Owner Obligations:

The owner shall:

1. Be solely responsible for disclosing to the groomer/grooming staff the existence of any pet allergies, illnesses, health conditions, habits or behaviors (e.g. aggressiveness, biting, escaping and favorite hiding places) that could potentially impact the Services or the safety of any staff.
2. PET OWNER agrees to arrive within 30 minutes from when the GROOMER reaches out to inform you your dog is ready. Our GROOMER will call or text to inform you that your PET is ready. Owner must be available by phone while your pet is in our care.

Spalding farms Only Paws, LLC understands that plans change sometimes last minute and emergencies come up. However, if you are not able to return to pick up your PET within 30 minutes they will be assigned a room in the facility and will go out with our daystay rotation until pick up. A \$35 Daystay fee will be applied to your account per dog.

3. Owner is aware that a grooming service can take up to 1-6 hours depending on the dogs coat condition and behaviors. We expect your PET to arrive at their scheduled time of appointment. If PET arrives 15 minutes late for appointment OWNER understands that the appointment may be rescheduled. A missed appointment fee may be applied.

Health, Medical Problems & Senior Pets: Please keep in mind the services can sometimes be stressful for our senior or ill pet. The Services can also expose hidden medical problems or aggravate current ones during or after the groom. Because these pets have a greater chance of injury, they will be groomed for cleanliness and comfort. In the best interest of your pets this Release will give Spalding Farms Only Paws, LLC permission to obtain immediate medical treatment for your pet should it be deemed necessary by the GROOMER or Management . We will make reasonable attempts to contact you prior to seeking such medical treatment. **It is agreed that all expenses for medical care will be covered by the pet's owner.**

Matt Removal: Pets with matted coats can be very difficult and may require the pet to be shaved. Removing a heavily matted coat increases risks of nicks, cuts or abrasions. Heavy matting can also trap moisture and urine near the pet's skin allowing mold, fungus or bacteria to grow causing skin irritations that existed prior to Services. After effects of mat removal procedures can include itchiness, skin redness, self-inflicted irritations or abrasions and failure of the hair to re-grow. Shaved pets are also prone to sunburn and should be kept out of the sun until the hair grows sufficiently to protect the skin. In some cases, pets may also exhibit brief behavioral changes. **There is an extra charge for any necessary de-matting.**

Consent to Use Photos: You hereby grant Spalding Farms Only Paws, LLC, without limitation, the right to use your pet's name and likeness in connection with the Services for any publicity without further compensation or permission.

Parasites: If fleas or ticks are found during the provision of grooming services, your pet will receive a flea bath to kill the parasites and an extra charge will be applied. Ticks found will be removed and if a full flea treatment is needed an additional charge may be applied. Please note that parasites are a health hazard to your pet as well as to humans.

Aggressive or Dangerous Pets: Owners MUST inform the GROOMER if your pet has bitten, is aggressive toward people, other pets or specific grooming procedures. Muzzles may be used if necessary for grooming services. Muzzling will not harm your pet, yet protects both the pet and the groomer. Spalding Farms Only Paws, LLC reserves the right to refuse/stop Services for pets at any time before or during the Services if it is determined in the managements sole discretion that the pet(s) pose a danger to the health and safety of itself, other pets or people. Spalding Farms Only Paws, LLC reserves the right to charge a handling fee for aggressive pets in addition to the regular grooming charge. If the pet should bite, the owner agrees to be responsible for any and all related medical bills, recovery costs, and equipment damage. The owner authorizes Spalding Farms Only Paws, LLC to use all means reasonably necessary, in managements sole discretion, to keep the owner's pet(s) safe and healthy while providing the Services.

Deposits/Cancellation Policy: The owner must notify Spalding Farms Only Paws, LLC of Service cancellation at least 24 hours before the scheduled visit. The pet owner understands that a 50% deposit is required for all grooming services. If the appointment is a no-call/no-show or is canceled with less than 24 hours' notice, the booking deposit will be forfeited. Signing this agreement gives Spalding Farms Only Paws, LLC permission to charge the saved card on file.
