Citrus Spice CBD Hemp Extract

Our Citrus Spice formula is a satisfying blend of organically grown CBD Hemp Extract, Sunflower Lecithin, MCT Oil (Coconut Oil), Orange, Cinnamon, Turmeric, and Ginger.

Evening Blend CBD Hemp Extract

This blend of pure organic CBD Hemp Extract, Sunflower Lecithin, and Organic MCT Oil (Coconut Oil) is the perfect addition to your evening routine that boasts bountiful botanicals.

Hemp Salves

Our Warming Blend is great to rub post-workout or on stiff and achy muscles, as is the Cooling Mint with the addition of the aromatic benefits of rosemary and peppermint.

Local love.

Whether it's our thoughtfully-sourced, whole plant hemp/CBD products or our desire to partner and work with local small businesses and farmers — we're bringing the benefits of hemp oil to the local community and we're making it accessible to everyone.
