AMERICAN ACADEMY™ OF OPHTHALMOLOGY

November 9, 2019 in Boise, Idaho

Register today for this intensive Idaho specific half-day course designed to enhance participants' knowledge of the **most up-to-date** and accurate coding and documentation in order to receive proper reimbursement.

Coding doesn't get easier. So professionals get better.

Level up at American Academy of Ophthalmology CODEquest ™

Join the most knowledgeable coding experts in ophthalmology for a half-day of professional education and training. We'll steer you through regulatory roadblocks and the complex maze of federal and commercial payers' rules, arriving at solutions for appropriately maximizing all your reimbursements.

Developed by the American Academy of Ophthalmology and presented in partnership with Idaho Society of Ophthalmology, CODEquest provides unparalleled instruction relevant to all practice sizes, and each session includes valuable information specific to your region.

Who should attend CODEquest?

Ophthalmologists, practice administrators, coder and billers with an intermediate to advanced coding level.

What you'll cover in four hours:

CODEquest's all-new program will help you understand:

- Codequest's all-new 2020 program is the fastest way to understand this year's critical coding changes: Implementation of the new E/M documentation guidelines
- The most important updates of CPT, ICD-10, HCPCS, CCI, MUE, LCDs and payment changes
- Up-to-date documentation rules for exams, tests, minor and major surgeries
- How to select the correct modifier for every situation. Learn how to avoid the common modifier mistakes that cause practices to lose thousands of dollars each year.
- How to resolve claim denials: identify the cause and implement solutions
- Informed recommendations for coding and billing success (e.g. prior authorization, MIGS coverage, vial drug administration and more)
