

Keep your budget flexible with home improvement financing

Our marketplace of lenders brings your loan offers together, to help you find your best fit faster. So you can get your project done faster, and pay for it over time.

Look without touching your credit
so you can check offers when you're curious

Borrow up to \$100,000
so you can start small and plan big

Never any prepayment fees
so you can pay back your loan when you're ready

Applying for financing is easy:

- 1 Fill out a one-minute online form to consider pre-qualified offers from a curated marketplace of lenders.
- 2 Choose an offer and apply for final approval with the lender.
- 3 Once approved, expect your money within a day or two.* Use it to pay your contractor, and get your project going.

Hear from our happy customers

"Everything was very smooth and straightforward. Applied on Sunday night. Had the money on Monday afternoon."

Peter M.

"Probably one of the best loan experiences I have ever had. They made the whole process easy and stress-free."

*All loans and other financial products are subject to credit review and approval by our partners. If approved, funding times may vary. Prequalifications use a soft credit pull that does not impact your credit score. However, our funding partners will conduct a hard credit pull when you express interest in an offer, and this could impact your credit score.
