Fore The Kids

Our partnership with the First Tee has been an amazing success. The rangefinder trade-in program allows us to donate rangefinders to kids within their programs all across the country.

National Breast Cancer Foundation

During the month of October, a percentage of every pink item sold in our store goes to the National Breast Cancer Foundation, Inc and helping them out drive Breast Cancer!

Michael Breed

"I've said it once and I'll say it again, The Pinned Golf Rangefinder is my go to rangefinder! The combo of quality, features and price, there is no better option."

Jake Hutt

"I've been using Pinned's products for years now and they get better every year. It's my go to rangefinder and it's not even close."

@pinnedgolf

Boston, MA

We were three recent college grads who loved golf but couldn't understand why the game was so expensive and stuffy. When we realized that most golf technology was dull and expensive, we knew they had to change the vibe. So, we started Pinned to have better vibes and lower scores out on the course.

Alec, Matt & John
