Who else but KUER brings you the news of the world and jazz legends? Tune in and enjoy the stimulating discourse of *The Diane Rehm Show*, *Talk of the Nation*, and *Fresh Air with Terry Gross*, all in addition to your favorites – *RadioWest*, *Morning Edition* and *All Things Considered*. Of course, once the evening rolls around, we're still the coolest jazz club in town – same as always. So give us a listen. It'll give you something to talk about.
