Volunteer with Texas Baptist Children's Home

Texas Baptist Children's Home counts on friends, volunteers, donors, and other supporters to help provide those who are most vulnerable with the support and structure that they need.

By volunteering, you are donating your time to help meet a tangible need that directly impacts the lives of the children and families we serve. Whether you are coordinating a food drive or painting walls in a cottage, you are making a difference!

Some volunteer assignments may require background checks, particularly those that will place volunteers in close proximity to children in care.
