

# DCA PARTNERSHIP PACKAGE

Dear Dreams Gymnastics Academy Families,

Dreams Gymnastics Academy is offering advertising through our new sponsorship package. We are looking for individuals and companies that are interested in sponsoring our gymnastics club.

Sponsorship will go directly towards improving our facility for our members; particularly our NEW VIEWING AREA in the Hopes gymnastics space. Please see the below sponsorship package for all the details and application form.

If your family business, or company that you work for is looking for a unique advertising opportunity, where they can get exposure as well as positively impact our families ability to watch their gymnast train and compete, please consider partnering with Dreams Gymnastics Academy!

Thank you for your time and consideration,

Ashley Sportun  
Owner  
Dreams Gymnastics Academy

*Dreams provides my daughter with a positive learning environment; growing not only as an athlete but as a human preparing for a lifetime of accomplishments*

*Dreams Gymnastics Academy is getting a facelift!*

*A new viewing area is coming to our Hopes competitive space. The viewing area will allow more space for Dreams' family and friends to watch their favorite gymnast as well as the ability for Dreams Gymnastics Academy to host gymnastics competitions in our own club! We need your help to make this a successful renovation.*
