

Lakeview Learning (dba Lakeview Academy)

2026–2027 Tuition & Fees Terms and Conditions

The following terms and conditions outline the financial commitments and obligations associated with enrollment in Lakeview Learning programming for the 2026–2027 academic year.

Programming is offered according to the published 2026–2027 Lakeview Learning calendar. Individual program areas—including In-Person Classes, PE Time, and Field Learning Activities—have their own scheduled start and end dates, holidays, and breaks.

By registering your child(ren), you acknowledge responsibility for all applicable tuition and fees outlined in this agreement, including the tuition payment and installment payment terms contained herein.

Please review these terms carefully to ensure you understand your responsibilities and the provisions related to tuition, registration deposits, fees, installment payments, and withdrawal.

1. Tuition Payment

Tuition payments are due according to the payment option selected at registration. Families are responsible for ensuring all payments are made on time.

Tuition payments already made are non-refundable. In rare cases involving unforeseen circumstances, Lakeview Learning may consider exceptions at its sole discretion.

Continued nonpayment may result in late fees, suspension of participation, removal from programming, and/or additional collection efforts for unpaid balances.

2. Tuition and Program Fees

Tuition and program fees are established according to the programming selected for each student.

For the 2026–2027 academic year, Lakeview Learning programming includes:

- **In-Person Classes:** \$1,290 per student for the academic year
- **PE Time:** \$60 per student for the academic year
- **Field Learning Activities:** \$480 per student for the academic year for participating students ages 5+ and one chaperone
- **Field Learning Activities for eligible younger siblings ages 3–4:** \$240 per child for the academic year
- **Field Learning Activities for eligible younger siblings ages 2–3:** \$120 per child for the academic year
- **Field Learning Activities for eligible younger siblings ages birth to 2:** \$0 per child for the academic year

Additional requirements, eligibility restrictions, and participation guidelines may apply to individual programs.

3. All-Inclusive Programming Tuition

Students enrolled in all three Lakeview Learning program areas—In-Person Classes, PE Time, and Field Learning Activities—are eligible for the **All-Inclusive Programming Tuition option**, which provides a **5% discount** on the combined tuition for those three program areas.

For students ages 5+, the regular combined annual tuition is \$1,830. With the 5% All-Inclusive Programming discount, annual tuition is **\$1,738.50 per student**.

The All-Inclusive Programming discount is based upon enrollment in all three program areas and is not a general paid-in-full discount.

4. Registration Deposit

A **non-refundable \$50 Registration Deposit per student** is required to secure enrollment.

The Registration Deposit is separate from the stated tuition and program fees and is not refundable if a family later chooses to withdraw.

5. Payment Options

Families may select from the payment options made available by Lakeview Learning through the Family Portal.

Depending upon the program selected, payment options may include:

- Payment in full for the academic year;
- Payment in full by semester; or
- Automatically recurring installment payments.

Installment plans for eligible programming may be structured over **nine (9) monthly payments from August through April**.

PE Time is paid in full and is not offered through a monthly installment plan.

6. Late Enrollment and Prorated Tuition

Students who enroll after programming has begun may have tuition adjusted based upon the remaining period of participation, when applicable and at Lakeview Learning's discretion.

The Registration Deposit is not prorated or reduced for late enrollment.

Tuition is not prorated or refunded for individual absences, missed classes, Field Learning Activities, PE Time sessions, or other programming missed by a student after enrollment.

7. Financial Responsibility

The parent(s)/guardian(s) entering into a payment arrangement are financially responsible for all applicable tuition, fees, and outstanding balances associated with their child's enrollment.

Lakeview Learning reserves the right to pursue appropriate collection efforts to recover outstanding balances when necessary.

8. Withdrawal Policy

If a student withdraws during the academic year, **tuition for the current billing month remains due in full and is non-refundable.**

Future scheduled tuition payments following the effective withdrawal date will be canceled after Lakeview Learning receives official notice of withdrawal.

Previously paid tuition, registration deposits, and other applicable fees are non-refundable.

9. Late Payments

If a balance remains unpaid more than five (5) days after its due date, a **\$25 late fee** may be assessed.

Continued nonpayment may result in a pause in participation, removal from programming, and/or additional collection efforts until the account is brought current.

10. Returned Payments

Any returned check or returned payment may incur a **\$35 fee**.

After two returned payments, Lakeview Learning reserves the right to require future payments to be made using guaranteed funds or another approved payment method.

11. Program Absences and Closures

Tuition is based upon enrollment and reservation of a student's place in programming and is not calculated according to individual attendance.

Accordingly, tuition will not be prorated or refunded for student absences.

Scheduled breaks and holidays are incorporated into the established tuition rates.

Program closures, cancellations, weather-related changes, and other circumstances affecting programming will be handled in accordance with the applicable policies contained in the **2026–2027 Lakeview Learning Family Handbook**.

12. Communication

Tuition-related communications, including payment reminders, notices, and other account information, will generally be sent electronically using the contact information provided by the family.

Parent(s)/guardian(s) are responsible for maintaining current contact information and regularly reviewing communications from Lakeview Learning.

13. Amendments

Lakeview Learning reserves the right to make reasonable amendments to these terms when necessary for operational, legal, or administrative purposes. Any material changes will be communicated in writing and will not retroactively increase a family's existing tuition obligation for the applicable enrollment period.

14. Acceptance of Terms

By registering a student, paying the applicable Registration Deposit, and/or entering into a tuition payment arrangement, parent(s)/guardian(s) acknowledge that they have read, understood, and agree to abide by these **2026–2027 Tuition & Fees Terms and Conditions** and the applicable provisions of the **2026–2027 Lakeview Learning Family Handbook**.
