

DYSLEXIA SERVICES

"Take Flight" Dyslexia Therapy:

- Comprehensive Intervention for students with Dyslexia
- Two-year curriculum written by the staff of the *Luke Waites Center for Dyslexia and Learning Disorders at Texas Scottish Rite Hospital for Children (TSRHC)*.
- Builds on the success of the three previous dyslexia therapy programs developed by the staff of TSRHC: Alphabetic Phonics, the Dyslexia Training Program, and TSRH Literacy Program.
- Designed for use by Certified Academic Language Therapists for children with dyslexia ages seven and older.
- Developed to enable students with dyslexia to achieve and maintain better word recognition, reading fluency, and reading comprehension, and aid in the transition from a therapy setting to "real world" learning.

Benefits of Dyslexia on Demand Dyslexia Therapy:

- Dyslexia on Demand only offers dyslexia therapy. Dyslexia on Demand exclusively offers one-on-one (1:1) or group therapy (2:1) opportunities for students with a Certified Academic Language Therapist (CALT) four (4) times a week.
- This therapist will personally guide students through a multisensory program of explicit, systematic instruction for both reading and spelling. Using the Orton-Gillingham dyslexia therapy program the therapist will lead students through the TSRHC "Take Flight" program.
- Dyslexia on Demand exclusively provides the highest level of trained dyslexia professionals, Certified Academic Language Therapists. Students will work solely with ONE therapist unless an unforeseen circumstance arises.
