Pilot marketing approach

Pilot program for Peace and Peace bonds funds will serve as resource point for individual community projects within operations task, conditions and standards.

Treating each Human being as a person with a complex set of needs, all of which are important to their work and their life.

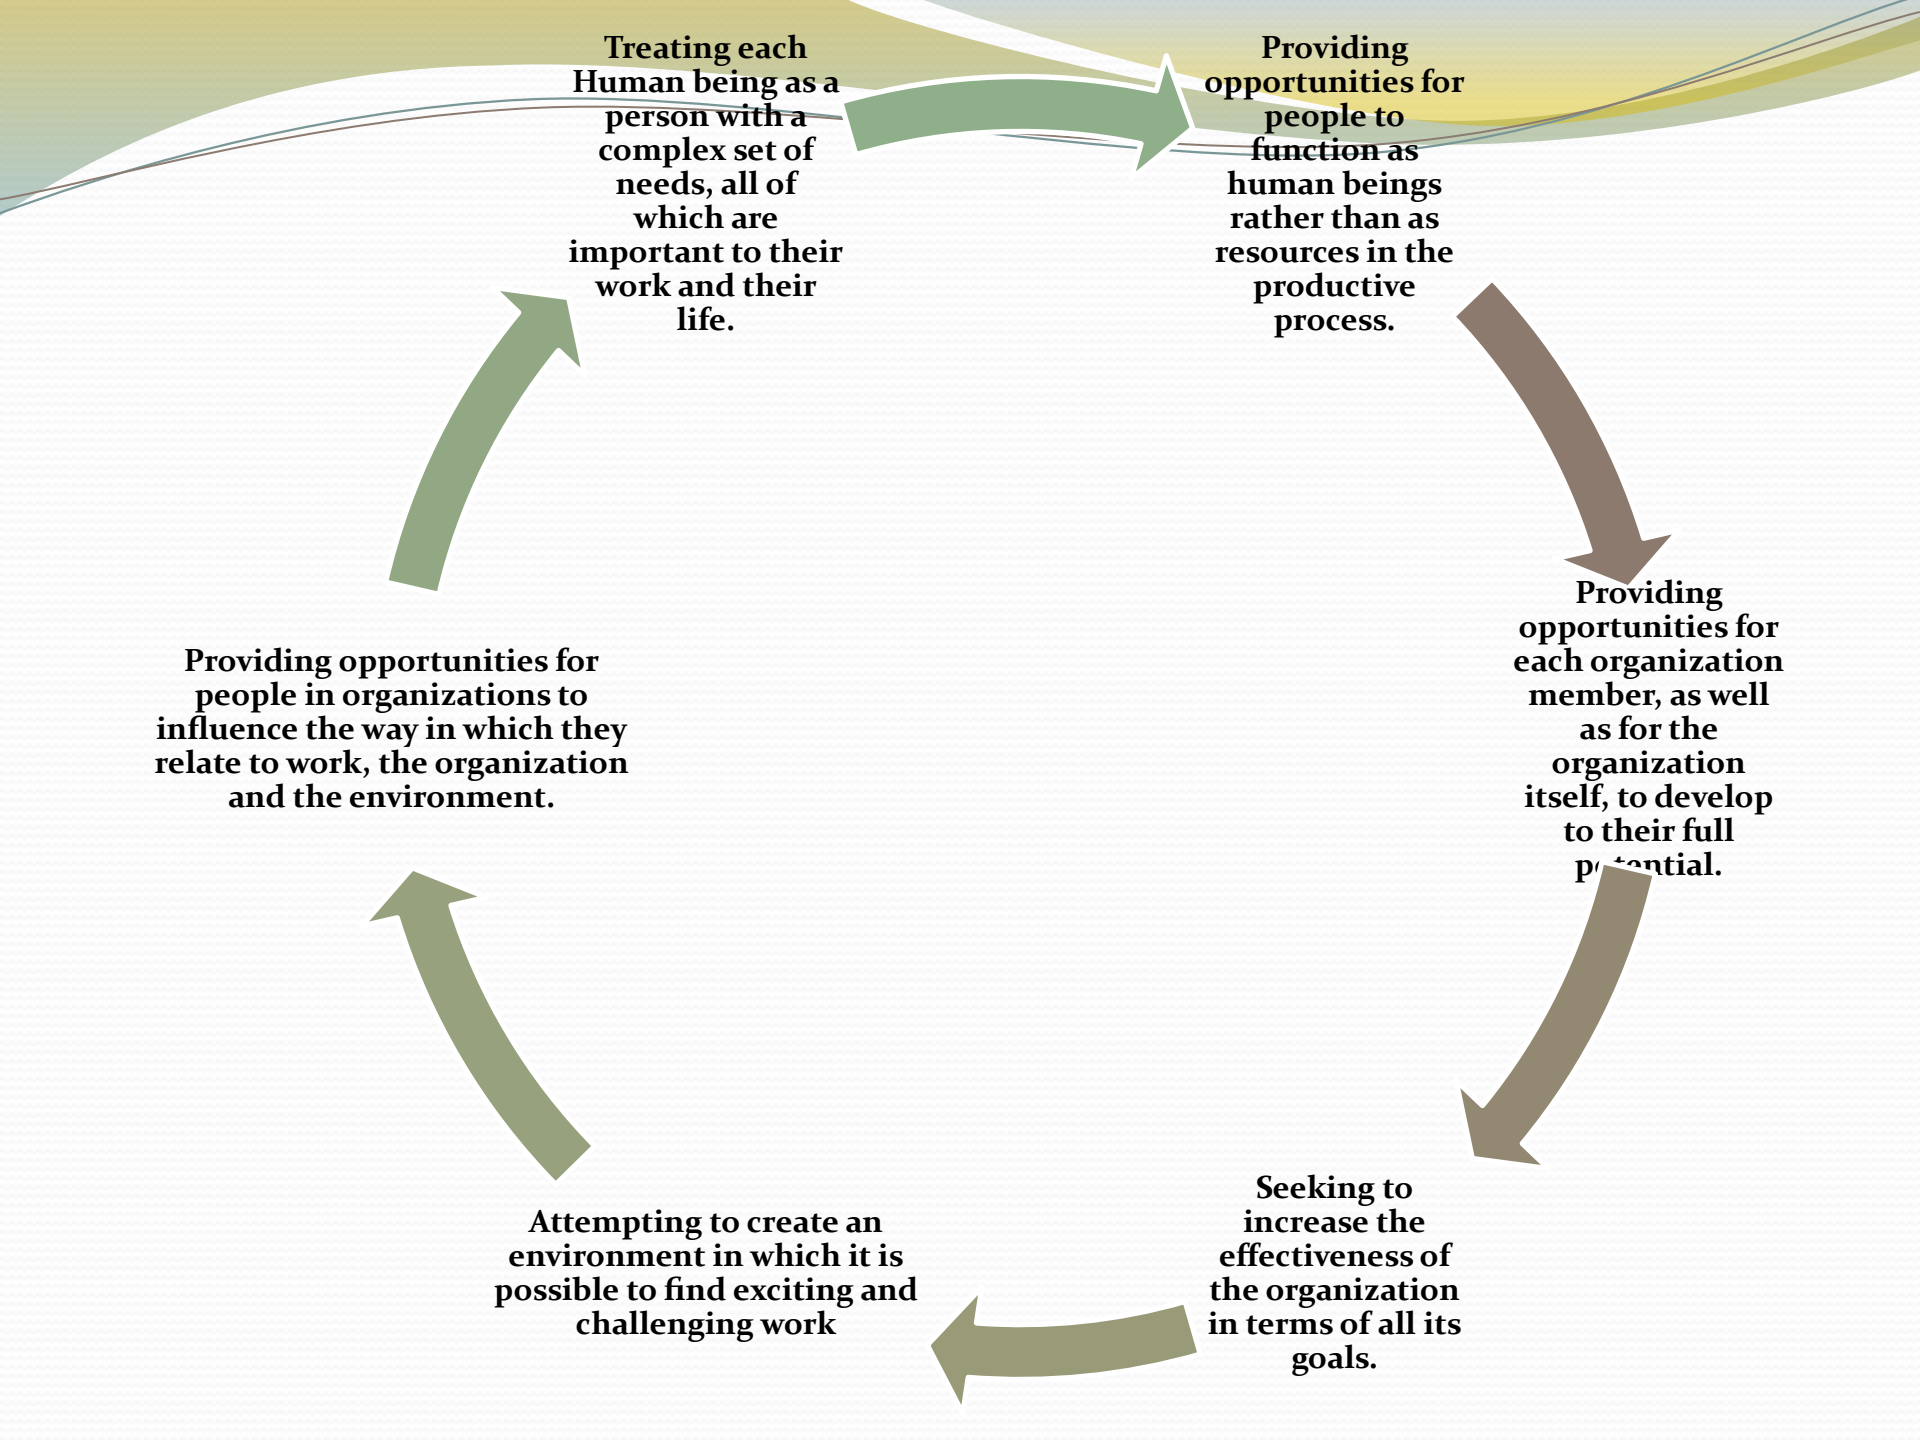

Providing opportunities for people to function as human beings rather than as resources in the productive process.

Providing opportunities for each organization member, as well as for the organization itself, to develop to their full potential.

Seeking to increase the effectiveness of the organization in terms of all its goals.

Attempting to create an environment in which it is possible to find exciting and challenging work

Providing opportunities for people in organizations to influence the way in which they relate to work, the organization and the environment.
