@OliveFamily92109 The Olive Cafe @OliveCafeMB

**A Little Bit About Us**

**Sarah Mattinson**, originally from Upstate New York, attended USD where she fell in love with San Diego, more specifically Mission Beach. With a little help from friends and family, Sarah was able to fulfill her dream by owning a cozy café. Olive Café is a welcoming place where guests can sip coffee out of their very own mugs, munch on some good food, or hang out while sharing a warm scone. Our mission is to serve fresh, quality, home cooked food that's made-to-order. We've welcomed Mission Beach with friendly faces since **2005**, even early in the morning. After 10 years running the café, Sarah was up for another challenge. She always cherished her first job out of college, working at a family bakery in Little Italy. She loved talking with regulars when they picked up their fresh bread and watching faces light up when customers found their favorite pastries. Now all of our bread is proudly baked up the street at **Olive Baking Company**.
