## *From Father Rich*

Happy Catholic School Week! Each year, this last week in January reminds us of the importance of Catholic education. This is true of both the parishioners who attend Religious Education, as well as all those who attend NCA or any other Catholic school. The foundation of our children in the ways of faith is the promise every parent and godparent makes at their child's baptism. As they then come of school age, parents are assisted in the formation of their children in the availability of Catholic schools and parish Religious Education programs.

Here at St. Gertrude we are so very fortunate to have such a long history of having the education ministry of the parish beginning with a grammar school. St. Gertrude's grammar school began shortly after the parish was established in 1912. Then, twenty-seven years ago, as the local parishes considered their options with each having its own school, but with declining enrollment numbers, Northside Catholic Academy (NCA) was founded and continues to this day. NCA provides excellent education and it provides it within the context of our shared Catholic faith. Each day begins with prayer and faith is an essential part of every subject the students explore. Every Tuesday (at the middle school of NCA at St. Margaret Mary campus) and every Friday (at the primary campus here at St. Gertrude) the children share in the Eucharist, practicing their faith as part of their core curriculum. And their sacramental preparations (First Reconciliation, First Communion and Confirmation) are part of their religion curriculum. They also learn about the liturgical seasons and the practices and devotions of the Catholic Church in Advent and Christmas and Lent and Easter and in special celebrations such as May Crowning.

Providing this education has always required sacrifices—from parents, from teachers and administrators, from all who work at the school, and from every parish which participates in this ministry. Many thanks to all those who have given of their time, their talent and their treasure to help pass on the legacy of our shared Catholic faith to the next generations! Happy Catholic School Week!

Today's gospel passage of the Call of the Disciples reminds us that we are all called by God, in a very specific way, by name. It is another way of saying everyone has a vocation. Whether it is as a married person, a religious sister or brother, a single person or a deacon or priest, God invites each of us to respond with the gifts we have been given for our own sake and the sake of all the members of our community and beyond.

How am I spreading the Good News of Jesus Christ in my daily life among my family and friends, in how I treat the people I work with, in the strangers I meet on the street? In every human encounter, we have an opportunity to share kindness, peace, support, respect. What is your calling, how are you living it out and how are you passing on the faith?

Next Sunday is the Feast of the Presentation of the Lord. This feast commemorates the day Mary and Joseph brought Jesus to the temple to be presented to the Lord. The old man who spent most of his time in the temple, Simeon, greeted Jesus' arrival with a prayer blessing which pronounced him as a "light to the nations." So this day is also known as "Candlemas Day." Candlemas literally translates as "the sending of the candle (light)" into the world. So we also bless the candles we will use in church throughout the year on this day. Those newly-blessed candles are then used the very next day on the Feast of St. Blaise in the Blessing of the Throats. The Final Blessing at the masses next weekend will be the Blessing of the Throats.

## Growing in Faith: May They See a Great Light

Every day, families around the world are fleeing danger and death. Every time I see news about these refugees huddled in tents and makeshift shelters, an icon by contemporary iconographer Kelly Lattimore comes to mind.

I first saw it on Facebook last year and have never forgotten it. Lattimore's icon entitled, "Refugees: *La Sagrada Familia*," depicts a man in worn blue jeans, a yellow t-shirt, baseball cap, ragged sneakers, and backpack. He is leading a young woman also in jeans who wears thin sandals. She is carrying a barefoot child swaddled in a purple scarf.

As this family escapes in the dark of night with only a full moon and stars to guide their way, though, we see other light. Lattimore has given each of the three a halo. I invite you to contemplate this icon online at <https://kellylattimoreicons.com>.

This week may we hold in prayer all those holy families who are desperately fleeing for their lives, especially the refugee families now living in our parish.

May refugees who live in fear and despair experience hope and joy, as envisioned in today's passage from Isaiah: "The people who walked in darkness have seen a great light; upon those who dwelt in the land of gloom a light has shown." (9:1) And may we continue to support all who are lighting the way for them on their dangerous journey.

## Help Needed for Lenten Faith Groups

### Looking For a Few Small Group Leaders—Six Weeks, 90 Minutes Each Week, No Pay, but Great Fringe Benefits!

As part of our Lenten program this year, and in preparation for the *Renew My Church* process we will be starting this fall, we will be inviting parishioners to join already existing faith-sharing groups, or to form new faith-sharing groups. These small groups will use the *New Wine, New Wineskins: A Faith-Sharing Resource for Restructuring Parishes* as a guide to gather together as a faith community and reflect on our identity as missionary disciples, the meaning of Church, and how change is a constant part of our lives.

There are no qualifications for volunteering as a small group leader. There will be a one-time training session before the program begins to familiarize all leaders with the *New Wine, New Wineskins* booklets and how each of the sessions is structured. Leaders will be participants in the groups, have already read through the materials being used, make sure the space is set up, and will keep the small group focused and on track.

The faith-sharing groups will begin meeting the weekend BEFORE Lent starts (Ash Wednesday is February 26. The first group meetings will be the weekend of February 22-23). And they will be completed before Holy Week begins.

No experience is needed, nor is anyone expected to be an expert in anything. Please consider making this commitment. It will not only be a great Lenten program, but also a great introduction to *Renew My Church* and the future of our parish.

Groups will meet after the 8:00 am and 10:30 am Sunday Masses in the various meeting spaces on the parish campus, and on evenings that works with most people's schedules.

Email me at [rprendergast@stgertrudechicago.org](mailto:rprendergast@stgertrudechicago.org), or call me at the Rectory office at 773.764.3621 if you are willing to volunteer as a group leader for this short-term process.

Thanks for your consideration.

**Parish Stewardship Report**

*“I urge you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree in what you say, and that there be no divisions among you, but that you be united in the same mind and in the same purpose ... Is Christ divided?”*

~ 1 Corinthians 10, 13

In these divisive times, can we focus on what unites us? We are all part of the Body of Christ and must strive to have respect for the humanity of all—especially with those whom we deeply disagree with. We must also stand in solidarity with those who are disrespected and marginalized. Jesus demands no less from us.

**A Letter from Cardinal Cupich**

Dear Sisters and Brothers in Christ,

With this letter, I take the opportunity to urge you to participate in the upcoming 2020 Decennial Census. The Census provides a snapshot of the entire population of the U.S. and occurs only once every 10 years, so it is important that everyone be counted.

Census counts determine political representation, the allocation of billions of dollars and volumes of statistics to allow organizations like ours to plan for the future. The Census is a count of every man, woman and child living in the United States. Neither U.S. Citizenship nor legal residency is a requirement for participation. Under federal law, all individual information is kept confidential for 72 years and is not shared with other government agencies. Underserved neighborhoods particularly need accurate counts so that they can receive their fair share of political representation and funds for much needed infrastructure improvements and services.

Census Day is April 1, 2020, and census questionnaires will arrive to all households in March of 2020. Also, for your convenience and for the first time ever, the Census Bureau will accept responses online and by phone.

Please know that you are in my prayers and I ask that you keep me in yours.

Sincerely yours in Christ,

*Cardinal Blase Cupich, Archbishop of Chicago*

## ***TODAY-NCA's Open House***

Join us for our open house and art and music show, on Sunday, January 26, to kick-off Catholic Schools Week, an annual celebration of Catholic education in the United States.

Both of our campuses will be open for touring. The primary campus, 6216 N. Glenwood Ave., will host their open house from 11:00 am-1:00 pm. The middle school campus, located at 7318 N. Oakley Ave., will be open from noon until 2:00 pm.

You will be able to meet our teachers, learn about our wholistic educational approach, and experience the commitment of our faculty and the connections they make with our students.

There will be an art show at the primary school, displaying our students' original artwork. We will also have an art and music show at the middle school, displaying our students' original artwork and acoustic guitar skills.

If you have any questions, please email Shakira Morrisette, Director of Marketing & Admissions at [smorrisette@ncaweb.org](mailto:smorrisette@ncaweb.org).

## ***Donate to Tax Credit Scholarships***

Illinois' tax credit scholarship program through the "Invest in Kids" Act provides strong incentives for donors to support non-public school scholarships for low-income students in the state. Illinois students from low-income families may use these new scholarships to attend a non-public school of their choice, including the more than 200 Archdiocese of Chicago Catholic schools.

In 2019, more than 2,300 students were awarded scholarships, however more than 11,000 students remain on the wait list without a scholarship. Many more students could benefit from your generosity. The need is great. Your gift through a tax credit scholarship provides a high-quality, faith-based education for generations of students to come.

With the two-for-one matching program through Archdiocese of Chicago Catholic Schools and Empower Illinois, a \$500 donation could easily turn into \$1,500 scholarship for a student in need. Learn more at [archchicago.org/tcs](http://archchicago.org/tcs).

## ***Annual Catholic Appeal***

### ***Come, follow me... and heal our world***

Many families in our parish will be receiving the Annual Catholic Appeal request mailing from Cardinal Cupich. On behalf of those served by the ministries, parishes, and schools who receive funding from the Appeal, we thank you for your gifts. Please return your response as soon as possible.

The Annual Catholic Appeal offers a wonderful opportunity to answer Jesus' call to "Come, follow me... and heal our world." In addition to providing for ministries and services throughout the archdiocese, the Appeal also funds services that are of great help here in our parish. For example, Appeal funds support training of Ministers of Care and Marriage Preparation Teams and some of our liturgical ministries.

As we contemplate God's many gifts to us, we should also reflect on our gratitude. Your financial support for the work of our parish, our archdiocese, and the Church throughout the world is one way to express this gratitude. Please give generously to the 2020 Annual Catholic Appeal.

## ***Scholarship for High School Senior***

The Archdiocesan Council of Catholic Women annually provides one four-year renewable scholarship to a young woman graduating from high school and continuing her education in a college or university.

This scholarship is available for high school seniors who meet the following criteria:

- Belong to a parish in the Archdiocese of Chicago
- Have maintained a C average in high school
- Have been involved in extra-curricular activities at church, in their community, or at school
- Plan to attend a college
