PADDLETEK™

LET'S GO AGAIN.

PADDLETEK™

**TEMPEST
WAVE PRO v3**

Our best-selling paddle series is now even more formidable. Introducing the new and improved Tempest Wave Pro v3 with Paddletek's exclusive ICED Carbon Fiber. Perma-Spin technology lets serious players have spin capabilities that last longer than other carbon fiber surfaces. The legendary Smart Response Technology and a large, consistent sweet spot add finesse to every shot, while the balanced weight increases speed and maneuverability for even better play.

Weight: 7.6 - 8.0 oz

Length: 15 7/8"

Core Thickness: 14.3 mm

Polymer Honeycomb

ICED Carbon Fiber

MSRP: \$209.99

Colors: Sunset, Seafoam, Platinum

**TEMPEST
WAVE v3**

A true players paddle. Introducing the new and improved Tempest Wave v3 with Paddletek's exclusive ICED Carbon Fiber. Perma-Spin technology lets serious players have spin capabilities that last longer than other carbon fiber surfaces. The Tempest PolyCore gives you the advantages of a carbon fiber paddle with a dash of power for put-away shots.

Weight: 7.4- 7.8 oz

Length: 15 7/8"

Core Thickness: 12.7 mm

Polymer Honeycomb

ICED Carbon Fiber

MSRP: \$199.99

Colors: Sunset, Seafoam, Platinum

PADDLETEK™

**TEMPEST
REIGN PRO v3**

Introducing the new and improved Tempest Reign Pro v3 with Paddletek's exclusive ICED Carbon Fiber. Perma-Spin technology lets serious players have spin capabilities that last longer than other carbon fiber surfaces. The Smart Response Technology paired with an elongated paddle face adds both power and speed. It's got all the control and performance you'd expect from a Tempest but with an extended reach for targeted, fiercer hits.

Weight: 7.6 - 8.0 oz

Length: 16 1/2"

Core Thickness: 14.3 mm

Polymer Honeycomb

ICED Carbon Fiber

MSRP: \$209.99

Colors: Sunset, Seafoam, Platinum

**TEMPEST
REIGN v3**

The reach you love and the power you want. Introducing the Tempest Reign v3 with Paddletek's exclusive ICED Carbon Fiber. Perma-Spin technology lets serious players have spin capabilities that last longer than other carbon fiber surfaces. The Tempest PolyCore gives you all the advantages of carbon fiber while delivering a dash of power in every drive, plus a higher sweet spot and extended reach for targeted shots.

Weight: 7.4- 7.8 oz

Length: 16 1/2"

Core Thickness: 12.7 mm

Polymer Honeycomb

ICED Carbon Fiber

MSRP: \$199.99

Colors: Sunset, Seafoam, Platinum
