- B. No previous meeting notes to review and approve
- C. Treasurer Report given by Christi Llanes. Current amount in boosters account is \$2809.00. Some money was spent at the beginning of the year to give the teachers lunch during back to school. Booster allocated \$1,400 to each team last year.
- D. President Report: Jenell Dolan
  1. New president on the board. Currently accepting new members and looking to fill the board spot for Treasurer.
  2. Fundraising ideas from the past were 5K or Casino night. Unsure this year with CDC guidelines.
    - a) School Spirit Night: October 22 at Chick-fil-a. Other suggestions of places were Fosters, Dairy Queen, Culvers and 3 Pepper Burrito.
    - b) Banners: still available for purchase for 1 year. Jenell will look for flyer. Coach Haba does banners for baseball. Bowling interested in a banner and that money would go to that team.

- c) Team fundraisers must go through the school. Forms are available at the front office and the flyer must also be submitted.

#### IV. Communications Report: Jenell Dolan

- A. Team pictures. Christi Llanes: We ask parents to help take pictures at athletic events. Send team pictures through Facebook messenger (facebook page: Oasis High School Athletic Booster Club) or email [oasisboosterclubpresident@gmail.com](mailto:oasisboosterclubpresident@gmail.com)

#### V. Membership report: Jenell Dolan

- A. Need a membership coordinator. Tanya Sykes will do that. We will work on update the flyer (which can be found on the boosters website <https://ohsboosters.com>.) As of now we can accept cash or checks but Jenell is trying to possibly do Zelle as a way for online payment.
- B. \$25 membership for 2020-21
  1. New members will receive a club sticker and t-shirt
  2. There are volunteer hours for attending booster club meetings and related events. Signup Genius has been done in the past to sign up to sell concessions during home games. (parents who volunteer get a percentage for their team)

#### VI. New Business

- A. Volunteer opportunities will look different this year because of COVID restrictions. Keep checking the website for any changes.
- B. Open Discussion:
  1. Lisa Haba: need at least one parent from each sport to represent the team during booster meetings.
  2. Josh Ertter: possible skill camps to fundraise. Christi Llanes: Suggestion also for middle school students to have activity lead by high school athletes like Raiders does but Catherine Watters said that could be looked at as a recruiting violation. Great idea to reach middle school students but need to be careful.
  3. Bowling Club: family night at the bowling alley / spirit night. Many members thought this was a great suggestion to look into.
  4. Asked Catherine Watters as the AD what she would like the goal for Booster Club to accomplish this year to help support the athletic program.:
    - a) Goal for fundraising is \$5000
    - b) Help sponsor a formal Spring Banquet for all student athletes and to thank coaches with special gifts.
    - c) Help provide money for athletic equipment and uniforms so teams do not have to rely only on their own individual fundraising.
    - d) Jenell: members try to work on donations and community sponsorships. Please email her if you have any connections in the community.
