors will comply with current regulations governing livestock shows and sales as established by the Texas Animal Health Commission. **THE KCSSA DOES NOT REQUIRE HEALTH PAPERS UNLESS THE TEXAS ANIMAL HEALTH COMMISSION REQUIRES THEM.**

Rule 17: No Recreational Vehicles (unless used by show officials) will be allowed to be used on the grounds.

Rule 18: Owners of the County Champion Animals must submit animals requested by show management for a photograph.

Rule 19: Questionable entries will be pulled aside and penned. After all other entries have been weighed and tagged they will then be checked by advisor, superintendent, and show Secretary.

Rule 20: Original Registration papers and State Validation paperwork will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners to whom the animal is validated to. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Original registration papers will be used to verify ownership dates

Rule 21: All market steers, Heifers, market lambs, market meat goats, market swine, non pedigreed gilts and Registered Breeding sheep are subject to verification by nose printing, DNA testing or other means to insure compliance with regard to state validation requirements of that specific species. Lambs and Market Goats since they are commingled within the barn.

GENERAL RULES CONT.

Rule 22: Absolutely no tack, feed, supplies, or etc. will be allowed to be stored outside the assigned pens. Tack, feed, and supplies will be allowed in or above the assigned pens.

Rule 23. Projects are no longer the responsibility of KCSSA after the completion of their respective shows.

Rule 24. The release of animals will be at the discretion of each department's superintendent.

Rule 25. All rules including but not limited to parasites, feed, tack, trimming tables, head stanchions, trimming of animals, etc, apply to both Market Lambs and Market Goats since they are commingled within the barn.

KERR COUNTY LIVESTOCK SHOW RULES

ASSISTANTS: Craig Althaus, Paul Aelvoet, Dutch Dreibrodt, Bud Fawcett, Ed Felts, Hank Grant and Lamar Jenschke

RULES

1. Exhibitors must have possession and primary care of the animal throughout the feeding period. Prior to July 1, of the previous year, each steer must be tagged with an official Texas Steer Tag approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service
2. Only one tag may be present in the steer's ear at time of weigh in and that is the state issued validation tag. No breeder tags will be allowed.
3. Texas Validation Forms are to be available to the Department Superintendent at the time of weighing.
4. Classes will be divided equally by the superintendent according to steer weights. Steers must weigh at least 950 pounds.
5. Steer breeds and their appropriate classes will be determined by the official classifier. The decision of the classifier is final and no protests will be accepted.
6. No tie outs will be allowed for any purpose in front of the Exhibit Barn. No trimming chutes allowed.
7. Steers with permanent teeth are eligible to show.
8. Steers must be kept under control at all times. Any steer which in the opinion of the Superintendent or his assistants presents a danger to exhibitors or spectators will be disqualified and removed from the show barn. No protests will be accepted.
9. Hay and shavings will be allowed in the barn.
10. No adhesives or trimming chutes allowed! Use of adhesives or trimming chutes will result in disqualification of the exhibitor and animals.
11. Exhibitors are allowed two (2) entries per breed and no more than six (6) per department. Exhibitors are responsible for filling out weight cards and turning them in by the designated time.
12. No British Crosses
13. Generators will be allowed in designated areas only.
14. Loading out animals will be at the discretion of department's superintendents.
15. Generators will be allowed in designated areas only.
16. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

MARKET LAMB RULES

County Judge: TBD

SUPERINTENDENTS: Lindsey Gulledge & Corey Gulledge

ASSISTANTS: Mark Dunning, Johnny Hawkins, Justin Hawkins, Jim Merrick, Jamie McClintock, Trey McMinn and James Wood

RULES:

1. Exhibitors must have possession and primary care of the animal throughout the feeding period and on feed prior to November 1, of the previous year. Each lamb must be tagged with an official Texas Lamb Tag and validated as approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service. The minimum weight for Dorpers and Southdowns will be 85 pounds. All other breeds will have a minimum weight of 100 pounds. There will be no weight ceiling.
2. Market animal classes, a total of fifteen (15), will be divided at the discretion of the superintendents depending on the number of entries at the show. We will not have a preset number of divided classes. Animals will be weighed, sifted, and classified as they cross the scales.
3. All lambs must be slick shorn (20 tooth comb or finer) from knee and hock up, at time of arrival on show grounds. Exhibitors must follow classification guidelines as stated by the Animal Industry. Protests will not be accepted on sifter's decision.
4. The tagging and weighing of all lambs will be done by classes. Sifted animals are ineligible for any further participation. Absolutely no reweighs.
5. Entries that are artificially colored will be banned from the show ring.
6. Exhibitors are allowed two (2) entries per breed and no more than six (6) per department.
7. Weight breaks are not preset.
8. Ewe lamb will be allowed to show in the Market Show but MAY NOT double enter into Market and Breeding show.
9. Only exhibitors will be allowed in the arena during weigh in and classification.
10. An exhibitor cannot leave the show ring once the class has started, until the judge dismisses the class. No substitutions will be allowed into the show ring during placings. Exhibitors will be released upon conclusion of placing, or up to the judge's discretion.
11. Cordless clippers and cordless blow dryers are allowed.
12. Head stanchions or tables are allowed in the exhibitor's pen or in a designated area as determined by the Department Superintendent, if space is available.
13. Lambs must be washed free of dirt and mud before weigh-in and classification. Any lambs found to have external parasites, open wounds or sores, skin rashes and/or any questionable skin diseases will be disqualified.
14. All sifted animals must be removed from the barn within 30 minutes of completion of weigh in.
15. The release of animals will be at the discretion of each department's superintendents.
16. Absolutely no tack, feed, supplies, or etc. will be allowed to be stored outside the assigned pens. Tack, feed, and supplies will be allowed in or above the assigned pens.

MARKET LAMB RULES CONT.

17. The KCSSA does not condone and will not permit aggressive behavior towards animals. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or any place on the Show property. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor may be banned from future competition. Protests are not permitted. Exhibitors may use halters or collars.

19. All rules including but not limited to parasites, feed, tack, trimming tables, head stanchions, trimming of animals, etc, apply to both Market Lambs and Market Goats since they are commingled within the barn.

18. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

Please keep in mind, registration papers, breeder affidavits, or other paperwork is not considered in the classification process. Eligibility for the class is determined only by visual appraisal, as evaluated by classifiers appointed by show management.

REGISTERED BREEDING SHEEP RULES

County Judge: Andy Laughlin

SUPERINTENDENTS: Mary Beth Bauer

ASSISTANTS: Steve Bauer

RULES

1. Ownership: All exhibitors of animals in Registered Breeding Sheep classes must present ORIGINAL registration papers (Scramble papers will be accepted) to the Department Superintendent by 10 AM Wednesday, January 7, 2026. Original Registration papers and State Validation paperwork will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners to whom the sheep is validated to on or before October 1 of the preceding year. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Purchase, delivery, possession, transfer and registration must ALL take place on or before the required ownership date of October 1 of the preceding year. Registration Certificates must be available at all times. Original registration papers will be used to verify ownership date for Breeding Sheep (October 1 of preceding year).
2. Validation: to be eligible to exhibit in the Junior Breeding Sheep Show, all sheep must be validated in the Texas 4-H and FFA Breeding Sheep Validation Program. Failure to comply with the rules and regulations of the Texas Breeding Sheep Validation Program in any manner will result in immediate disqualification. No tag alterations are permitted; any change to size, shape, form or color will void the tag.
3. Shearing Guidelines:
 - a. Delaine-Merino-4-6 Tooth sheep must have been shorn on or after March 15 of the previous year. Lambs and 2 tooth sheep may be shown in full fleece.
 - b. Allow the Superintendent to exercise his discretion on shear dates for Rambouillet.
 - c. Medium Wool Breeds, Hair Sheep and Southdowns-All sheep must have been slick-shorn, with the exception of boots, **on or after December 1st of the previous year.**
4. Exhibitors will be limited to 2 entries per class.
5. The use of heelers (assistants in the show ring) is not permitted.
6. A Supreme Registered Ewe and a Supreme Registered Ram will be chosen from the champions of each breed shown.
7. Sheep Age: Sheep will be shown according to tooth development. There will be no appeal from this determination. Sheep Age will be determined on the day of show as each class prepares to enter the ring. Sheep not showing the correct tooth development for that class will be moved to the next age group.
 - a. All lambs in order to be eligible to compete in their respective classes must be carrying all milk teeth at the time of check-in. Lambs showing either or both of their first pair of permanent incisors will not be eligible to show in any of the lamb classes. Lambs under six months of age will not be eligible.
 - b. Sheep eligible to compete in the two-tooth breeding class must show only the first pair of permanent incisors. Sheep, which have dropped their central pair of milk teeth and show one or both teeth of the first permanent pair are eligible in the two-tooth class of their respective breed. Lambs may be shown in the two-tooth class if the exhibitor has at least two entries in the lamb class.
 - c. Aged Class-Sheep must show more than the first pair of permanent incisors.

REGISTERED BREEDING SHEEP RULES CONT.

8. Sheep are released to leave as soon as the exhibitor is finished showing them
9. The release of animals will be at the discretion of each department's superintendents.
10. The release of animals will be at the discretion of each department's superintendents.

Livestock Skill-a-thon Contest

Director: Jennifer Smith

CONTEST CLASSES

The following is a list of common skill-a-thon classes. Please note that actual classes may deviate from this list to keep current with a rapidly changing livestock industry. All pictures, equipment items, retail meat cuts, feed samples, judging classes, and quizzes will be developed using resources obtained from Texas A&M University, West Texas A&M University, and Arizona National Livestock Show. The contest will utilize a scantron form, 480-5b (Meat Skillathon). Scantron will be provided.

Identificaton (Each staton will have 10 pictures or items to identify)

1. Livestock Equipment Identification: Identify the proper name for pieces of equipment used in livestock production.
2. Livestock Breed Identification: Identify from pictures of livestock (beef catle, swine, sheep, and goat) breeds. Contestants must also match the breed with the most appropriate description supplied for each breed.
3. Retail Meat Cut Identification: Identify beef, lamb, and pork retail cuts from the provided Meat Retail ID study guide. Contestants will identify the retail cut species, primal cut, and retail cut name.
4. Feed Sample Identification: Identify various samples of feeds and indicate their classification.

Judging

1. Wool Judging class: Rank a class of four fleeces and answer questions about the class.
2. Meat Judging class: Rank a class of four meat cuts (beef, pork, or lamb) and answer questions about the class. <https://aggiemeat.tamu.edu/meat-judging-photos-and-example-classes-at-texas-amuniversity/>

Quizzes

1. Quality Assurance Exercise: Demonstrate how to read a medicine label, calculate withdrawal times, complete a treatment record, and make responsible management decisions regarding quality assurance.
2. Industry Quiz: Complete a multiple-choice quiz concerning the total livestock industry. Questions taken from the question bank provided.

PREMIUM SALE RULES

Auctioneer: Randolph Holford

Sale rules are made and enforced by the Board/Show Management as part of the Show rules. The purpose of this part of the Show is to help exhibitors bring their projects to a financially successful close.

SUPERINTENDENTS: Cody Baimbridge & Sarah Baimbridge

ASSISTANTS: Lindsey Gulledge, Janet Goldman, Bob Reeves, Dee & Jamie McClintock, Jerry & Laura Nelson, Brian & Courtney Compton, Jason Reeves, Jan Reeve, Maddi Euler

EXHIBITOR'S RULES:

1. Exhibitors are automatically registered for sale at entry.
2. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.
3. Each Exhibitor will be limited to one (1) qualifying sale lot in the premium auction.
4. **Sale Order:** Show Management will determine the order of the Sale. Blue ribbon market animals will be sold starting with those placing highest in the Show followed by those placing progressively lower.
5. It is the exhibitor's responsibility to be prepared to enter the Sale ring on time. If the exhibitor is not in the sale line up after the third call, they are considered no show and no sale. Exhibitors should line up at least 20 lots before your designated sale lot.
6. Exceptions to the requirement to sell their qualifying place can be granted to exhibitors who have a conflict with the time of the sale. These exceptions require exhibitors to arrange to have another exhibitor at the check-in at sale time. Exceptions will only be entertained from exhibitors who have a conflict with another school sanctioned event or medical issue as defined by substitution rules.
7. Each Exhibitor selling in a Grand, Reserve Grand, or Showmanship or an Exhibitor with a handicap will be allowed one other Kerr County Exhibitor to enter the auction ring alongside the Exhibitor. All other Exhibitors must enter the auction ring unaccompanied. Any variations to this rule will be at the superintendent's discretion.
8. **HIGH SCHOOL SENIORS:** Seniors are allowed to bring a notecard with a synopsis of their future plans. Auctioneer note cards should be 50 words or less.
9. Only awards won at the KCSS are approved to be brought into the auction ring. The sale committee may provide additional material at their discretion.
10. No Buyer gifts or exhibitors are allowed in the Buyer's area. Exhibitors may be led by a Sale Ambassador to thank the buyer should they so choose.
11. Only registered Buyers are allowed in the Buyer's area.
12. On **SALE DAY** no Exhibitor or family member may solicit a Buyer.
13. **Payment to Exhibitors:** Premium checks will be available for Kerr County Exhibitors from their respective supervisors by March 1 or when 95% of auction sales are collected, whichever is later. Add-on recipients will receive their add-on with payment for sale of their qualifying placing

*PREMIUM SALE RULE CONT.***BUYER RULES:**

1. All Buyers will be required to purchase a Buyer package, for a minimum fee set by KCSS, to enter the KCSS sale floor. NEW BUYERS will be required to make payment of this fee when they register as a new Buyer. Fees charged to the Buyers, for Buyer packages, will be credited to their account, and may be used at their discretion in the KCSS Sale.
2. Registration of Buyers: In order to assure proper and current information is obtained; Buyers and new Buyers must register for a Buyer's number at the Sale. A number will be assigned to each individual purchaser.
3. Buyer packages allow entry for TWO people ONLY and are the ONLY way to acquire passes and entry into the Buyers ring. Additional passes will not be sold separately.
4. Buyer passes MUST be visible (i.e., wristbands, hand stamps) to be in the KCSS Buyers ring area. Any one not in possession of a pass will be removed from the Buyers ring.
5. The Auctioneer's decision or update from the block/podium is final. The auctioneer will decide any arguments or changes, and the bid announced from the block/podium will be final.
6. Payment for Lots Purchased: Buyers are encouraged to pay for their invoice at the Sale. Invoices will be mailed to Buyers who are not able to pay at the Sale. Payment is due 30 days from the date of the invoice. Use of credit cards will be provided for Buyer's convenience.
7. Starting March 1st, any invoice not paid shall be charged a finance charge of 1.5% monthly until the account is satisfied unless prior arrangements are made in writing and approved by the superintendent. All legal options will be reserved to collect on delinquent accounts. Any attorney's fees and costs associated with collection will be passed on to the Buyer.
8. Add-Ons: Minimum add-on for all sale lots is \$25.00. All add-ons must be presented on a "Sale Add-On Agreement" (available at the Show Office, or on the web site). Add-ons made during or after the Sale will not be announced during the Sale. Should a parent, guardian, grandparent or sibling (including businesses owned by said parent, guardian, grandparent or sibling) of an exhibitor who has a qualifying sale lot at the auction, have an outstanding debt with the association, that Exhibitor's check will not be issued until said balance is paid in full. This rule will apply to money given to any "Buyer's group", used as added money to the Sale, or any other contribution to the auction.
