**E-Bulletin for
Easter Sunday**

April 17, 2022

From Fr. Rich

Easter Sunday

Happy Easter to you and all those in your family and community! May the Spirit of Our Risen Lord enlighten your minds and hearts with the renewed hope that is the gift of Easter!

Today we celebrate the greatest gift we could ever receive -- the forgiveness of our sins and the promise of eternal life with God in heaven! May the joy and glory of this day be with you throughout the fifty days of the Easter Season. May you share that gift with your family and friends, and may it reach well beyond to bring renewed hope and joy to the world.

A word of thanks to all those who participated in this year's Lenten

Almoner's Program! There is a complete review of the Almoner's collection throughout Lent as well as the number of McDonald gifts cards that were distributed in Father Mike's column later in this bulletin. We averaged over one thousand dollars per week in contributions and about the same in card distribution. If you were one of those who distributed, I'm sure you saw the gratitude those simple gifts brought to so many in need! Thank you to everyone for once again making this wonderful outreach so successful!

And a big thank you to all those who planned, led and/or participated on the Lenten anti-racism prayer and faith-sharing groups. It requires a certain kind of courage and determination to be willing to consider our own role in societal sin and how we can move beyond the sin into healing and reconciliation. This was a wonderful Lenten exercise!

Thanks to all our Ministers for all their Service

All of the services beginning with Palm Sunday through Easter Sunday require a great commitment of time and energy from many of our ministries. Thank you to all those who have come out for extra rehearsals, for volunteering to minister at a number of services, to be flexible in covering where most needed. A special thanks to all those who have recently returned to church after the COVID pandemic limited their ability to be in church.

Our Adult Choir and Instrumentalists and Cantors; Presiders; the Ministers of Communion and Lectors and Ushers and Sacristan -- THANK YOU for making our prayer in these Holy Week services so beautiful and prayerful!

[Holy Week Schedule/COVID
Protocols/Special Collections](#)

Below is the Holy Week and Easter schedule, as well information about each services' COVID protocols and the special collections on Holy Thursday and Good Friday.

Holy Thursday, April 14

- No morning Mass
- 7:30 pm - Mass of the Lord's Supper (live-streamed)
- Church will remain open until 10:00 pm for private adoration.
- The collection on Holy Thursday will support both Bonaventure House Alexian Brothers AIDS Ministry and Catholic Charities efforts to help those living with and affected by AIDS.
- ***Pandemic protocols:*** The most evident restriction is the limited washing of feet. This year, we will have the candidates for entrance into the Catholic Church at the Easter Vigil Mass (RCIA Catechumen and Candidates) represent various groups of people that Pope Francis keeps reminding us are on the peripheries, and it is up to us to move them into the center of our church and our lives.

Good Friday, April 15

- No morning Mass
- The Rectory office is open from 8:30 am-2:00 pm.
- 3:00 pm - Stations of the Cross (***No Stations at 6:30 pm***)
- 7:30 pm - Service of the Lord's Passion (live-streamed)
- The [collection on Good Friday](#) is in support of the work of the Franciscans working in the Holy Land.
- ***Pandemic protocols:*** The Good Friday Service will once again restrict the Veneration of the Cross to non-touching forms of veneration (e.g. a bow, a genuflection, a brief moment in silence before the cross).

Holy Saturday, April 16

- No morning Mass
- 11:00 am - Blessing of Easter baskets
- 7:30 pm - Easter Vigil Mass (live-streamed)
- ***Pandemic protocols:*** This year, everyone will once again receive a taper on their way into church. We will use the large crystal bowl for baptisms in front of the altar, instead of erecting the pool in the sanctuary.

Easter Sunday Masses

- 8:00 am
- 10:30 am in Church
- 10:30 am Gym Mass
- The Rectory office is closed.
- ***Pandemic protocols:*** Easter Sunday Masses should also pretty much look like pre-pandemic -- with the exception that Communion is still limited to reception in the hand (not on the tongue) and there will be no distribution of the Precious Blood.

The Rectory office is open from 8:30 am-2:00 pm on Good Friday, and closed on Easter Sunday and Easter Monday, April 18.

[Pontifical Good Friday Collection](#)

Pope Francis has asked the Church to support the Pontifical Good Friday Collection, which helps Christians in the Holy Land. Your support helps the church minister in parishes, provide Catholic schools and offer religious education. The Pontifical Good Friday Collection also helps to preserve the sacred shrines.

The pandemic hit the Christians in the Holy Land particularly hard. Most of them depend on pilgrimages to work. In these times of crisis, the Pontifical Good Friday Collection is also necessary to meet the basic needs of the People of God still living in this Land where the Church was born.

When you contribute to the Pontifical Good Friday Collection, you become an instrument of peace and join with Catholics around the world in solidarity with the Church in the Holy Land. Please be generous!

For more information about Christians in the Holy Land, visit www.myfranciscan.org/good-friday.

An Easter Message from Cardinal Cupich

Dear Sisters and Brothers in Christ,

As we gather this year to celebrate the Lord's Resurrection, we cannot avoid our circumstances. Shadows of sin and death loom large over us. The pandemic, our experience of social unrest and daily violence on our streets, and, of course, the horrors of war in Ukraine and other parts of the world—all remind us how much we need the Lord's redemptive and healing power in our lives.

Our source of hope amid these challenges is anchored in all that we have witnessed in the liturgies of Holy Week. We have celebrated that the Lord Jesus entered into the fullness of our human experience. He went to the very darkest edges of that human experience. He entered into our suffering, struggle, and even our desperation, when he cried out on the cross, “My God, my God, why have you abandoned me?” He squarely faced sin and death on the cross.

And it was precisely in the moment he fully emptied himself, placing himself totally in the hands of God, that he was raised up from the dead victorious. But, his rising from the dead is not just a matter of his personal vindication. He came back from the dead for us, to give us a share in his victory. This is what takes place in our Baptism, which is confirmed in the Holy Spirit, and sustained by the Eucharist. He lives in us, and his victory over sin and death lives in us as well.

As Pope Francis reminds us, we need to share the victory of the resurrection with others, as Jesus did with us. We do this by being sisters and brothers to one another. As Church, we are a family of faith that walks with each other in moments of pain, struggle, and grief, keeping alive the promise that Jesus, the victor over sin and death, remains with us. We are never abandoned. My prayer for all of us in the Archdiocese of Chicago is that we will stand firm in hope, confident that the One who has gone before us in death has come back from the dead for us. May the peace of the Risen Lord be with you and those you love.

Sincerely yours in Christ,

Cardinal Cupich, Archbishop of Chicago

RCIA: Celebrating the Easter Sacraments

On Holy Saturday, April 16 at the Easter Vigil, those in the RCIA will celebrate the Easter Sacraments. Please keep Marlena Siroski, Russell Gipe, Bella Meaux, and Iverson Moore (pictured above) in your prayers

during this Holy Week, and consider coming to the Easter Vigil, surrounding them with love and rejoicing as they become members of the Catholic Christian community or are Received into Full Communion with the Catholic Church.

Growing in Faith

It's hard to imagine that the world has ever been in worse shape. Society seems to be growing more violent every day. We are seeing the effects of the lingering pandemic play out in terrible ways. And we have lost so many people. And then there is Ukraine and Afghanistan. You know the litany. You know what the world looks like right now.

So what does Easter tell us? Easter tells us that THIS is exactly the same world that Christ loved, that Christ died for and Christ rose in – exactly the same. The world has always been the world. The evil we see is not more potent than in the past. The good that we find is not less potent than it ever

was or less prevalent. The purpose and power of good is to be good. Our challenge is to confidently face the power of evil—the evil that always was, the evil that always is—with goodness.

Jesus didn't come to conquer evil. He conquered death, so we can face evil unafraid. So, this Easter, I rejoice in the good: the beauty of nature; the frontline workers who sacrificed their lives to care for us during the pandemic, and the nurses, doctors, family, and friends who still provide loving care; the good people who daily work to feed the hungry, shelter the homeless, teach the children; the splendor of creation and perfection of our fellow creatures. I rejoice in the good, wherever I find it...and it is abundant. Happy Easter!

~ KC Conway

Thank you from the Peace and Justice Ministry

What a blessing this Lent has been to so many! The Peace and Justice Ministry would like to thank you for participating in various Lenten practices.

The Almoner program collected \$7,000, and at the time of this article being written, we have given out over \$5,000 in gift cards to those who are homeless and hungry. The true blessing came to those passing out the gift cards, meeting and learning more about the challenges so many on the street experience. To all those who distributed the cards, to those who donated so generously, and to those who prayed especially for the hungry and homeless, thank you. Any remaining money will be used to purchase cards to be given to Care for Real or to people who come to social services in need.

Along with the Almoners program, thank you to the many who participated in the anti-racism discussion groups. We learned that every day, each one of us can and should stand up against racial prejudices and disrespectful attitudes towards others. For six weeks, six groups met to share in discussions on racism. It wasn't always an easy conversation to have, but ones that were and are greatly needed. We are planning on further discussions and actions that we as a parish can participate in to reduce the impact of the racism that exists in homes and our society. Let us build a world beyond racism and discrimination where we all can recognize each other sisters and brothers in Christ.

~ Fr. Mike Gabriel

Evening of Prayer for the Canonization of Dorothy Day

On Saturday, April 30, St. Thomas of Canterbury parish will hold a Holy Hour for the Canonization of Dorothy Day in the church, located at 4827 N. Kenmore.

Dorothy Day was a 20th century Catholic convert and one of the founders of the Catholic Worker Movement and a Benedictine oblate. Day's radical vision of societal renewal - based on the Gospels and the Church's social doctrine - has influenced generations of Catholics, including those who started the parish soup kitchen at St. Thomas of Canterbury.

The Holy Hour begins at 5:30 pm, presided over by Bishop Mark Bartosic, with sung Vespers by the Canons of St. John Cantius. At 7:00 pm, there will be a discussion on the Catholic Worker titled, "Dorothy Day: Yesterday, Today, and Tomorrow".

Married Couples Needed to Work with Engaged Couples

As part of our marriage preparation program, St. Gertrude offers a parish-based PreCana classes, as well as the premarital inventory tool, FOCCUS. The FOCCUS tool measures the level of agreement between the engaged couple in about 11 different areas they will encounter in their married life. Couples fill out this questionnaire through a link provided by a facilitator couple and each party answers a series of questions online. The two sets of responses are then matched and scored, then a print-out of the level of agreement/disagreement between the bride and groom is shared. The facilitator couple, who has been trained in how to read the results, then meets with the engaged couple to discuss the results.

Right now, we have only one couple doing this important ministry, and we are hoping to get one or two more couples involved to share the load. As is

true with PreCana, the facilitator couple should be married for at least a few years, with or without children. Experience as a married couple is a prerequisite, but couples of any age are welcome.

Please consider if this might be a good ministry for you! If you have any questions, I would be glad to speak with you, and/or connect you to our facilitator couple who could better explain exactly how FOCCUS works. Contact me at rprendergast@stgertrudechicago.org.

Update on *Repair, Renew, Refresh* Projects

With the arrival of milder weather, we will continue with or start projects to improve the parish buildings. Tuckpointing and masonry repairs, the final phase of the multi-year project to care for the exterior of the Ministry Center, should be finished in just a few weeks. The scaffolding will be taken down afterwards and that part of the campus will return to a more normal appearance.

Some of the roofing repairs on the church and rectory are scheduled to begin. These include removing some downspouts that have been the source of water getting inside parish buildings, affixing new gutters in other parts, and adding new roofing to sections of the buildings.

Here is the status of other projects funded by the *Renew, Repair, Refresh* campaign:

- We hope and expect the repairs/rebuilding of some of the outside stairs will get underway soon.
- The re-carpeting of church is also moving forward, albeit a little slower than we might have hoped.
- The handrails from the main floor of the church into the sanctuary have all been installed.
- And the *Fund for Catholic Education* at NCA for parish families with children attending NCA has been funded and all the school families have been made aware of that support possibility.

Please let me know if you have any questions or concerns. I will try to provide regular updates.

St. Gertrude Composting Program - List of Do's and Don'ts

With the arrival of spring, it's time to start thinking about our parish compost and garden projects. This year, we are going to use a compost tumbler. It's user-friendly and will produce compost at a quicker pace. I highly suggest going to www.mantis.com for more information and watch a short video demonstration. Additionally, our *Composting Do's and Don'ts* list has been updated and is outlined below.

A Zoom discussion was held last weekend on how to use the new compost tumbler and what can and cannot go into it. It was recorded and available for anyone who would still like to be a part of the program!

We plan to get the garden ready for planting in early June, I'll share details about that in later bulletins.

Please email me at mcbarker@stgertrudechicago.org if you have any questions or if you would like to be a part of the composting program or planting team.

Care for Our Common Home:

Appreciating God's Gifts

The Pope's encyclical, *Laudato Si'*, is basically an analysis of how humanity can use spirituality to improve our relationships with each other and with the natural world, all in service of caring for our common home.

Perhaps this is a good time to focus on these relationships – whether by praying for or with a loved one, or by being especially attentive to the world around us. When you see flowers pushing their way through the soil this time of year, do you immediately thank God for those gifts? When you hear robins chirping (a sure sign of spring!), are you awed by one of God's creations? Taking time to appreciate these things is a perfect way to care for our common home.

Earth Day

The 52nd anniversary of Earth Day is Friday, April 22, 2022. This year, the

Earth Day theme is *Investing in Our Planet*. Please consider whatever at-home project(s) you might do as a family, or by yourself, to help improve the health of our home, Mother Earth!

Perhaps planting a garden -- either in the dirt in the ground or in the dirt in the pots. Flowering plants not only bring delight to our sense, but they also increase the production of healthy oxygen.

Another possible project might be some form of cleaning up or out, perhaps preceded by a "Stuff Examination of Conscience" - just how much "stuff" have I accumulated? Do I really need all of it? If it is clothing or housewares, could I contribute my excess to those in need through donations to the Goodwill, St. Vincent DePaul Society, or Salvation Army shops?

One of the tricks in this kind of project is to plan, at the same time, to resist the "nature abhors a vacuum" syndrome, feeling the necessity of filling all those empty spaces by going out and purchasing more "stuff".

Happy Earth Day!
