

"The FREEDOM OF THE PRESS hath, in consequence thereof, been esteemed one of its safeguards. That freedom gives the right, at all times, to every citizen to lay his sentiments, in a decent manner, before the people, If he will take that trouble upon himself, whether they are on point or not, his countrymen are obliged to him for so doing; for, at least, they lead to an examination of the subject upon which he writes."

PURPOSE

The US department of Defense's original plans to research the Mind control phenomena was to determine psychological and chemical formulas providing

the US with the "perfect" espionage agent. This quickly evolved into planning the "production" of the perfect soldier... government worker...slave.

However, German SS officer/occultist Himmler's research development scientists sent this search "for the "Manchurian Candidate" off in another direction ... PSYCHOLOGICAL GENETIC ENGINEERING.

It was determined that "absolute" mind control could be realized through specific tortures of the intended transgenerational Victim ...from the moment of birth!

Armed with this deadly research, a collection of "dedicated psychiatrists" from Germany, Italy, and the US, a new but ancient form of mind-control was reborn through Project Monarch.

Modern science had simply unraveled the occult cryptic so called "magikal" secrets of mind control...to spawn a new generation of "superior beings"...who could NEVER ASK WHAT THEIR COUNTRY COULD DO FOR THEM...BUT ONLY WHAT THEY COULD DO FOR THEIR COUNTRY.

HISTORY

Project Monarch is a US Defense Department code name assigned to a subsection of the Central Intelligence Agency's Operation Artichoke later become Project MK Ultra. Whereas Project Monarch was officially dedicated sometime in the early 1960's by the US Army. Project Monarch is a genealogical approach to define transgenerational (via genetic psychology) behavioral modification through trauma based psychological mind control.

The original documentation which spawned this project was derived from collected intensive research previously performed by top SS German Nazi scientists (1927-1941) as the result of their interest in the multigenerational affects of occult psychology as applied in the nuclear family of known pedophiles. The identified leader of this research was an SS officer by the name of Himmler.

This German government Top Secret ("BLACK ARTS") research was originally considered to be a significant "bonus" by-product of the US Department of Defense's Project 63 A.K.A., Project National Interest. Project 63 was dictated to the secret importation of a group of German Nazi and Italian fascists scientists. This was accomplished in 1959 so as to reunite these scientists with their captured comrades from WW II. These scientists areas of expertise were primarily physics (rocket R& D), psychiatry (mind control/Psychological Warfare), and micro biology/ pharmacology.

Although Project Monarch information has to date not been declassified as was it's research umbrella from D.o.D. mind control studies known as project MK Ultra. It never-the-less has become a household word among a multitude of Intelligence Community operatives.

Project MK Ultra was exposed publicly in 1970 through law suits filed by Canadian survivors and/or their surviving families. These brave persons received the cooperation of Canadian Intelligence individuals and others who uncovered one of the CIA's original mind control research mental health facilities based in Montreal, Quebec Canada. Although the CIA and Canadian government settled the lawsuits out of court so as not to be required to officially admit to any wrong doing -- the secret was out.

Now, two decades later the United States and Canadian populace is beginning to feel the criminal atrocities being committed against them in the private sector as a direct result of the so-called "secret" mind control experiments.

Now, a wave of transgenerational occult mind control victims are so numerous within our general population that the US government has launched, through its vast network of CIA operatives; misinformation campaigns to cover-up this source of pure evil. One of the most prominent misinformation campaigns is targeting a supernatural source (rather than the CIA) with the justification label "spiritual warfare"... A.K.A. to Intelligence specialists as Operation Armageddon.

PROJECT MONARCH PROGRAMMING DEFINITIONS

1. ALPHA - This is considered "regular programming." This is actually what would be considered a "base Personality" control. The original purpose of Alpha was to program (train/condition the mind through torture) of the espionage agent to perform certain difficult tasks. This program also locks in photographic memory, improves physical strength up to 5 times, and visual acuity is radically improved to 40 times normal limits, along with a host of other super-human traits. Alpha programming is accomplished through deliberately subdividing the victim's personality, which in essence causes a left brain right brain division allowing for a programmed union of L and R through neuron pathway stimulations and you've got . a person who can now utilize both sides of his/her brain for any simple task.

2. BETA -This is a combination of Alpha ; "logic" programming and Beta primordial (primitive mind) sex programming. This programming eliminates learned moral convictions and stimulates the primitive sexual instincts devoid of inhibitions. This training Program (usually for women) is for developing the "ultimate prostitute"...a sex machine. This is the most used (by the abusers knowledgeable of the Project Monarch) program. Children of knowledgeable persons are being preconditioned through incest and "sold" into the conspiracy for additional Beta conditioning to eventually satisfy the bizarre perversions of politicians, bankers, drug lords, or anyone deemed valuable to the conspiracy.

3. DELTA - This program was originally designed to train special agents and espionage agents' minds for becoming fearless terrorists devoid of fear and basic self preservation instincts capable of incredible feats of physical

endurance and murder. The new revised edition of Delta has pulled from the Delta program information on training the new breed of man - one who kills and, if caught, self-destructs. This program is now applied to some Beta prostitutes who double as drug mules...to protect the identity of their owners if they are caught, they die -of "natural causes."

4. THETA -Psychic programming ...the "exotic one". But not to be confused with the paranormal phenomenon of fortune telling or future forecasting. Those are examples of a magician's craft - while Theta psychic programming was and is the exploration of an unpredictable fact of human science. The initial results of Theta programmed subjects were inconsistent that the Theta project was virtually abandoned before its research completion date. Duke University, North Carolina, among other prominent "institutions", devoted many years to this project with what equated to poor results. It seems that the region of the brain able of transmitting and/or receiving "mental messages" has not yet evolved to a level for dependable communication...with any predictable, reliable consistency. The Soviets, however, invested billions of dollars into their version of psychic research and claimed/proved remarkable successes. With the advances in directed energy research... Theta "psychic driving" is obsolete.

But the Theta program "head" was not dead yet. Theta couldn't die because of the Soviet's reported successes...it evolved into bio-medical human telemetry and directed target energy involving lasers and/or electromagnetics...the results of which were referred to as "electronic possession". The ultimate challenge for the 21st century exorcist... providing he worked a day job-as a skilled CIA supported Neurosurgeon.

A few years ago, this programming technique involved the surgical implantation of sodium/lithium powered high frequency receiver/transducers coupled to a multi-range discharge capacitor that when signaled by remote control would electronically stimulate designated parts of the brain to signal the victim to respond according to his/her program. These experiments were only partially successful with a high mortality and paralysis rate. However, the technical mind control equipment evolution would advance to levels well beyond the grasp of any reader. Now it seems that "implants" will eventually become as common in numbers as are the victims of trauma based psychological mind control...but non implanted ,non programmed victims will hold the largest majority...the 1990's version of mind control requires neither implant or program...just computer driven directed energy using microwave...anybody can become a target.

THE COMPONENTS

Originally the physical components thought to be necessary to program/deprogram were rather complex and cumbersome...enough "laboratory decadence" to make Dr. Frankenstein blush. There were elaborate sound and light-proof sensory deprivation isolation chambers, some using exotic suspension fluids that could mimic weightlessness. Direct

current high voltage with very low amperage electroshock devices are the most important tools of the trade as the brain is electrically powered. Voltages ranged from .072 volt to 200,000 depending on application and to what part of the body it was to be administered.

There are "strap on" head and foot devices that could deliver a mind altering shock of an exact duration according to the subject's brainwave activity and/or heartbeat. Other portable hand held stun gun type devices can deliver shock up to 200,000 volts for a variety of reasons, but primarily for instant control of the conscious mind.

A great deal of successful research and development went into the effects of harmonics or inaudible to the conscious ear sound waves that affect the RNA covering of neuron pathways to the subconscious. Harmonics generators, code named ether-wave, are capable of subconscious mind embedding detailed messages (commands linked to audible triggers). This is known as electronic programming and is a standard programming device in all forms of Project Monarch. Hence the reason many Monarch survivors (drug mules/prostitutes) recall being taken onto certain US military bases and "Freedom Ranch" a.k.a. trauma centers for "programming".

Mind altering drugs...natural and synthetic compounds that can instantly alter certain brain/thought functions were developed from modern medical technology and from ancient witchcraft formulas.

The revised components list is not so comprehensive and obvious. For instance, a sound proofed burial casket makes a great sensory deprivation chamber similar to one being used now at a Kentucky (CIA) conditioning camp". There, Delta, Alpha, and Beta victims of this conspiracy are regularly taken by their owners for "reconditioning" and reprogramming for drug muling runs or "assignments". Most make it out of this man-made-hell alive, some don't...but as it is said, there's always more where those came from. Whereas, the only other equipment components needed are devices to hang victims upside down by their ankles, cattle prods the cylinder type that are inserted deep into the vagina or rectum for a "simulated orgasm with the devil".

High voltage (up to 200,000 volts DC) hand held law enforcement type stun guns are a must tool for the victim's owner to erase certain memory (if used on the muscle area of the victims within 2 hours of the "to-be-forgotten" event, and to control the victim's "insane" fits of rage if they are mistakenly triggered to perform a pre-conditioned task and they are at the moment in the "wrong personality". The only other components the Beta owner must possess are a diary or a damn good memory of their programs, key, and a working knowledge of hypnosis. In other words, a small brief case will contain everything a Beta owner "needs" to control his slave...completely ...forever.

THE FORMULA

The formula for Beta programming is the exact same as for Alpha, the only difference is that through a series of specific tortures and commands the Beta victim retreats deeper into her primitive mind and the results are a woman with a child like insatiable sexual appetite. This re-tapped sexual appetite was "developed" in her formative years through constant incest with her father figure. What begins as unbearable pain to a child's mind quickly "switches" to an sexual desire for the very person who was abusing her...daddy. This reversal is the key to all programming -Pain becomes pleasure, up is down, etc. Hence the reason Colonel Michael Aquino, attached to the DIA, adopted the satanic philosophy of reversing everything including bad is good.

WARNING

The following information, although intended for multi-generational family abuse systems, is adequate to divide a person's base personality for enslavement purposes, but for humanitarian reasons, I cannot publish the actual programming information, If you try this at home -you are on your own, and when our nation "wakes up"...you will become a target for prosecution.

First, slow body metabolism by reducing caloric intake say, for an average 125 lb. female 19-30 years of age to 300 per day -reduce to 0 intake of all sugar, lower protein intake accordingly, (This action will literally starve the brain into submission).

From time to time water deprivation may be necessary to swell the brain by raising the temperature making memory of experienced events difficult or impossible to recall by the victim a.k.a. the "kiss and not tell syndrome". Combine with 3 to 10 seconds-f 120,000 volts to leg or back. Vomiting and flu like symptoms will occur but memory is now hidden behind a wall of "black lightning".

Sleep deprivation - absolutely a must in preconditioning and continued maintenance for new programming. Victims must not experience more than two hours continuous uninterrupted sleep. Maximum sleep allowed 3 hours per 24 hour day. Days should be spent in heavy physical exercise to the point of constant exhaustion. This action stimulates the brain to overproduce endorphins and thus temporarily silence the logic center. This action also is responsible for reversing the brain's functions from right to left or vice versa. Victims will respond to most any command robotically and hypnotic programming becomes a breeze.

Hanging the victims upside down for periods of time, one-two hours per day will further trick the brain into dissociation from reality and can reverse such primordial brain functions as turning pain into pleasure - up will become down - out will become in, and above all the person administering the

tortures will become omnipotent in the victim's now rearranged mind. This phenomena is likened to the Stockholm Syndrome.

Daily tortures administered should focus on any of the known victims former idiosyncrasies. This could include introducing ant into the ear canal or coverings the victim in say (harmless) spiders or snakes (rubber facsimile will work) or exposing them to loud noises (firecrackers) disguised as bombs, heated needles or toothpicks under the fingernails, even constant tickling. These idiosyncrasies then became "tortures-of-the-mind" tortures that there are no escape from. When the operator ceases torturing the victims short of death, he's considered benevolent and "worship" by the victim will again commence ...even stronger than before. The controllers voiced wishes will become instead commands to the victim and all moral decision making processes (sex, murder, etc.) totally bridged (ignored) by the "new mind" of the victim.

High voltage electroshock has multi use purposes - for Torture, left brain right brain function, reversals, and, depending on the amount of voltage administered and the location on the body, to compartmentalize programs or to set in new ones. Electroshock is also used as a "harmless" not so subtle reminder to carry out commands. High DC voltage is a key component as it, too, produces an instant euphoric state due to the increased endorphin production, coupled with the victim's total lack of physical control.

Sensory depravation can be accomplished through hanging in conjunction with eye and ear covers - or with more elaborate sound and light proof rooms or even burial caskets. I am more familiar with specially heated salt water tanks where buoyancy accomplishes weightlessness, and fitted electroshock movement sensitive sensors are positioned on the victims to stimulate the mental sensation of loss of consciousness while wide awake and should the victims move externally, high voltage is automatically administered and the victim actually loses consciousness momentarily. This process is repeated over and over until the brain is trained to stop all external body movement from the conscious mind. Then the victim can be audibly commanded and programmed to a calendar date to perform a task:...say 50 years in the future Without even being cued by an operator...flawlessly. This program becomes a part of the primitive mind -the same one that tells the victim's heart to beat, etc.

Death or health programs can easily be put in place and are not diffusible through conventional psychiatry without knowledge of exact keys administered by an expert psycho/hypno- therapist. I personally know of one 13 year old girl who is currently institutionalized awaiting such care due to her being locked in through the use of sophisticated harmonics equipment from birth, But US Department of Justice officials have stopped her mother (Beta victim) in their pursuit of Justice...and so goes the mother's credibility and the needed expert mental health assistance for her child.

Now you've got the formula. "Try" and protect yourself from it ...nobody else will.

THE VICTIMS, PAST AND PRESENT

It is "alleged"...

The first victims were captured MPD spies and dissidents from friendly and dissident nations, but unfortunately for the second group of victims, there weren't enough caught to properly study and develop the so-called Manchurian Candidate, via psychological abuse with our country's newly organized Project MK Ultra.

The second group, it is alleged, were bright aggressive young men who had applied to Officers Candidate School (OCS). These men took entrance exams and psychological tests, tests that revealed whether or not they would become "candidates" for Project Monarch as their entrance psychological exams revealed they were victims of child abuse.

These eager young men were allegedly told (more or less) that they couldn't go to OCS for whatever reason but they could "volunteer" for a career in Intelligence and with their Top Secret "training" they could develop incredible super human physical and psychological abilities...with a "just sign here".

This true but very misleading information created powerful patriotic images in their minds...they envisioned being "special" espionage agents in just a few months instead of years at OCS. 007 stuff...well, sort of anyway. They were the first volunteers! Their fates are unknown even to their families and themselves if they're still alive.

The present day Beta victims are allegedly "recruited" a little younger than 19...BIRTH. Some (but certainly not all) by fathers who got caught sending kiddy porn through the US Mails, but most were either government or MOB connected. These "caught" fathers were more or less then blackmailed by alleged CIA agents to dedicate their child to the program in exchange for money, business favors, and protection against prosecution...these pedophiles became an honorable member of a US Government Criminal Conspiracy. The father's were then educated at government expense on how to precondition their little girl/boy with tortures of the mind and body and with sex - which would give this child a "gift that keeps on giving" Multiple Personality Disorder - a super child.

Some more aggressive fathers would have a half dozen children and "dedicate" as many as "Uncle" wanted. Most all became affluent or rich...except the victims...The Victims of Project Monarch.

Organized crime bosses jumped in the conspiracy for the protection of their lucrative child/adult pornography business. Day Care Centers were Opened by conspiracy members for what, was dubbed a "kiddy smorgasbord". Some conspirators got "sloppy" and used to much occult or satanic trauma for the Mind Control base on the kids and they "told". But to no avail...as our

government regards public exposure of their own human experiments as a "threat to National Security".

West Point had Day Care Center that recently collapsed under the pressure of irate parents who themselves were students at this elite OCS school in the "free" world. The same thing happened at Presidio, California.

The government (US Army C/ID) covered it up in the name of National Security and the kids, are, in counseling now -scarred mentally for life. SO for now it looks like its going to be a return to "in home supply" and implants because it's the American way...and father and Uncle Sam "knows best" as they say.

Note: There are many other known methods of recruiting victims for Alpha and Beta. This was just two common identified methods, among others, in professional sports. I could write a volumes on the other methods for types of Alpha victims such as "super baseball (victim) players who from time to time forget how to pitch and embarrass their owners.

Ironically enough, one of the main alleged organizers of this conspiracy is a baseball fanatic and even required two of the Beta victims he used from time to time to memorize every players batting average on four teams...this man was US Attorney General, appointed by Reagan, who resigned his post in a cloud of dishonor and is now chief legal council for our "NEW WORLD ORDER" police force...the United Nations.

THE USERS AND ABUSERS

The identity of some of the main users/abusers of Project Monarch Alpha/Beta programmed victims have been positively identified to me by survivors who existed at the top of this US Government Criminal Conspiracy literally for their entire lives. There are other victims who are simply too afraid to talk now, programmed with the "No Where to Run, No where to Hide" and/or "Who Ya" Gonna Call" CIA themes, but can and will eventually... because they've named their abusers from the Pentagon to the White House.

These users appear to be focusing not on recreational sex, but on drugs - billions of dollars annually in heroin/cocaine muled into the US via cruise ships, airplanes- private and commercial by Alpha Beta victims. The sale of these drugs is allegedly supporting the CIA's illegal covert action habits. The CIA doesn't have a "Black Budget" like the Pentagon boys...they earn theirs the "old fashion way" - by importing and selling drugs through elaborate network systems of users that the CIA has taken years to establish. They also consume a lot of their own product!

I've heard from victims some of the dollar amounts that were transferred via computer on just one deal that could buy a banana republic. The Beta mules stopped carrying suitcases full of cash in mid 1986 after the shift from Cuban/Jamaican suppliers went to Mexico. It has been confirmed that the

North American Free Trade Agreement (NAFTA) treaty was Mexico's reward for their cooperation.

The abusers are really anyone the Beta victims have come in contact with...that knows what she/he is and how to activate their programmed triggers.

To name a few, there are drug lords, politicians, (federal, state, and local) corrupt law enforcement personnel, big name entertainers who themselves usually own a Beta victim or two and a host of other conspiracy members.

Victims are traded among members like livestock. When they reach 30 years of age they are many times used in snuff porn movies, or what is termed "thrown from the Freedom Train." The abusers are too numerous to mention here, but in the reports previously disseminated, were named - many on the Washington, DC level, and hopefully will become visible media targets once myself and concerned others wake up the populace with the well hidden truth.

THE FUTURE

Psychological mind control techniques, formulas and equipment, unlike nuclear weapon systems, can be reproduced without exotic and expensive component systems...in the privacy of one's own home by virtually any one with average intelligence, a little information, and no conscience tie. criminals). Mind Control Out Of Control is just as lethal as nuclear war byproducts, however through genetically engineering psychology...the "evil" seed is passed on generation to generation.

Trauma based mind control, also aptly termed "white slavery" for the CHOSEN ONES IN THE 21ST Century will be predictably the largest "cottage industry" in terms of illicit profits, death, and destruction of innocent victims...unless the trend is stopped and those responsible in government and the private sector are punished and the survivors/victims given qualified rehabilitative psychiatric care.

The US now has nuclear regulatory agencies which exercise caution as to who can even build nuclear weapons, power plants, x-ray machines, or even smoke detectors. But not for Mind Control - thanks to the same US government corrupt officials...it's out of control.

The results of which are showing up everywhere. Multiple Personality Disordered persons are now common place - whereas before 1980 it was one of the rarest diagnosed psychiatric disorders...from 200 cases to 24,000. Which could mean a bare minimum over 250,000 undiagnosed programmed MPDs walking around waiting to explode with rage as serial killers, child abusers, etc. etc. etc., against the society that protects a few US government criminal conspirators -why?

While we're waiting for the answer, another child is being raped, most likely by the very person biologically designed to protect them...their father. So in a few years - he can put a notice in his computer bulletin board..."Beta trained child for sale...Best offer...will trade for business of equal value."

THE FUTURE?

PROJECT MONARCH ALPHA, BETA PROGRAMMED VICTIM/ SURVIVOR IDENTIFICATION INFORMATION

1. Victim majority is female (71%).
2. Victims are Multiple Personality Disordered (100%).
3. Victims/survivors have (or are) participated in commercially and privately produced/sold legal and illegal pornography. (100% interviewed). This pornography is often the "underground variety" of bestiality, child/adult, child/child, adult/infant, sado-masochistic, satanic/occult films and videos, magazines, and still photographs.
4. Older victims were frequently tattooed for easy identification with a "so-called" Blue or other colored MONARCH butterfly. This practice became more or less obsolete in the early 1970's and was replaced by the victim wearing butterfly hair barrettes, large butterfly ear rings, pins, necklaces, bracelets, or embroidered insignias to "advertise" their art of expertise to knowledgeable abusers. This rule applies to 100% of the victims interviewed.
5. ALL MONARCH survivors were victims of brutal sexual child abuse. Programmed survivors have been found to be multi- generational incest victims whose genealogy can be traced to either Catholicism, Mormonism, and/or members of US Intelligence Communities.
6. Many victims are frequently determined to have been the natural or adopted children of multi-generational Satanist or in some cases "renegade witchcraft" occult groups.
7. Survivors once in therapy are always adjusted to possess homicidal and/or suicidal ideations which only recently has been determined to be as a result of sophisticated trauma base psychological programming.
8. Victims almost always possess multiple electric prod (stun gun) scars and/or the resultant moles in the muscled areas of the back, arms, neck and thighs. Some victims are also (in addition to) vaginally mutilated through "body piercing" (rings placed in nipples, vaginal lips, or clitoris) or through actually elaborated carving the vaginal area. Also, scars from branding irons or knives throughout the body will depict pentagrams, animals, crosses, even certain cartoon characters. There is also a group that "forces" moles through electric shock and/or chemical application to the neck and face to further identify to abusers the victim's training/programming.
