

Camp Programs

Camp: Destination is more than a summer camp- we are a home away from home. We offer a safe, fun, and stimulating environment that focuses on developing a community for our campers and their families.

Entering Kindergarten through 8th grade

Enjoy a fun-packed day as a camper and choose new and exciting adventures every day! Campers are grouped by age and led by 2 counselors. Daily activities may include electives such as, arts and crafts, science, computer coding, drama, music, dance, gaming, robotics, yoga, Israeli Culture, Hebrew Language, book publishing, magic, stand-up comedy, team building and group thinking games just to name a few. Gym games and sports are included in our daily activities as well. Campers will have a chance to play basketball, Medic, kickball, Gaga, and much more. Do not forget about our weekly themes that always bring a fun twist to our activities!

Experienced Staff

Camp: Destination works year round to find the best counselors and mentors for our unique program. Counselors are trained each year in an environment that promotes team, family, and safety. Our staff works with each camper to instill confidence, social skills, and life skills that can be used for the rest of their lives!

Leaders in Training (LITS)-9th-12th grade

Being an LIT at Camp: D is one of the BEST experiences a young adult can have. LITS will spend a portion of the day working with other camp groups learning to be a counselor under the guidance of our staff. They will also take part in multiple team building and confidence building workshops.

Before/After Care

Need to drop off earlier than 9am? No Problem! Before Care is offered from 7:30am-9am, and the fee is \$10 per child per day.

After Care is offered everyday from 3pm - 5pm at a fee of \$15 per child per day. After care will be provided by Bria's Bunch. Please contact Bria Cooper at Bria@desertja.org for information and enrollment.
