A Reason to Care

Visiting volunteers help validate older adults’ validity and worth, as well as increase their overall well-being. Volunteers help to make independence and reduce isolation and loneliness.

Being a Heart to Heart Volunteer creates a supportive link to the community. No matter how you spend your time with your new acquaintance, being in his or her home for an hour can be the single most importance event of their day.

Some comment from Heart to Heart members...

“I find it hard to express just how much it means (to all of us) to have all of you in our lives.” ~ M.K.

“Thank you for being there when I needed you.” ~ D.K.

My dearest Heart to Heart, I am feeling very much obliged just to say a big thank you for everything...everyone helping with love and care with hope. ~ K.M.

Become a Volunteer

Do you have a few hours you want to put to good use? Do you want to make a difference in the lives of your neighbors?

If you answered “Yes”, then please contact Heart to Heart to inquire about volunteer opportunities.

Volunteer drivers are always needed during the day to drive seniors to medical appointments, hair appointments, to grocery stores, to run errands, and more. As a volunteer driver, you must have a clean driving record, a valid driver’s license, and proof of insurance. Even if you don’t drive or have access to a vehicle, you can be a friendly visitor or help out with events.

You will be helping your neighbors who are 60 years-old and older who need a little support to sustain their independence.

Volunteers generally provide services Monday through Friday from 9:00 am-5:00 pm and occasionally are needed on a Saturday or a Sunday.

Volunteers Helping Older Adults of St. Gertrude Parish & the Edgewater Community
**History & Mission**

In 1986, a few women from St. Gertrude parish realized their older neighbors needed a little assistance. They were people from the parish were asking for help with grocery shopping and to get to doctors’ appointments. As the older adults aged, their needs grew and the parish recognized that community support was needed. Thus, Heart to Heart began.

The mission of Heart to Heart is to provide caring volunteers to assist older adults and enable them to remain independent and connected to our community for as long as possible. When needed, referrals are made to supportive services or agencies.
