## *What is Booster Club?*

*We are dedicated 100% to supporting our Student Athletes!*

*Established in 2016, the Oasis High School Athletic Booster Club is a non-profit organization made up of action oriented parents, volunteers, and administrators. Through dedication and teamwork we support the enhancement of the athletic experience of Oasis High School student-athletes, and community awareness of their athletic and academic achievements.*

*This Booster Club supports all student-athletes and teams of Oasis High School. Our goal and objectives are to provide supplemental funding for all student-athletes participating in one or more of our nineteen teams.*

*We are confident through your support; the full needs of our student-athletes will be met. The Boosters are only able to provide this support through membership, fundraisers, and your continued donations. By joining you will become part of a dedicated group of individuals who are making a difference by investing in our school, our community, and our futures.*

## *Our goals for the 2020-21 Year!*

- 1. Grow in our membership.** Let's join together to help make a positive impact on Oasis's athletic program. We need your support!
- 2. Meet with us when you can.**  
Meetings are held on the **2nd Wednesday of each month at 6:30**. We meet in the cafeteria and also on zoom. We know sports families are busy so meetings are not required but are encouraged. We want our boosters to have a time to come together and plan to do great things.
- 3. Fundraising Goal: \$5,000** This money goes directly back to all the sports teams.  
(Last year each team received \$1,400 from boosters.)
- 4. New this year... sponsor a Formal Spring Sports Banquet.** Just by joining, your membership dues can help us put on a great event for our student athletes. We would like to host a special evening to celebrate players and thank coaches for their hard work and accomplishments throughout the school year. We will need members to help make this event happen.
