

TRANSFORM YOUR HOME WITH Me²

The Milwaukee Energy Efficiency program (Me²) helps homeowners upgrade their homes with energy-saving improvements like new insulation, heating equipment, and ENERGY STAR windows. These upgrades improve the comfort and durability of your home while saving energy and reducing your energy bill.

Pair Cash Back rewards from the statewide **Focus on Energy Program** with an affordable loan option through **Summit Credit Union**.

BONUS INCENTIVES

Energy efficiency projects can qualify for incentives from both the statewide Focus on Energy program and the Me² program. Me² customers are not required to use an Me² loan to get incentives. Focus on Energy offers two incentive levels based on income: Tier 1 incentives are available to almost all homeowners, and higher Tier 2 incentives are for low to moderate income households. Me² Bonus incentives are also available to residents that qualify for Focus on Energy Tier 2 incentives.
