## From Father Rich

[Please Make Your Gift to the 2021 Annual Catholic Appeal](#)

*Come, follow me ... and bring hope to the world*

I invite you to spend some time this week reflecting on the Annual Catholic Appeal materials you should have received in your bulletin or in the mail. The Annual Catholic Appeal is much different than a one-time special collection: It is a pledged commitment to make a gift over time. Your pledge can be made payable in installments.

Each pledge makes a difference because all parishes participate in the campaign and the

## Growing in Faith

The readings begin with the troubling story of Job. Unimaginable suffering and loneliness descend upon this poor person for no good reason. Job's friends are important characters and start well. They show up, mirror his distress but then veer off into victim-blaming and impose meaning on his circumstances by speaking for God and holding Job's imagined bad behavior and impiety responsible for his losses and pain.

These were not healing encounters. We humans want and seek meaning, which is usually a good thing. But meaning often gets tangled up in the myth of meritocracy in a just world, which can't allow for bad things happening to blameless people.

In contrast, Mark's gospel gives us Jesus beginning his ministry as a gifted healer. He heals Simon's mother-in-law of a fever. Jesus meets her where she is, risks taking her hand, and heals her without interpreting her suffering or explaining God's methods to her. Jesus brings God's empathy and kindness, leaving blame where it belongs, outside the relationship as irrelevant and damaging.

Our country has been fevered. Many of us have been so angry and many more are grieving, bowed, or broken by illness, cruelty, poverty, and injustice. We have heard a compelling call for healing from our new administration. I pray we can answer it because we all need it. I pray we can practice the healing art of Jesus. I pray we have the courage and generosity to choose empathy over blame. I pray we choose to meet as fellow sufferers and not enemies. To bring kindness, not judgment, and to heal the grief we share.

## Recent Financial Reports

In recent weeks, we shared two different financial reports regarding the parish's finances - the Annual Financial Report for the Fiscal Year that ended on June 30, 2020 and a report that compares the financial picture during the pandemic (from March 13, 2020 through December 31, 2020) with the same period from the year earlier. Both reports are linked below.

There are three line items I would like to direct your attention to in the comparison report. The first is **Income**. Our Sunday/Holy Day income from March 13 through December 31, 2019 was \$476,982.23. In 2020, during the pandemic, our income was \$413,512.40. The difference was \$63,469.83, or a decrease of 13.31%.

The second is our **Expenses**. From March 13 through December 31, 2019, our expenses were \$788,273.47. In 2020, during the pandemic, our expenses were \$691,391.20. The difference was \$96,882.27, a decrease of

\$12.29%.

The third item in this comparison is the accounting of the **PPP funds** we received from the government for some of our payroll expenses. We received a total of \$111,600.00. This unexpected source of revenue greatly lessened our losses in this time period, although we won't know the full picture until we reach both the end of the fiscal year and the end of the pandemic. As the numbers indicate right now, we expect to have another deficit by the time we get to the end of this fiscal year on June 30, 2021.

Please feel free to contact me or our Business Manager, [Art Blumberg](#), if you have any questions.

Thank you for all you do to continue to make St. Gertrude Parish healthy, vital, and viable!

~ Fr. Rich Prendergast

Edgewater Community Religious Association (ECRA) will sponsor a free COVID test clinic for anyone aged five and up. The clinic will be held at the Ismaili Jamatkhana parking lot at the corner of Broadway and Rosemont, 6259 N. Broadway.

St. Gertrude Parish is a proud member of ECRA, an interfaith association of religious organizations that work toward fostering friendships and understanding of other faiths and nurturing a thriving and just neighborhood.

For decades, ECRA has linked religiously diverse neighbors, including Catholics, Baptists, Lutherans, Methodists, Presbyterians, as well as our friends from the Jewish, Muslim, and Hindi faith, to create solutions to local problems, including the Edgewater Community Council and creating Edgewater's food pantry, Care for Real.
