

Application for Items from Solon Community Church

Solon Community Church is transitioning from a congregational ministry to a legacy ministry. As part of its legacy, it wants to invest in the ministry and mission of other UCC Congregations and Solon Community Non-Profit Organizations through the donation of items within the church. A list of items is available on SolonCommunityChurch.org. Please fill out an application for the items you would like to be considered for. Applications will be reviewed on an ongoing basis by the Solon Community Church Central Stewardship Board. Please send all applications to info@soloncommunitychurch.org
