# BELTS & ACCESSORIES

A large, mature tree with a thick trunk and dense green foliage stands on a grassy golf course. In the background, there are rolling hills and mountains under a clear blue sky. A person's hand holding a golf club is visible on the right side of the frame.

# TECHNOLOGY

FOR COMFORT OF MOVEMENT  
USED THROUGHOUT COLLECTION

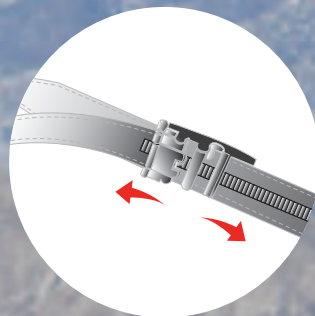

**7 holes :**  
we use 7 holes on point end to ensure a "Better Fit" for all body types.

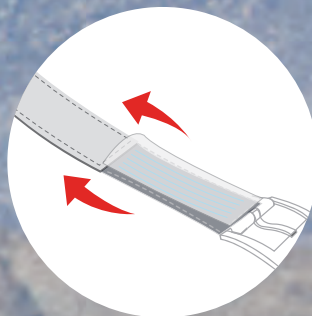

**Breath-ability / perforation :**  
perforated leather allows air to move through the strap, wicking away moisture from the body on hot days.

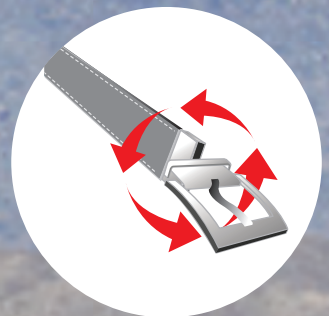

**Ultralight buckle :**  
carved out buckle eliminates extra weight for better comfort.

**Slide mechanism :**  
unique mechanism to ensure "Optimum Fit" for any body type.

**Easy fit :**  
hidden stretch mechanism under loop allows for "Easy Fit" and increased range of motion.

**Reversible buckle and loop :**  
twist buckle rotates at base to provide two-in-one belt.

**Gem-Dandy Accessories** is one of the country's leading belt and accessory companies servicing retailers across the globe since 1921.
