

ANNA LEIGH WATERS  
BANTAM ALW-C

PADDLETEK™

LET'S GO AGAIN.

**PADDLETEK™**

**BANTAM  
ALW-C 14.3**

The Bantam ALW-C was designed in conjunction with World #1, Anna Leigh Waters, to provide a combination of forgiveness, power, spin and flexibility. PT-700 unidirectional RAW carbon fiber is combined with our more forgiving 14.3mm Bantam core to give serious players power, control and spin capability. This combination along with its light/medium weight makes the ALW-C (14.3mm) a versatile paddle for performance minded players.

Weight: 7.5 - 7.8 oz

Length: 15 5/8"

Core Thickness: 14.3 mm

Standard Grip: 4 3/8"

Thin Grip: 4 1/8"

Grip Length: 5"

Polymer Honeycomb

PT-700 RAW Carbon Fiber

MSRP: \$229.99

Colors: Sunset, Seafoam, Platinum

**BANTAM  
ALW-C 12.7**

The Bantam ALW-C was designed in conjunction with World #1, Anna Leigh Waters, to provide a combination of power, spin and flexibility. PT-700 unidirectional RAW carbon fiber is combined with our legendary 12.7mm Bantam core to give serious players max power and spin control. This combination of power, spin and light/medium weight makes the ALW-C (12.7mm) a versatile paddle for performance minded players.

Weight: 7.5 - 7.8 oz

Length: 15 5/8"

Core Thickness: 12.7 mm

Standard Grip: 4 1/4"

Thin Grip: 4"

Grip Length: 5"

Polymer Honeycomb

PT-700 RAW Carbon Fiber

MSRP: \$229.99
